Have you had an eye exam lately?

Learn how you can save money on eye care with the Davis Vision® Eye Care Program

With the Davis Vision eye care program you can get a comprehensive eye examination for only **\$35** at Davis Vision network providers nationwide.

This program also offers **significant discounts** on frames, lenses, and contact lenses. See the back of this flyer for more details.

Through Lens123®, the Davis Vision proprietary mail order program, you may receive replacement contact lenses offered at guaranteed, discounted prices.

Thinking about laser vision correction?

You can receive discounts on laser vision correction services at Davis Vision participating laser vision correction providers: up to 25 percent off the participating provider's usual and customary fees or 5 percent off any participating provider's advertised specials, whichever is less.

Who is eligible to participate in this program?

Through Independence Administrators, Davis Vision Eye Care Program is being offered to all full-time students at your school — whether or not you are enrolled in your school's health plan.

There is no fee to enroll in this program.
