

Oberlin College 2020-2021

Student Health Insurance Plan (SHIP) Communication Letter

Oberlin is happy to offer a comprehensive health plan to keep you protected at home or school for everything from preventative care and routine illnesses to a serious accident.

The Oberlin College Student Health Insurance Plan offers students medical coverage with a large provider network, lower costs than individual plans and multiple behavioral/mental/virtual benefit options. This year we have added dental insurance as part of your robust benefits.

Students must waive or enroll in coverage to receive full access to their health care benefits. Waive or enroll online at oberlin.myahpcare.com.

ID Cards

ID cards can be downloaded from the [Sydney Health App](#) or at anthem.com within 24 hours of enrollment.

Plastic cards are mailed to the student's local address within 10 business days of enrollment.

Mobile App

Students are highly encouraged to use the [Sydney Health App](#) to access all their health insurance information.

The mobile app allows students to:

- View coverage and benefits
- Find a doctor or pharmacy
- View/download ID Card

Dental Coverage

Dental coverage is included with the student health insurance plan.

- Deductible: \$50 per Insured Person, per Policy Year
- Diagnostic and preventive services covered at 100%
- \$1,500 benefit maximum

Vision Coverage

Students can elect to purchase stand alone vision coverage through Anthem Blue Cross.

You do not need to be on the student health insurance plan to enroll in this coverage.

[Click here](#) to view open enrollment periods and enroll in vision coverage.
