Introduction

Rosalind Franklin University is pleased to offer the AcademicBlue Student Health Insurance Plan, underwritten by Blue Cross and Blue Shield of Illinois and administered by Academic HealthPlans (AHP). This brochure explains your health care benefits, including what health care services are covered and how to use the benefits. This insurance Plan protects Insured students and their covered Dependents on or off campus for weekends, holidays, summer vacations, at home or while traveling 24 hours per day for the Policy year. This Plan meets the requirements of the Affordable Care Act. The actuarial value of this meets or exceeds a “Gold” metal level of coverage. This policy will always pay benefits in accordance with any applicable federal and Illinois state insurance law(s).

Please keep these three fundamental Plan features in mind as you learn about this Policy:

- **This student health insurance Plan is a Participating Provider Organization (PPO) Plan.** You should seek treatment from the BCBSIL Participating Provider Organization (PPO) Network, which consists of hospitals, doctors, ancillary, and other health care providers who have contracted with BCBSIL for the purpose of delivering covered health care services at negotiated prices, so you can maximize your benefits under this Plan. A list of Network Providers can be found online at rosalindfranklin.myahpcare.com or by calling (855) 844-3019. Using BCBSIL providers may save you money.
- **Participating in an insurance Plan does not mean all of your health care costs are paid in full by the insurance company.** There are several areas for which you could be responsible for payment, including, but not limited to, a Deductible, a Copayment or Coinsurance (patient percentage of Covered Expenses), and medical costs for services excluded by the Plan.
- **It is your responsibility to familiarize yourself with this Plan.** Exclusions and limitations are applied to the coverage as a means of cost containment (please see the “Exclusions and Limitations” section for more details). To make this coverage work for you, it is helpful to be informed and proactive. Check the covered benefits in this brochure before your procedure whenever possible. Know the specifics and communicate them to your health care provider. Review the User Guide for a step-by-step overview of how to use your benefits.

We are here to help.

Privacy Notice

We know that your privacy is important to you and we strive to protect the confidentiality of your personal health information. Under the Privacy Rule of the Health Insurance Portability and Accountability Act (HIPAA), we are required to provide you with notice of our legal duties and privacy practices with respect to personal health information. You will receive a copy of the HIPAA Notice of Privacy Practices upon request. Please write to Academic HealthPlans, Inc., P.O. Box 1605, Colleyville, TX 76034-1605 or call **(855) 844-3019**, or you may view and download a copy from the website at rosalindfranklin.myahpcare.com.

Eligibility/How to Enroll

The Policy issued to the University is a non-renewable, one-year-term Policy. However, if you still maintain the required eligibility, you may purchase the Plan the next year. It is the Covered Person’s responsibility to enroll for coverage each year in order to maintain continuity of coverage, unless you are automatically enrolled. If you no longer meet the eligibility requirements, contact Academic HealthPlans at **(855) 844-3019** prior to your termination date.

Eligibility Requirements

All full-time registered RFU students are automatically enrolled in this Student Health Insurance Plan at registration, unless proof of comparable coverage is furnished. Students enrolled in the Student Health Insurance plan may also cover their eligible Dependents.

To waive coverage under the plan, the student must complete and sign a waiver form and submit it to the University’s Student Financial Services - Student Billing Office by the applicable deadline along with proof of comparable coverage. Only full time students declining coverage under the plan are subject to this requirement. A copy of the waiver form or enrollment form may be obtained at the University’s Student Financial Services - Student Billing Office.

IMPORTANT: Plan cost will appear on a full time student’s tuition bill unless he or she shows proof of comparable coverage and waives coverage under the University’s sponsored Health Plan. If you have any questions, please contact the University’s Student Financial Services – Student Billing Office.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered accident or sickness) Note: you must meet the eligibility requirements for each semester (summer excluded) if you purchase annual coverage.

A student must actively attend classes for at least the first 31 days after the date for which coverage is purchased unless he or she withdraws from classes due to an Injury or Sickness and the absence is an approved medical leave. Home study, correspondence, Internet classes and television (TV) courses do not fulfill the eligibility requirements that the student must actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the eligibility requirements have been met. If the Company discovers the eligibility requirements have not been met, its only obligation is refund of premium.

