Oberlin College 2019-2020
Student Health Insurance Plan (SHIP) Communication Letter

If you're already paying college tuition and expenses, consider the added weight a serious accident or illness can put on your finances if you do not have health insurance. The Oberlin College Student Health Insurance Plan offers students medical coverage with a large provider network, lower costs than individual plans and multiple behavioral/mental/virtual benefit options.

The new insurance carrier for the 2019-2020 school year is Anthem Student Advantage. Students must waive or enroll in coverage to receive full access to their health care benefits. Waive or enroll online at oberlin.myahpcare.com.

Additional benefit for Oberlin students: Deductible will be waived for services at Mercy Health — Allen Hospital.

ID Cards

Id cards can be downloaded from the StudentHealth app or at anthem.com within 24 hours of enrollment.

Plastic cards are mailed to the student's local address within 10 business days of enrollment.

Mobile App

Students are highly encouraged to use the StudentHealth app to access all their health insurance information.

The mobile app allows students to:
• View coverage and benefits
• Find a doctor or pharmacy
• View/download ID Card
