Who can enroll?

All **international** students who are enrolled in one (1) or more credit hours are required to maintain the Student Health Insurance Plan as a condition of enrollment. International students must enroll in the Student Health Insurance Plan unless they have a special waiver personally granted by the Student Health Center (SHC) staff. To view the requirements necessary to apply for a waiver or to print a waiver form, please go to smu.edu/healthinsurance.

After enrolling for classes each semester, international students must elect coverage online by going to the student center component of **MY.SMU** and selecting the "Health Insurance" button. The semi-annual premium will be charged to the student's SMU student account after they enroll in **MY.SMU**. Any student not enrolled by the deadline will automatically be enrolled and the premium charged to their SMU student account. No changes will be made to a student's SMU account after September 7, for Fall 2016 or February 7, for Spring 2017.

For more detailed information, including a "Frequently Asked Questions" page, please visit smu.edu/healthinsurance.

Dependent coverage is available. Payment for dependent coverage must be paid directly to Academic HealthPlans and may not be billed to the student's Southern

Methodist account. Dependents will NOT automatically be re-enrolled. You will need to re-enroll them by each semester's deadline. **To view rates and enrollment information, go to smu.myahpcare.com, or call 855-357-0242.**
