OPTIONAL COVERAGE AVAILABLE

Equipment and Contents Coverage (Inland Marine)

This provides coverage for direct loss or damage to your vendor inventory, supply inventory, detachable trailers, equipment and portable storage units due to fire, theft, vandalism, or other covered causes (subject to actual policy terms and conditions). You must insure the full replacement cost of all your equipment and contents to avoid a coinsurance penalty at the time of loss. Should you add additional equipment or contents to your inventory, please contact us to have your insured value amended to avoid a coinsurance penalty.

Coverage Conditions:

1. Coverage is not available on a stand-alone basis. You must have six-month or annual Commercial General Liability coverage for your concession, exhibitor, or vendor business with our Concessionaires, Exhibitors & Vendors RPG Insurance Program.
2. Coverage cannot be extended to cover fine jewelry, fine arts, and permanent structures such as concession stands or storage units that are not portable.

FREQUENTLY ASKED QUESTIONS

1. How soon does coverage start? When will we receive proof of coverage?

Coverage can be bound the day after we receive a completed enrollment form and the appropriate premium. Please allow adequate time for us to process your enrollment form and issue certificates.

2. When should we make our coverage effective?

The effective date is the date you need your insurance to start. If you are renewing annual coverage with us, use the expiration date of your coverage. Coverage will be in effect for the time period selected.

3. Can I apply for coverage over the phone?

Unfortunately, we are unable to take your information over the phone at this time. You can apply for coverage online or by completing an enrollment form and submitting it to us via fax or mail.

4. What is a general aggregate?

The general aggregate is the maximum amount to be paid out in any policy period for all covered losses.

5. I have been asked by the event where I am exhibiting to add them as an additional insured to my policy. What does this mean?

An additional insured is a person or organization not automatically included as an insured under an insurance policy, but who is included or added as an insured under the policy at the request of the named insured. By providing an entity additional insured status, it now is entitled to defense and indemnity (if policy limits have not been exhausted) under your policy with no responsibility for premium payments.

You can add an entity as an additional insured under the certificate request section of the enrollment form. Please provide their complete name, address, and relationship to you. All requests must be made in writing.

6. If we need to request another certificate of insurance for a specific event that we are attending, how do we do this?

A written request from the insured is required. There is a certificate request form that will be sent with your original coverage documents that can either be faxed, mailed or e-mailed to us. Please allow adequate time for processing.

7. What is the coinsurance penalty referenced with equipment and contents coverage?

The equipment and contents coverage available within this program contains a 100% coinsurance clause. With a 100% coinsurance clause, you agree to accept a penalty if a covered loss occurs and all of your equipment and contents are not insured to their replacement cost value. For this reason, it is vital that the values of your equipment and contents be accurately reported and updated annually to reflect inflation and other increases in cost. If they are undervalued, a coinsurance penalty may be applied at the time of a loss. The penalty equals the difference between the amount of the loss and the amount actually paid by the carrier.

The simple formula used to arrive at the amount to be paid by the carrier is as follows:

$$\text{"Did"} / \text{"Should"} \times \text{Loss Amount} - \text{Deductible} = \text{Amount Paid}$$

"Did" = the amount of coverage you did purchase
"Should" = the replacement value of your equipment and contents that you should have insured

8. What does the term "replacement cost" value mean with regards to equipment and contents coverage?

Replacement cost means that the value of covered property will be based on the replacement cost at the time of loss without any deduction for depreciation. It is limited to the cost of repair or replacement with similar property and used for the same purpose.

9. Will we receive a policy after submitting the enrollment form?

No. You will receive a certificate of insurance as proof of coverage. By applying for this insurance, you are applying for membership in the Sports, Leisure and Entertainment Risk Purchasing Group (RPG), a group formed and operating pursuant to the Liability Risk Retention Act of 1986 (15 USC 3901 et seq.). Coverage is offered exclusively through the Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the insurance company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member receives their own certificate of insurance as evidence of coverage. The limits of insurance apply individually to each insured member organization - there are no shared limits of liability with any other members. For a copy of the RPG master policy, please submit your request in writing to: Academic HealthPlans, Inc., P.O. Box 736073 Chicago, IL 60673-6073 or recsportsandmore@recsportsandmore.ahpcare.com.
