### Important notes:

This document applies to ZIP codes that begin with the following numbers: 754-759; 764-769; 776-785; and 788-799.

All benefits are based upon the allowable amount, which is the amount determined by BCBSTX as the maximum amount eligible for payment of benefits. A contracting dentist cannot bill for charges in excess of the allowable amount. Benefits for services provided by a non-contracting dentist will be based upon the same allowable amount, and it is likely that the non-contracting dentist will bill for amounts above this, resulting in higher out-of-pocket expenses.

1. This document does not contain a complete listing of the exclusions, limitations and conditions that apply to the benefits shown.
2. Deductible is waived.
3. A 12-month waiting period may apply. Prior continuous coverage in this plan can be applied to the waiting period requirement.
