

# Trinity University 2016-2017 Student Health Insurance Plan

## Eligibility

All registered students, taking (9) nine or more credit hours and graduate students enrolled in full-time graduate studies are automatically enrolled in this insurance Plan unless proof of comparable coverage is furnished.

To comply with the mandatory health insurance requirement all students will be billed for annual coverage of the Student Health Plan in **July 2016**.

Please view the complete brochure on-line at [trinity.myahpcare.com](http://trinity.myahpcare.com) for full details of participation in the plan.

## How do I Waive?

If you have other personal health insurance and don't want the student health plan you must submit an online insurance waiver annually.

The waiver is available beginning in July through the end of add/drop, approximately 1 week after classes begin. A completed waiver allows you to decline coverage and have the charge removed. Instructions will accompany your university bill. During the waiver period the waiver will be available online at [trinity.myahpcare.com](http://trinity.myahpcare.com).

Students entering or returning from leave in January will be billed for spring and summer coverage. Waivers may be submitted online before the end of Add/Drop in **January 2017**.

## Additional Benefits

- Access to 24/7 Student Assistance Program
- Coverage when traveling
- Academic Emergency Services
