How to Locate a Provider

The HealthLink website includes a link to our online Physician/Hospital Locator and Customized Directory functions. Use the locator to find a participating provider in your area. Then download, save and print a customized PDF directory based on your search criteria. Log in today at ***healthlink.com***.

The screenshot shows the HealthLink website homepage. At the top is the HealthLink logo and a search bar. Below the logo are navigation links: "Request a Quote", "Follow Us", and "Contact Us". A horizontal menu contains tabs for "Visitors", "Members", "Employers", "Providers", "Brokers", "Carriers", and "TPAs". The main banner features a photo of a woman hugging a child, with the text "Getting Care When You Need It Now" and a sub-headline about emergency room costs. A "Learn More" link is present. Below the banner is a tagline: "Connecting individuals and families with the tools for healthier living." Four content boxes are displayed: "Find a Provider" (with a photo of three healthcare professionals), "Member Access" (with a photo of a family), "Member Resources" (with a photo of a person at a computer), and "Not a Member Yet?" (with a photo of a family). Each box has a brief description and a right-pointing arrow. At the bottom is a footer with links: "Privacy Statement", "Terms of Use", "Careers", "Press Room", "HIPAA", "Legal", and "Glossary".

Select *Find a Provider* from the Member home page

Once you've opened the Physician/
Hospital Locator home page, searching
for a physician, hospital or other health
care professional is easy as 1-2-3!

Select a Health Plan

Select a HealthLink Network

- Choose from the drop down menu to the right

Choose a Provider Type

Specify the type of provider for your search:

- Physician
- Group of Physicians
- Hospital
- Ancillary Facility

If you choose "Physician," you are able to:

- Choose the specialty of the physician from the drop down menu.
- Enter the last name of the physician. If you are not sure how to spell the physician's name, enter the first letter of the last name to view an alphabetical listing of ALL physicians.
- You may also enter a gender preference, a group name or a hospital affiliation of the specified physician.

If you choose "Group of Physicians," you are able to:

- Enter the name of the group in the "With the Name" field.

If you choose "Hospital," you are able to:

- Enter the name of the hospital in the "With the Name" field. If you do not know the name of the hospital move to Step 3 and further define your search by entering your specified location.

If you choose "Ancillary Facility," you are able to:

- Choose the type of ancillary facility from the drop down menu.

Many of these fields are optional. No need to enter information in every field available.

Pick a Location

Select the search criteria for your location and enter the information requested:

- State and City
- State and County
- Zip Code with Mile Radius

Many of these fields are optional. No need to enter information in every field available.

Example: If you choose State and City you are not required to enter the City name. You are only required to choose a State from the drop down menu.

The screenshot shows the HealthLink website's Provider Locator page. It is divided into three main steps, each with a large numbered icon (1, 2, 3) and a corresponding section header. Step 1 is 'Select a Health Plan and Network', Step 2 is 'Choose a Provider Type', and Step 3 is 'Pick a Location'. The interface includes a search bar at the top right, a navigation menu, and a list of HealthLink Networks on the right side of Step 1. Arrows indicate the flow from one step to the next. The 'Search' and 'Reset' buttons are at the bottom right.
