Dear Students:

Sam Houston State University is pleased to present the 2015–2016 Student Health Insurance Plan underwritten by UnitedHealthcare Insurance Company and administered by Academic HealthPlans, Inc.

All registered domestic students taking six (6) or more credit hours are eligible to participate in the Plan.

- *Participating Providers in the UnitedHealthcare Choice Plus PPO Network includes many providers and hospitals Nationwide as well as in the Huntsville and Greater Houston area.*
- *Online enrollment and more Plan information available at shsu.myahpcare.com.*

This Plan provides coverage to the student population for a reasonable price. This is important as students often experience changes during their academic career that make them ineligible for coverage under their parent's insurance plans (e.g. residing out-of-area and changes in full-time student status).

If you are presently insured, I encourage you to review your current plan to make certain that you will be covered while in school. If you are not presently insured, you may want to consider protecting yourself from the unexpected cost of medical care by enrolling in the Sam Houston State University Student Health Insurance Plan.

If you have any questions about the insurance or want to enroll online in the Plan, please call Academic HealthPlans at (855) 370-7211 or Student Health Services at 936-294-1805. More information about the Plan and services can be obtained by accessing the Academic HealthPlans website shsu.myahpcare.com.

Sincerely,

Sarah Hanel
