SINGLE SIGN ON

You're only a few steps away

from getting online access to your health insurance plan information from Blue Cross and Blue Shield of Oklahoma (BCBSOK).

To begin, you must be enrolled in the Student Health Insurance Plan and then register with Academic HealthPlans (AHP*). From there you'll be able to link to Blue Access for MembersSM (BAMSM), the BCBSOK website for members.

To fully access your account, complete the registration process to create a login and password. After you have registered, you will be able to view enrollment, benefit and claims information; view or request a member ID card; and much more.

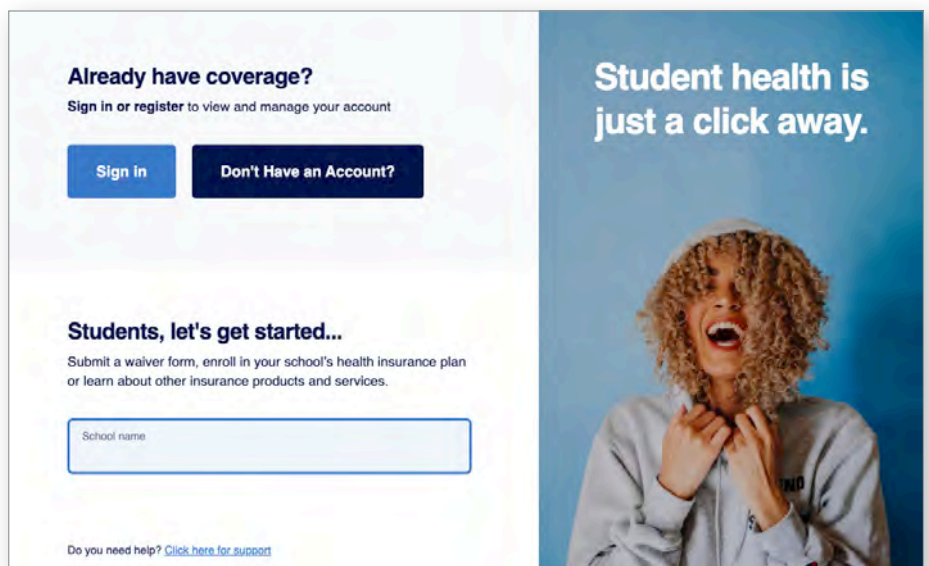

STEP 1:
Go to
myahpcare.com.

New students:

Click on "Don't Have an Account?".

Current students:

Sign in with your established user name and password.

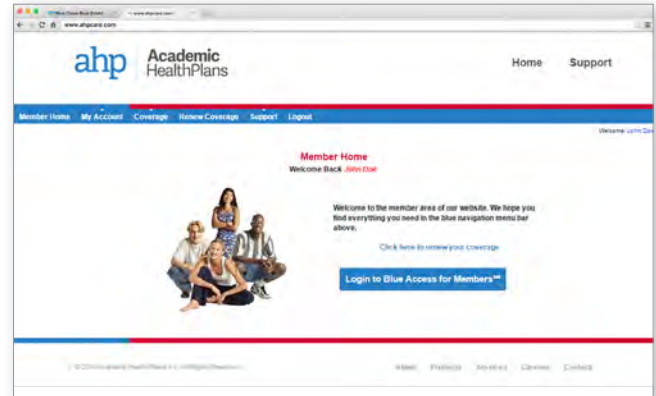

The screenshot shows the myahpcare.com website. At the top, it asks "Already have coverage?" and "Sign in or register to view and manage your account". There are two buttons: "Sign in" and "Don't Have an Account?". Below this, it says "Students, let's get started..." and "Submit a waiver form, enroll in your school's health insurance plan or learn about other insurance products and services." There is a text input field labeled "School name". At the bottom, it says "Do you need help? [Click here for support](#)". On the right side of the screenshot, there is a blue banner with the text "Student health is just a click away." and an image of a young woman with curly hair, wearing a grey hoodie, looking excited with her hands clasped.

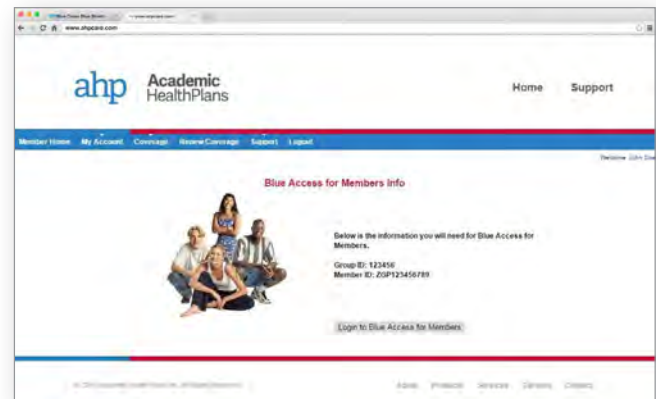

STEP 2: Access your student information.

After creating a user name and password, you will be directed to this screen. When you click on the blue box, the page will be redirected to Step 3.

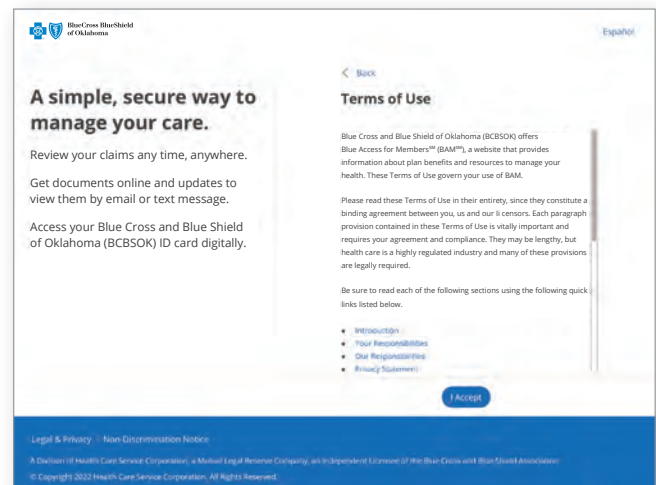

STEP 3: Enter Group and Member IDs.

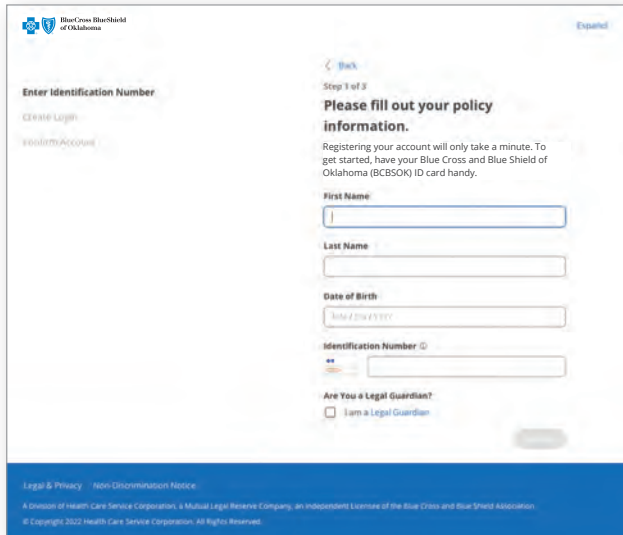

The window that pops up in your browser will show your Group ID and Member ID. (You can also refer to your member ID card for this information.) Click on Login to Blue Access for Members to begin the final process. (This will be a pop-up or new tab.)

STEP 4: Agree to Terms of Use.
