

We are pleased to bring you the 2017-2018 Southern Methodist University (SMU) Student Health Insurance Plan for International Students

Underwritten by Blue Cross and Blue Shield of Texas (BCBSTX)

This plan meets or exceeds a Gold metal level of coverage.

- Affordable, quality coverage compatible with the Affordable Care Act
- Academic Emergency Services (AES)*
- Covers you at school, at home and while traveling abroad
- Access to a broad Participating Provider Option (PPO) Network from BCBSTX
- Access to multilingual 24/7 Nurseline
- Discounts on vision, fitness and much more

Who can enroll?

All international students who are enrolled in one (1) or more credit hours are required to maintain the Student Health Insurance Plan as a condition of enrollment. International students must enroll in the Student Health Insurance Plan unless they have a special waiver personally granted by the Student Health Center (SHC) staff. To view the requirements necessary to apply for a waiver or to print a waiver form, please go to smu.edu/healthinsurance.

After enrolling for classes each semester, international students must elect coverage online by going to the student center component of **MY.SMU** and selecting the "Health Insurance" button. The semi-annual premium will be charged to the student's SMU student account after they enroll in **MY.SMU**. Any student not enrolled by the deadline will automatically be enrolled and the premium charged to their SMU student account. No changes will be made to a student's SMU account after September 7, for Fall 2017 or February 7, for Spring 2018. For more detailed information, including a "Frequently Asked Questions" page, please visit **smu.edu/healthinsurance**.

* Academic Emergency Services (AES) is a global emergency services product. These services are provided by a separate and independent company from AES or Academic HealthPlans. AES provides medical, security and natural disaster evacuation services, repatriation of remains, emergency medical and travel assistance, travel information and other services for Academic HealthPlans.

AcademicBlue is offered by Blue Cross and Blue Shield of Texas, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.

Academic HealthPlans, Inc. (AHP) is a separate company that provides program management and administrative services for the student health plans of Blue Cross and Blue Shield of Texas. Dependent coverage is available. Payment for dependent coverage must be paid directly to Academic HealthPlans and may not be billed to the student's Southern Methodist account. Dependents will NOT automatically be re-enrolled. You will need to re-enroll them by each semester's deadline.
