LIMITATIONS AND EXCLUSIONS UNDER THE
ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT
APPENDIX A

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy and contract owners who live in this state and, in some cases, to keep coverage in force. Please note that the valuable extra protection provided by the member insurers through the Guaranty Association is limited. This protection is not a substitute for a consumers' careful consideration in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") provides coverage of claims under some types of policies or contracts if the insurer or health maintenance organization becomes impaired or insolvent. COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is always conditioned on residence in the State of Arkansas. Other conditions may also preclude coverage.

The Guaranty Association will respond to any questions you may have which are not answered by this document. Your insurer or health maintenance organization and agent are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy or health maintenance organization coverage.

You should not rely on availability of coverage under the Guaranty Association when selecting an insurer or health maintenance organization.

The state law that provides for this safety net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"), which is codified at Ark. Code Ann. §§ 23-96-101, et seq. Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act, nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state; or
- Their policy or contract was issued by a hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.
- The Guaranty Association also does NOT provide coverage for:
- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends, voting rights, and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employer plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to or in connection with benefit plans protected under the Federal Pension Benefit Corporation ("FPBC"), regardless of whether the FPBC is yet liable;
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution;
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by state or federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, claims for policy misrepresentations, and extra-contractual or penalty claims; or
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustee(s).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of $300,000 in life insurance death benefits without regard to the number of policies and contracts there were with the same company, even if they provided different types of coverages. The Guaranty Association will pay a maximum of $500,000 in health benefits, provided that coverage for disability insurance benefits and long-term care insurance benefits shall not exceed $300,000. The Guaranty Association will pay $300,000 in present value of annuity benefits, including net cash surrender and net cash withdrawal values. There is a $1,000,000 limit with respect to any contract holder for unallocated annuity benefits. These are limitations under which the Guaranty Association is obligated to operate prior to considering either its subrogation and assignment rights or the extent to which those benefits could be provided from assets of the impaired or insolvent insurer.

APPENDIX B

NOTICE OF
THE ARKANSAS LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT

The Arkansas Life and Health Insurance Guaranty Association Act (the "Act") provides protection, subject to certain limitations and exclusions, against loss under life and health insurance policies and annuity contracts issued by insolvent insurers licensed in this state.

This notice is provided to you only to make you aware of the existence of the limited protection under the Act. It confers no rights to any policyholder or contract holder not provided under the Act. It does not change or vary any exclusion or limitation contained in the Act. Specific reference must be made to the Act to determine whether any particular policy or contract is covered, the amount of any coverage which may be available, and applicable limitations or exclusions.

Some of the limitations and exclusions are as follows:

1. The Act limits the amount the Guaranty Association is obligated to pay. The Guaranty Association cannot pay more than what the insurance company would owe under a policy, contract, or certificate. Also, for any one insured life, the Guaranty Association will pay a maximum of $300,000 in life insurance death benefits without regard to the number of policies and contracts there were with the same company, even if they provided different types of coverages. The Guaranty Association will pay a maximum of $500,000 in health benefits, provided that coverage for disability insurance benefits and long-term care insurance benefits shall not exceed $300,000. The Guaranty Association will pay $300,000 in present value of annuity benefits, including net cash surrender and net cash withdrawal values. There is a $1,000,000 limit with respect to any contract holder for unallocated annuity benefits. These are limitations under which the Guaranty Association is obligated to operate prior to considering either its subrogation and assignment rights or the extent to which those benefits could be provided from assets of the impaired or insolvent insurer.

2. You are not covered:

    a. If you are not a resident of Arkansas at the time the order of the insurer's insolvency was issued;
    b. Your insurer was not licensed in this state; or,
    c. Your insurer was a self-insured plan, trust or other similar entity or organization excluded under the Act.

3. Obligations not specifically provided in the policy or contract are not covered by the Act. Examples of obligations, which are not covered by the Act, include damages or loss due to misrepresentations of policy benefits, inaccurate solicitation material, unfiled policy documents or endorsements, and extra-contractual damages, penalties and similar damages or claims.

