Benefits are payable for an Insured's injuries under only one Insuring Provision for any one accident.

PART B.

INDIVIDUAL PROVISIONS

1. **Eligibility:** All persons within the classes stated in the Plan of Insurance are eligible for insurance under this policy.
2. **Effective Date of Individual Insurance:** Each eligible person will become insured on the date stated in the Plan of Insurance.
3. **Individual Terminations:** Unless otherwise stated in the Plan of Insurance, the insurance of any Insured shall end on the first of the following dates:
 - (a) The date any premium for the Insured is due and unpaid.
 - (b) The date the Insured ceases to be within a class of persons eligible for coverage under this policy.
 - (c) The date this policy is terminated.
4. **Change in Coverage:** Any change in an Insured's coverage because of a change in class will become effective as stated in the Plan of Insurance.

6. **Change of Beneficiary; Assignment:** Only the Insured has the right to change the beneficiary. Consent of the beneficiary is not required to make any change in this policy. Also, no such consent is required for surrender or assignment of the Insured's right under this policy.

PART C.

CLAIMS PROVISIONS

1. **Notice of Claim:** Written notice of a claim must be given to us within 30 days after loss covered by this policy occurs or starts. If notice is not given within that time, it must be given as soon as is reasonably possible. The Insured can give the notice or have someone else do it for him or her. Notice must be given to us at Omaha, Nebraska, or to any of our agents. It must identify the Insured.
2. **Claim Forms:** When we receive the Insured's notice, we will send the forms for filing proof of loss. If we do not send them within 15 days, the Insured can meet the proof of loss requirement by giving us a written statement of what happened. We must receive this statement within the time given for filing proof of loss.
3. **Proof of Loss:** The Insured must give us written proof of loss within 90 days after the date of the loss or as soon as is reasonably possible. Proof must, however, be furnished no later than 12 months from the time it is otherwise required, except in the absence of legal capacity.

4. **Payment of Claims:** All benefits will be paid to the Insured, the Insured's beneficiary or the Insured's estate as soon as we receive proof of loss.

Benefits for loss of life, if any, will be paid to the Insured's beneficiary (the Insured's estate if no beneficiary is named). Other benefits unpaid at the Insured's death will be paid, at our option, to the Insured's estate or the Insured's beneficiary.

If any benefits are payable to the Insured's estate, to a minor or to any person not legally able to give a valid release, we may pay up to \$1,000.00 to any relative of the Insured who we find entitled to the payment. Payment made in good faith shall fully discharge us to the extent of the payment.

5. **Legal Actions:** The Insured may not bring a legal action to recover under the policy for at least 60 days after the Insured has given us written proof of loss. The Insured may not start such an action more than three years after the date proof of loss is required.

2. **Records – Information to Be Furnished:** The Policyholder shall furnish us or our authorized agent with the information as we may deem necessary for the proper administration of this insurance. The records of the Policyholder which may have a bearing on this insurance shall be open to us for inspection at any time during the policy term and within one year after termination of the policy.

After two years from the date an Insured becomes covered under this policy, we cannot use misstatements, except fraudulent misstatements, in his or her application to void coverage or deny a claim for loss that happens after the two-year period.

6. **Physical Examinations and Autopsy:** We, at our expense, may have a covered person examined when and as often as is reasonable while a claim is pending. We may also have an autopsy done (at our expense) where it is not forbidden by law.

7. **Cancellation:** After this policy has been in force for one year, it may be canceled at any time, by either the Policyholder or us, with written notice to the other stating the date and hour cancellation becomes effective. We shall give 60 days' prior notice to cancellation. Upon cancellation any unearned premium shall be returned.

This notice provides a brief summary of the Maryland Life and Health Insurance Guaranty Corporation (the Corporation) and the protection it provides for policyholders and contract holders. This safety net was created under Maryland law, which determines who and what is covered and the amounts of coverage.

The Corporation is not a department or unit of the State of Maryland and the liabilities or debts of the Life and Health Insurance Guaranty Corporation are not liabilities or debts of the State of Maryland.

The Corporation was established to provide protection in the unlikely event that your health maintenance organization of your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Corporation will typically arrange to continue coverage and pay claims, in accordance with Maryland law, with funding from assessments paid by other insurance companies and health maintenance organizations.

The basic protections provided by the Corporation are:

- Life Insurance
 - \$300,000 in death benefits.
 - \$100,000 in cash surrender or withdrawal values.
- Health Insurance or Health Benefit Plans
 - \$500,000 for basic coverage provided by health benefit plans.
 - \$300,000 for disability insurance.
 - \$300,000 for long-term care insurance.
 - \$100,000 for a type of health insurance not listed above, including any net cash surrender and net cash withdrawal values under the types of health insurance listed above.

 - With respect to each payee under a structured settlement annuity, or beneficiary of the payee, \$250,000 in present value annuity benefits, in the aggregate, including any net cash surrender and net cash withdrawal values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts is:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of coverage provided by health benefit plans.
- \$500,000 in aggregate for coverage provided by health benefit plans.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Maryland law.
