24-hour Nurse Advice Line

A Registered Nurse is Just a Phone Call Away!

We know that a student's life is hectic and full, so we provide medical information access that fits your lifestyle. Experienced RNs are just a phone call away to help you figure out the best course of action for a non-emergency health concern: Do you need immediate medical care? Should you see your provider? Or will self-care help you? The 24/7 Nurse Advice Line provides a convenient, easy, and confidential way to get medical care advice.

RNs are also available to help answer questions concerning a diagnosis or medical treatment and to assist with healthcare questions. With this service, you have round-the-clock access to experienced healthcare professionals that are ready to assist!

Audio Health Library

Healthcare Information at Your Fingertips!

Have a healthcare question, but no time to sit at the doctor's office? The Audio Health Library is an interactive, audio education library that is convenient and easy to use. There are over 1,500 recorded topics available 24 hours a day, 7 days a week. You can listen to as many topics as you like, as often as you like. Over 60% of the topics are available in Spanish, and telephone prompts are in both English and Spanish.
