

Delta Dental's Student Health Plan

Preserving your smile and budget through
your college years

Getting a college degree means investing your money and time, and taking courses designed to keep you on track. This gives you advantages in a future career. Like your education, it's important to invest in your health care too, so that you have a dental plan designed to keep you on track.

Delta Dental's Student Health Plan gives you four advantages in maintaining your oral health:

- **Quality care:** You can receive preventive care, such as regular cleanings and exams, at a low cost, and restorative care, such as a crown, to resolve urgent issues.
- **Savings:** You can enjoy savings by visiting a network dentist, who accepts reduced fees.
- **Affordability:** You pay a low annual premium.
- **Peace of mind:** You can feel secure with regular care that prevents development of conditions that require costly treatment.

How to make the most of your dental plan

How the plan works

With this Delta Dental PPO™ table of allowance plan, you receive preventive and restorative care for a low annual premium. Your plan pays a set amount for each procedure, so you'll know in advance how much is covered.

With this plan, you're covered when you visit any dentist. But Delta Dental's large networks of dentists give you a value advantage for your money. You can save the most by visiting a Delta Dental PPO dentist, who has agreed to accept reduced fees.

Time-saving access

As a plan member, you can easily manage your dental care:

- **Find a dentist:** Go to deltadentalins.com to find a PPO or Premier dentist. You don't need to carry a plan ID card. Just tell the dental office you're covered by Delta Dental Insurance Company and provide your name, student ID number and date of birth.
- **Create an online account:** Visit deltadentalins.com and register for an online account. Log in to pull up an ID card, view claims and see your benefits details.
- **Use the Cost Estimator tool:** To compare procedure costs at Delta Dental network offices, log in to deltadentalins.com to know what to expect.

Sign up today at the registration site smu.myahpcare.com/enrollment for the Student Health Plan — for coverage that keeps you prepared and at your best.