Eligible students who enroll may also insure their Dependents. Dependent enrollment must take place at the initial time of student enrollment (or within 30 days if tuition billed); exceptions to this rule are made for newborn or adopted children, or for Dependents who become eligible for coverage as the result of a qualifying event (please see “Qualifying Events,” for more details). “Dependent” means an Insured’s lawful spouse including Domestic Partner; or an Insured’s child, stepchild, child of a Covered Person’s Domestic Partner, foster child, dependent grandchild or spouse’s dependent grandchild; or a child who is adopted by the Insured or placed for adoption with the Insured, or for whom the Insured is a party in a suit for the adoption of the child; or a child whom the Insured is required to insure under a medical support order issued or enforceable by the courts. Any such child must be under age 26.

Coverage will continue for a child who is 26 or more years old, chiefly supported by the Insured and incapable of self-sustaining employment by reason of mental or physical handicap. Proof of the child's condition and dependence must be submitted to the Company within 31 days after the date the child ceases to qualify as a dependent for the reasons listed above. During the next two years, the Company may, from time to time, require proof of the continuation of such condition and dependence. After that, the Company may require proof no more than once a year. Dependent coverage is available only if the student is also insured. Dependent coverage must take place within the exact same coverage period as the Insured's; therefore, it will expire concurrently with that of the Insured's Policy.

A newborn child will automatically be covered for the first 31 days following the child's birth. To extend coverage for a newborn child past the 31-day period, the covered student must:

- 1) Enroll the child within 31 days of birth, and
- 2) Pay any required additional premium

If you're not eligible for the Student Health Insurance Plan and would like coverage, please visit ahpcare.com.

If you're enrolled in Medicare due to age or disability, you are not eligible for the Student Health Insurance Plan.

Qualifying Events

Eligible students who have a change in status and lose coverage under another health care plan are eligible to enroll for coverage under the Policy provided that, within 31 days of the qualifying event, such students send to Academic HealthPlans:

- A copy of the Certificate of Creditable Coverage, or a letter of ineligibility (lost coverage), from their previous health insurer
- A Qualifying Events form, which they can download from rosalindfranklin.myahpcare.com

A change in status due to a qualifying event includes but is not limited to:

- Birth or adoption of a child
- Loss of a spouse, whether by death, divorce, annulment or legal separation
- If you are no longer covered on a family member's policy because you turned 26

The premium will be prorated as it would have been at the beginning of the semester or quarter, whichever applies. However, the effective date will be the later of the following: the date the student enrolls for coverage under the Policy and pays the required premium, or the day after the prior coverage ends. To apply for coverage that is needed because of a qualifying event, you may download the "Qualifying Events Form" from rosalindfranklin.myahpcare.com.

Effective Dates and Termination

The Policy on file at the school becomes effective at 12:00 a.m. Central time at the University's address on the later of the following dates:

- 1) The effective date of the Policy, **July 1, 2019**; or
- 2) The date after the premium is received by the Company or its authorized representative.

Effective & Termination Dates

Domestic and International Students	From	Through
Fall	07/01/2019	10/31/2019
New Fall Student	08/01/2019	10/31/2019
Winter	11/01/2019	02/29/2020
Spring	03/01/2020	06/30/2020
Summer	05/01/2020	06/30/2020

The coverage provided with respect to the Covered Person shall terminate at 11:59 p.m. Central time on the earliest of the following dates:

- 1) The last day of the period through which the premium is paid;
- 2) **June 30, 2020**; or
- 3) The date the eligibility requirements are not met.

Renewal Notice

It is the student's responsibility to make a timely renewal payment to avoid a lapse in coverage. Please refer to your enrollment form to review the payment options you selected as a reminder of the enrollment periods and effective dates for your campus. Mark your calendar now to avoid any lapse in coverage. All Insureds who enroll for periods of less than one year will be mailed a renewal notice, to the Insured's last known address, to submit their next premium payment; however, it is the Insured's responsibility to make a timely renewal payment.

PLEASE NOTE: Renewal notices will not be mailed from one policy year to the next. If you maintain your student status, you will be eligible to enroll in the following year's policy. If you do not maintain your student status, you may be eligible for continuation of coverage (please see the "Continuation of Coverage" section for more details). Contact your campus office that is responsible for student insurance before the policy termination date for information on continuation of coverage.

Coverage period notice: Coverage Periods are established by the University and subject to change from one Policy year to the next. In the event that a coverage period overlaps another coverage period, the prior coverage period will terminate as of the effective date of the new coverage period. In no case will an eligible member be covered under two coverage periods within the same group.

