

**In order to meet Affordable Care Act requirements around minimum essential coverage reporting, Blue Cross and Blue Shield of Texas (BCBSTX) will be issuing 1095-B forms early next year to insured members as well as providing reporting to the Internal Revenue Service (IRS). Your student health plan meets minimum essential coverage.**

**All student health members that had coverage during the 2015 calendar year will receive a 1095-B form and it will indicate the months each person was covered during this time. 1095-B forms will be sent to the address we have on file on or before Jan. 31, 2016.**

**If you do not receive your form(s), need a replacement copy, or have general questions please contact the Student Health customer service department at 855-267-0214.**
