Who can enroll?

Rush University Policy requires all students to have quality health insurance.

Enrollment in the plan for all College of Health Sciences, College of Nursing, Medical College, and Graduate College students is required unless the student provides proof of coverage under an alternate plan. Students in these four colleges may enroll online at rush.myahpcare.com. The set premium will be charged to your tuition bill. If you have alternate coverage through another insurance carrier, you can show proof of alternate coverage and attach a copy of your health insurance ID card online at rush.myahpcare.com. College of Health Sciences, College of Nursing, and Graduate College will waive every first term of enrollment and then every Fall term. Medical College will waive every term.

Once enrolled in the Student Health Insurance Plan, coverage will be in effect until the student graduates or provides proof of other alternate coverage. Also, please note that no pro-rata refunds will be given once enrolled in the program.

If you do not waive coverage by the deadline, the premium will be charged to your Rush student account. No changes will be made to a student's Rush account after the waiver deadline. Please see side 2 for dates.

Please note that dependents must be enrolled at the time the student enrolls and their coverage will coincide with that of the student. Dependent coverage will automatically be advanced from one coverage period to the next (the same as the student) until we are advised by the school to remove the dependent coverage or until the student is no longer covered under the plan. Dependents cannot purchase coverage unless the student has purchased coverage. To view rates and enrollment information, please go to rush.myahpcare.com.