Extension of Benefits After Termination

The coverage provided under the Plan ceases on the termination date. However, if a Covered Person is hospital-confined on the termination date for a covered Injury or Sickness for which benefits were paid before the termination date, the Covered Expenses for such covered Injury or Sickness will continue to be paid provided the condition continues. However, payments will not continue after the earlier of the following dates: 90 days after the termination date of coverage, or the date of the Insured's discharge date from the hospital. The total payments made for the Covered Person for such condition, both before and after the termination date, will never exceed the maximum benefit. After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Coordination of Benefits

Under a Coordination of Benefits (COB) provision, the Plan that pays first is called the Primary Plan. The Secondary Plan typically makes up the difference between the Primary Plan's benefit and the Covered Expenses. When one Plan does not have a COB provision, that Plan is always considered the Primary Plan, and always pays first. You may still be responsible for applicable Deductible amounts, Copayments and Coinsurance.

Continuation of Coverage

All Insureds who have graduated or are otherwise ineligible for coverage under this Policy, and have been continuously insured under the Policy offered by the Policyholder for three (3) months, are eligible to continue their existing medical coverage for a period of not more than six (6) months under the school's Policy in effect at the time of such continuation.

Enrollment must be made and applicable premium must be paid directly to Academic HealthPlans and must be received prior to the expiration date of your student coverage. For more information on Continuation of Coverage, please contact Academic HealthPlans at **(855) 844-3019**.

Additional Covered Expenses

The Policy will always pay benefits in accordance with any applicable federal and state insurance law(s).

Schedule of Benefits

The provider network for this Plan is Blue Cross and Blue Shield of Illinois (BCBSIL) Participating Provider Organization PPO Network. After the Deductible is satisfied, benefits will be paid based on the selected provider. Services obtained from Out-of-Network Providers (any provider outside the BCBSIL Participating Provider Organization PPO Network) will be paid at **60%** of the Allowable Amount, unless otherwise specified in the Policy. Benefits will be paid up to the maximum for each service as specified below, regardless of the provider selected.

Definitions

Allowable Amount means the maximum amount determined by Us to be eligible for consideration of payment for a particular service, supply or procedure.

For Professional Providers - The Allowable Amount is the amount determined by Us which Network Providers have agreed to accept as payment in full for a particular Covered Expense. All benefit payments for Covered Expenses rendered by Network Providers, whether In-Network or Out-of-Network, will be based on a schedule of Allowable Amounts.

For a Provider other than a Professional Provider which has a written agreement with Us or another Blue Cross and/or Blue Shield Plan to provide care to the Covered Person at the time Covered Expenses are incurred, the Allowable Amount is such provider's claim charge for Covered Expenses.

For a Provider other than a Professional Provider which does not have a written agreement with Us or another Blue Cross and/or Blue Shield Plan to provide care to the Covered Person at the time Covered Expenses are incurred, the Allowable Amount will be the lesser of:

- (i) The Provider's billed charges, or;
- (ii) Our non-contracting Allowable Amount. Except as otherwise provided in this section, the non-contracting Allowable Amount is developed from base Medicare reimbursements and represents approximately 105% of the base Medicare reimbursement rate and will exclude any Medicare adjustment(s) which is/are based on information on the Claim.

Notwithstanding the preceding sentence, the non-contracting Allowable Amount for Coordinated Home Health Care Program Covered Expenses will be 50% of the Out-of-Network Provider's standard billed charge for such Covered Expense.

The base Medicare reimbursement rate described above will exclude any Medicare adjustment(s) which is/are based on information on the Claim.

When a Medicare reimbursement rate is not available for a Covered Expense or is unable to be determined on the information submitted on the Claim, the Allowable Amount for Out-of-Network providers will be 50% of the Out-of-Network provider's standard billed charge for such Covered Expense.

We will utilize the same claim processing rules and/or edits that We utilize in processing Network Provider Claims for processing claims submitted by Out-of-Network providers, which may also alter the Allowable Amount for a particular service. In the event We do not have any claim edits or rules, We may utilize the Medicare claim rules or edits that are used by Medicare in processing the Claims. The Allowable Amount will not include any additional payments that may be permitted under the Medicare laws or regulations which are not directly attributable to a specific claim, including, but not limited to, disproportionate share and graduate medical education payments.

Any change to the Medicare reimbursement amount will be implemented by Us within 145 days after the effective date that such change is implemented by the Centers for Medicaid and Medicare Services, or its successor.

For multiple surgeries - The Allowable Amount for all surgical procedures performed on the same patient on the same day will be the amount for the single procedure with the highest Allowable Amount plus a determined percentage of the Allowable Amount for each of the other covered procedures performed.

