Who can enroll?

Any enrolled Texas A&M University System student taking at least six (6) credit hours of classes is eligible to enroll in this insurance plan. Students who are enrolled in special classes and take less than six (6) credit/contact hours of classwork will be determined eligible for this Student Health Insurance Plan if the reduced coursework meets the criteria for the completion of a degree plan or international program as defined and approved by The Texas A&M University System.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed (this refund policy will not apply if you withdraw due to a covered accident or sickness). Note: you must meet the eligibility requirements for each semester (summer excluded) if you purchase annual coverage.

International students on an F1 or J1 visa are required to maintain approved health insurance coverage continuously while enrolled and attending a Texas A&M University System institution. F1 and J1 students will be bursary billed and automatically enrolled in the Student Health Insurance Plan through Academic HealthPlans, unless the student provides proof of coverage that meets The Texas A&M University System (TAMUS) waiver requirements (see the TAMUS Policy #26.99.01).

All registered and enrolled Texas A&M University System graduate students employed by the System are eligible to enroll in this insurance plan.
