

Texas Department of Insurance Notice

- You have the right to an adequate network of preferred providers (also known as “network providers”). If you believe that the network is inadequate, you may file a complaint with the Texas Department of Insurance.
- You have the right, in most cases, to obtain estimates in advance:
 - From out-of-network providers of what they will charge for their services; and
 - From your insurer of what it will pay for the services.
- You may obtain a current directory of preferred providers at the following website: www.bcbstx.com or by calling 1-855-267-0214 for assistance in finding available preferred providers.
- If you are treated by a provider or facility that is not a preferred provider, you may be billed for anything not paid by the insurer.
- If the amount you owe to an out-of-network hospital-based radiologist, anesthesiologist, pathologist, emergency department physician, neonatologist, or assistant surgeon, including the amount unpaid by the administrator or insurer, is greater than \$500 (not including your copayment, coinsurance, and deductible responsibilities) for services received in a network hospital, you may be entitled to have the parties participate in a teleconference, and, if the result is not to your satisfaction, in a mandatory mediation at no cost to you. You can learn more about mediation at the Texas Department of Insurance website: www.tdi.texas.gov/consumer/cpmmediation.html.
- If directory information is materially inaccurate and you rely on it, you may be entitled to have an out-of-network claim paid at the in-network percentage level of reimbursement and your out-of-pocket expenses counted toward your in-network deductible and out-of-pocket maximum.