For Prescription Drugs as applied to Network Provider and Out-of-Network Provider Pharmacies - The Allowable Amount for pharmacies that are Network Providers will be based on the provisions of the contract between BCBSIL and the pharmacy in effect on the date of service. The Allowable Amount for pharmacies that are not Network Providers will be based on the Average Wholesale Price.

Benefit Period means the period of time starting with the effective date of this Policy through the termination date as shown on the face page of the Policy. The Benefit Period is as agreed to by the policyholder and the Insurer.

Coinsurance means a percentage of an eligible expense that the Covered Person is required to pay toward a Covered Expense.

Company means Blue Cross and Blue Shield of Illinois, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company (also referred to herein as "BCBSIL").

Copayment means a fixed dollar amount that the Covered Person must pay before benefits are payable under the Policy.

Covered Expenses means expenses actually incurred by or on behalf of a Covered Person for treatment, services and supplies not excluded or limited by the Policy. Coverage under the Policy must remain continuously in force from the date of the accident or Sickness until the date treatment, services or supplies are received for them to be a Covered Expense. A Covered Expense is deemed to be incurred on the date such treatment, service or supply that gave rise to the expense or the charge was rendered or obtained.

Covered Person means any eligible student or an eligible dependent who applies for coverage, and for whom the required premium is paid to the Company.

Deductible means the dollar amount of Covered Expenses that must be incurred as an out-of-pocket expense by each Covered Person on a Policy Term basis before benefits are payable under the Policy.

Dependent means an Insured's lawful spouse including Domestic Partner; or an Insured's child, stepchild, child of a Covered Person's Domestic Partner, foster child, dependent grandchild or spouse's dependent grandchild; or a child who is adopted by the Insured or placed for adoption with the Insured, or for whom the Insured is a party in a suit for the adoption of the child; or a child whom the Insured is required to insure under a medical support order issued or enforceable by the courts. Any such child must be under age 26.

In addition, enrolled unmarried children will be covered up to the age of 30 if they:

- Live within the service area of Blue Cross and Blue Shield's network for this Policy; and
- Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
- Have received a release or discharge other than a dishonorable discharge.

Doctor means a Doctor licensed to practice medicine. It also means any other Professional Provider of the healing arts who is licensed or certified by the state in which his or her services are rendered and acting within the scope of that license or certificate. It will not include a Covered Person or a member of the Covered Person's immediate family or household.

Domestic Partner means a person with whom a student has entered into a Domestic Partnership.

AES offers a wide range of services and benefits to provide everything you need to prepare for your international experience, as well as get the help or information you need in a crisis, no matter how large or small. For more details, go to rosalindfranklin.myahpcare.com.

BlueCard®

Like all Blue Cross and Blue Shield Licensees, We participate in a program called “BlueCard.” Whenever the Covered Person accesses health care services outside Our service area, the Claims for those services may be processed through BlueCard and presented to Us for payment in conformity with network access rules of the BlueCard Policies then in effect (“Policies”). Under BlueCard, when Covered Persons incur Covered Expenses within the geographic area served by an onsite Blue Cross and/or Blue Shield Licensee (“Host Blue”), We will remain responsible to the Covered Person for fulfilling the Policy’s contract obligations. The Host Blue will only be responsible, in accordance with applicable BlueCard Policies, if any, for providing such services as contracting with its participating providers and handling all interaction with its participating providers.

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard service area”), you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing Covered Services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard service area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

For additional information regarding the BlueCard® Program or Blue Cross and Blue Shield Global Core, refer to your policy located at rosalindfranklin.myahpcare.com.

*Academic Emergency Services (AES) is a global emergency services product. These services are provided by a separate and independent company from AES or Academic HealthPlans. Academic EmergencyServices and AD&D coverage are underwritten by 4 Ever Life International Limited and administered by Worldwide Insurance Services, LLC, separate and independent companies from Academic HealthPlans.

Summary of Benefits and Coverage

The Affordable Care Act requires all health insurers to provide consumers with a Summary of Benefits and Coverage (SBC). The SBC is a description of the benefits and health coverage offered by a particular health plan. The SBC is intended to provide clear, consistent descriptions that may make it easier for people to understand their health insurance coverage.

The items in the SBC just represent an overview of coverage; they are not an exhaustive list of what is covered or excluded. The full terms of coverage are located in your insurance Policy. To obtain an SBC for your Policy, please go to rosalindfranklin.myahpcare.com.
