GETTING STARTED WITH STUDENT BLUE

IMPORTANT INFORMATION REGARDING THIS HEALTH BENEFIT PLAN:

This health benefit plan includes coverage of a core set of benefits, called ESSENTIAL HEALTH BENEFITS, and certain limits on deductibles, copayments, and out-of-pocket costs. See “Glossary” for a list of the services that are considered ESSENTIAL HEALTH BENEFITS.

Note that while no annual or lifetime dollar limits are allowed on ESSENTIAL HEALTH BENEFITS, federal law does allow insurance companies to include annual or lifetime dollar limits on non-essential health benefits. This health benefit plan covers non-essential health benefits for routine adult eye exams. See “Summary of Benefits” for limits that apply.

In accordance with applicable federal law, Blue Cross and Blue Shield of North Carolina (Blue Cross NC) will not discriminate against any health care PROVIDER acting within the scope of their license or certification, or against any person who has received federal subsidies, or taken any other action to endorse his or her right under applicable federal law. Further, Blue Cross NC shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

Getting Started

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It’s important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the “Who to Contact?” section.

Notes on Words

As you read this benefit booklet, keep in mind that any word you see in small capital letters (SMALL CAPITAL LETTERS) is a defined term and appears in “Glossary” at the end of this benefit booklet. The terms “we,” “us,” and “Blue Cross NC” refer to Blue Cross and Blue Shield of North Carolina. The term “student health center (SHC)” refers to the student or campus health services at the school associated with this health benefit plan.

This Booklet

This booklet tells you about:

- Your COVERED SERVICES and exclusions or services that are not covered
- How your health benefit plan works
- How we share expenses for COVERED SERVICES

GETTING STARTED WITH STUDENT BLUE *(cont.)*

- Who is eligible to be covered under this health benefit plan and when this coverage starts and ends
- Our UTILIZATION MANAGEMENT programs and the right to appeal the decision
- Any Special Programs that may come with your health benefit plan.

PRIOR REVIEW and CERTIFICATION

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a full denial of benefits. General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit our website at www.BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See "PRIOR REVIEW/ Pre-Service" in "UTILIZATION MANAGEMENT" for information about the review process.

Exclusions and Limitations

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary of Benefits" and "What Is Not Covered?"

No Assignment of Benefits

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits, the right to receive payment under this health benefit plan, and the right to enforce any claim arising under this health benefit plan cannot be transferred or assigned to any other person or entity, including any PROVIDERS. Blue Cross NC will not recognize any such assignment, and any attempted assignment is void if performed without Blue Cross NC's prior written consent. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER's right to be paid directly is through such contract with Blue Cross NC, and not through this health benefit plan. Under this health benefit plan, Blue Cross NC has the sole right to determine if payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC's decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under this health benefit plan, including but not limited to benefits, payments, or procedures. For more information see "Additional Terms of Your Coverage."

More Information upon Request

You may receive, upon request, information about Student Blue, its services and DOCTORS, including printed copies of this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

GETTING STARTED WITH STUDENT BLUE *(cont.)*

Medical and Reimbursement Policies

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, COSMETIC, or a convenience item. The most up-to-date medical and reimbursement policies are available at

<https://www.bluecrossnc.com/providers/medical-policies-and-coverage/search-medical-policy>, or call the number listed in “Who to Contact?”

Reduced or Waived Payments

- From time to time, MEMBERS may receive a reduced or waived copayment, deductible and/or coinsurance on designated services, therapies, or PRESCRIPTION DRUGS in connection with programs designed to reduce medical costs, or to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.
- Depending on your plan, the manufacturer may, from time to time, provide a rebate, or discount for certain PRESCRIPTION DRUGS, or DURABLE MEDICAL EQUIPMENT. These rebates may be automatically applied to the ALLOWED AMOUNT of the PRESCRIPTION DRUG, or DURABLE MEDICAL EQUIPMENT, reducing the cost-sharing amounts you may owe. Which PRESCRIPTION DRUGS, or DURABLE MEDICAL EQUIPMENT receive rebates and how long the rebates are in place may change without notice.