4. Dividends or interest rate yields that do not meet specifications described in the Act are not covered under the Act.

You should not rely upon coverage under the Act when buying a life or health insurance policy, annuity contract, or when selecting an insurer. Neither agents nor insurers should use the existence of the Guaranty Association to induce you to purchase a product from them.

TABLE OF CONTENTS

PART I
ELIGIBILITY AND TERMINATION PROVISIONS

Eligibility: Each person who belongs to one of the "Classes of Persons To Be Insured" as set forth in the application is eligible to be insured under this policy. The Named Insured must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (TV) courses do not fulfill the eligibility requirements that the Named Insured actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium.

Eligible persons may be insured under this policy subject to the following:

1) Payment of premium as set forth on the policy application; and,
2) Application to the Company for such coverage.

Effective Date: Insurance under this policy shall become effective on the later of the following dates:

1) The Effective Date of the policy; or
2) The date premium is received by the Administrator.

Termination Date: The coverage provided with respect to the Named Insured shall terminate on the earliest of the following dates:

1) The last day of the period through which the premium is paid; or
2) The date the policy terminates.

PART II
GENERAL PROVISIONS

ENTIRE CONTRACT CHANGES: This policy, including the endorsements and attached papers, if any, and the application of the Policyholder shall constitute the entire contract between the parties. No agent has authority to change this policy or to waive any of its provisions. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. Such an endorsement or attachment shall be effective without the consent of the Insured Person but shall be without prejudice to any claim arising prior to its Effective Date.

PAYMENT OF PREMIUM: All premiums are payable in advance for each policy term in accordance with the Company's premium rates. The full premium must be paid even if the premium is received after the policy Effective Date. There is no pro-rata or reduced premium payment for late enrollees. There will be no refunds to students who cancel coverage under the policy; unless the Insured enters the armed forces.

Premium adjustments involving return of unearned premiums to the Policyholder will be limited to a period of 12 months immediately preceding the date of receipt by the Company of evidence that adjustments should be made. Premiums are payable to the Company, P.O. Box 809026, Dallas, Texas 75380-9026.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Upon receipt of a notice of claim, the Company will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 10 days after the giving of written notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and extent of the loss for which claim is made.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIM: Indemnities payable under this policy for loss will be paid immediately upon receipt of due written proof of such loss.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by this policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

SUBROGATION: The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for Benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company.

In the event that the Insured recovers from the third party, reasonable cost of collection and attorney's fees thereof shall be assessed against the Company and the Insured in the proportion each benefits from the recovery. In the event more than one casualty insurer, health insurer, health maintenance organization, self-funded group, multiple-employer welfare arrangement or hospital or medical services corporation having contractual subrogation rights are entitled to the subrogation benefits, reasonable cost of collection and attorney's fees thereof shall be assessed against the insurers and the Insured in the proportion each benefits from the recovery.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and Coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

PART III
DEFINITIONS

COVERED MEDICAL EXPENSES means reasonable charges which are: 1) not in excess of Usual and Customary Charges; 2) not in excess of the maximum benefit amount payable per service as specified in the Schedule of Benefits; 3) made for services and supplies not excluded under the policy; 4) made for services and supplies which are a Medical Necessity; 5) made for services included in the Schedule of Benefits; and 6) in excess of the amount stated as a Deductible, if any.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply per policy year or per occurrence (for each Injury) as specified in the Schedule of Benefits.

ELECTIVE SURGERY OR ELECTIVE TREATMENT means those health care services or supplies that do not meet the health care need for a Sickness or Injury. Elective surgery or elective treatment includes any service, treatment or supplies that: 1) are deemed by the Company to be research or experimental; or 2) are not recognized and generally accepted medical practices in the United States.

POLICY ENDORSEMENT

In consideration of the premium charged, it is hereby understood and agreed that the policy to which this endorsement is attached is amended as follows:

COORDINATION OF BENEFITS PROVISION

Definitions

(1) **Allowable Expenses:** Any necessary, reasonable, and customary item of expense, a part of which is covered by at least one of the Plans covering the Insured Person.

