

Prescription Drug Benefit

2016-2017

Benefits are available for outpatient Prescription Drugs on our Prescription Drug List (PDL) when dispensed by a HealthSmart Rx® Pharmacy. Benefits are subject to supply limits and Copayments that vary depending on which tier of the PDL the outpatient drug is listed. There are certain Prescription Drugs that require your Physician to notify us to verify their use is covered within your benefit.

You are responsible for paying the applicable Copayments. Your Copayment is determined by the tier to which the Prescription Drug is assigned on the PDL. Tier status may change periodically and without prior notice to you. Please access wku.myahpcare.com or call **(800) 681-6912** for the most up-to-date tier status.

HealthSmart Rx®:

Expenses payable at 100% after a
\$20 Copayment per prescription generics
\$35 Copayment per prescription preferred brand
\$60 Copayment per non-preferred brand
up to a 31 Day Supply

All Other Pharmacies:

When you present your ID card to the network pharmacy at the time the prescription is filled, a claim will automatically be filed. If you do not use a network pharmacy, you will be responsible for paying the full cost for the prescription.

If you do not present the card or use an Out-Of-Network Pharmacy, you will need to pay the prescription and then submit a reimbursement form for prescriptions filled along with the paid receipt and pharmacy receipt showing the prescription name, strength and dosage in order to be reimbursed. To obtain reimbursement forms, or for information about mail-order prescriptions or network pharmacies, please visit wku.myahpcare.com and log in to your online account or call **(800) 681-6912**.
