

Prescription Drug Benefit 2016-2017

The Student Health Insurance Plan offers a Prescription Drug Copayment Plan. To access your benefits you should use a pharmacy contracting with the HealthSmart Rx® Network. To locate a pharmacy in your area, call please or visit our website at pacificu.myahpcare.com.

For Pharmacies contracting with HealthSmart Rx® Network:

- 100% of PPO Allowance after a
- \$20 Copayment per Generic Drug
- \$40 Copayment per Brand Drug
- \$65 Copayment per Preferred Brand Drug
- 31 day Supply

For Prescriptions at the Student Health Center:

- 100% of PPO Allowance after a
- \$10 Copayment
- 31 day Supply

If your pharmacy charges more than your Copayment, it could be because of one of the following reasons:

1. Your eligibility is not in the HealthSmart Rx® system*
2. The drug you are getting is not covered under your plan

*If your eligibility has not been loaded or you are purchasing a prescription at a pharmacy other than a pharmacy contracting with HealthSmart Rx®, you will need to pay for your prescription in full. You should contact Academic HealthPlans at (855) 856-2383 to have your eligibility loaded within 7 business days of purchasing your prescription and you may return to the pharmacy to have your prescription reprocessed. If later than 7 days or if you have purchased your prescription at an Out-of-Network provider, you will need to complete the Prescription Drug Claim Form and attach a copy of your prescription drug label along with the pharmacy receipt showing how much you paid (not the cash register receipt) for reimbursement.