An Allowable Expense to a Secondary Plan includes the value or amount of any Deductible Amount or Coinsurance Percentage or amount of otherwise Allowable Expenses which was not paid by the Primary or first paying Plan.

(2) **Plan:** A group insurance plan or health service corporation group membership plan or any other group benefit plan providing medical or dental care treatment benefits or services. Such group coverages include: (a) group or blanket insurance coverage, or any other group type contract or provision thereof; this will not include school accident coverage for which the parent pays the entire premium; (b) service plan contracts, group practice and other pre-payment group coverage; (c) any coverage under labor-management trustees plans, union welfare plans, employer and employee organization plans; and (d) coverage under governmental programs, including Medicare, and any coverage required or provided by statute.

(3) **Primary:** The Plan which pays regular benefits.

(4) **Secondary:** The Plan which pays a reduced amount of benefits which, when added to the Primary Plan's benefits will not be more than the Allowable Expenses.

(5) **We, Us or Our:** The Company named in the policy to which this endorsement is attached.

Effect on Benefits - If an Insured Person has medical and/or drug coverage under any other Plan, all of the benefits provided are subject to coordination of benefits.

During any policy year or benefit period, the sum of the benefits that are payable by Us and those that are payable from another Plan may not be more than the Allowable Expenses.

During any policy year or benefit period, We may reduce the amount We will pay so that this reduced amount plus the amount payable by the other Plans will not be more than the Allowable Expenses. Allowable Expenses under the other Plan include benefits which would have been payable if a claim had been made.

However, if: (1) the other Plan contains a section which provides for determining its benefits after Our benefits have been determined; and (2) the order of benefit determination stated herein would require Us to determine benefits before the other Plan, then the benefits of such other Plan will be ignored in determining the benefits We will pay.

This Plan determines its order of benefits using the first of the following rules which applies:

(1) If the Insured's other Plan does not have Coordination of Benefits, that Plan pays first.

(2) Non-Dependent/Dependent. The benefits of the Plan which covers the person as an employee, member or subscriber are determined before those of the Plan which covers the person as a Dependent.

COORDINATION OF BENEFITS PROVISION *(Continued)*

(3) Dependent Child/Parents Not Separated or Divorced. When this Plan and another Plan cover the same child as a Dependent of different persons, called "parents":

a. the benefits of the Plan of the parent whose birthday falls earlier in a year exclusive of year of birth are determined before those of the Plan of the parent whose birthday falls later in that year; but

b. if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

c. However, if the other Plan does not have the rule described in a. above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

(4) Dependent Child/Separated or Divorced Parents. If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:

1. first, the Plan of the parent with custody of the child;
2. then, the Plan of the spouse of the parent with the custody of the child; and
3. finally, the Plan of the parent not having custody of the child.

(5) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

Right to Recovery and Release of Necessary Information - For the purpose of determining applicability of and implementing the terms of this Provision, We may, without further consent or notice, release to or obtain from any other insurance company or organization any information, with respect to any person, necessary for such purposes. Any person claiming benefits under Our coverage shall give Us the information We need to implement this Provision. We will give notice of this exchange of claim and benefit information to the Insured Person when any claim is filed.

Facility of Payment and Recovery - Whenever payments which should have been made under our Coverage have been made under any other Plans, We shall have the right to pay over to any organizations that made such other payments, any amounts that are needed in order to satisfy the intent of this Provision. Any amounts so paid will be deemed to be benefits paid under Our coverage. To the extent of such payments, We will be fully discharged from Our liability.

Whenever We have made payments with respect to Allowable Expenses in total amount at any time, which are more than the maximum amount of payment needed at that time to satisfy the intent of this Provision, We may recover such excess payments. Such excess payments may be received from among one or more of the following, as We determine: any persons to or for or with respect to whom such payments were made, any other insurers, service plans or any other organizations.

This endorsement takes effect and expires concurrently with the policy to which it is attached, and is subject to all of the terms and conditions of the policy not inconsistent therewith.