Common Insurance Terms

To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below and the “Glossary:”

Copayment	The fixed dollar amount you must pay for some COVERED SERVICES at the time you receive them, if this health benefit plan includes copayments. One copayment covers most services at a PROVIDER’S office. Copayments may also apply to URGENT CARE and emergency room services. Copayments are not credited to the BENEFIT PERIOD deductible; however, they are credited to the TOTAL OUT-OF-POCKET LIMIT.
Deductible	The dollar amount you must incur for COVERED SERVICES in a BENEFIT PERIOD before benefits are payable under this health benefit plan. The deductible does not include medical services received at SHC, inpatient newborn care for well-baby, coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or charges for non-COVERED SERVICES.

GETTING STARTED WITH STUDENT BLUE *(cont.)*

Coinsurance	The sharing of charges by Blue Cross NC and you for COVERED SERVICES, after you have met your BENEFIT PERIOD deductible. This is stated as a percentage of the ALLOWED AMOUNT. The coinsurance listed is your share of the cost of a COVERED SERVICE.
TOTAL OUT-OF-POCKET LIMIT	The TOTAL OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a BENEFIT PERIOD before Blue Cross NC pays 100% of COVERED SERVICES. The TOTAL OUT-OF-POCKET LIMIT does not include charges over the ALLOWED AMOUNTS, premiums, and charges for noncovered services.

Here is an **example** of what your costs could be for IN-NETWORK or OUT-OF-NETWORK services. The scenario is a total outpatient HOSPITAL bill of \$5,000.

	IN-NETWORK	OUT-OF-NETWORK
a) Total Bill	\$5,000	\$5,000
b) ALLOWED AMOUNT	\$4,250	\$4,250
c) Deductible Amount	\$250	\$500
d) ALLOWED AMOUNT Minus Deductible (B-C)	\$4,000	\$3,750
e) Your Coinsurance Amount (x% times D)	(10%) \$400	(30%) \$1,125
f) Amount You Owe Over ALLOWED AMOUNT	\$0 (IN-NETWORK charges limited to ALLOWED AMOUNT)	\$750 (difference between Total Bill and ALLOWED AMOUNT)
g) Total Amount You Owe (C+E+F)	\$650	\$2,375

Deductible and coinsurance amounts are for example only. See the "Summary of Benefits" for your benefits.

SPECIAL NOTICE IF YOU CHOOSE AN OUT-OF-NETWORK PROVIDER
Your actual expenses for COVERED SERVICES may exceed the stated coinsurance percentage or copayment amount because actual PROVIDER charges may not be used to determine the health benefit plan's and

GETTING STARTED WITH STUDENT BLUE *(cont.)*

MEMBER'S payment obligations. For OUT-OF-NETWORK benefits, you may be required to pay for charges over the ALLOWED AMOUNT, in addition to any copayment or coinsurance amount.

See Essential Q at http://www.bcbsnc.com/essentialQ.</p> <p>You may not be required to pay the difference between the BRAND-NAME ALLOWED AMOUNT and the GENERIC ALLOWED AMOUNT for certain BRAND-NAME PRESCRIPTION DRUGS, if these criteria are met: 1) the BRAND-NAME PRESCRIPTION DRUG is on the Narrow Therapeutic Index (NTI). See ncbop.org/faqs/Pharmacist/faq_NTIDrugs.htm for a current list of these drugs; or 2) your PROVIDER required the use of a BRAND-NAME PRESCRIPTION DRUG to treat your condition. Most Cost-Effective Benefit Level

As a MEMBER of the Student Blue plan, you will enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You also have the freedom to choose health care PROVIDERS who do not participate in the Blue Options network – the main difference will be the cost to you. Benefits are available for services received from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible. For a list of eligible PROVIDERS, please visit our website at <https://davidson.myahpcare.com/> or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Student Health Center (SHC)

The student health center (SHC) at your school provides access to medical care for all students who have paid the student health fee. In order to make the most of your benefits, visit SHC first. If the services you receive at SHC are not covered by the student health fee, you may need to complete a claim form and file with Blue Cross NC. You may also be responsible for requesting PRIOR REVIEW and receiving CERTIFICATION from Blue Cross NC when necessary. Please visit the website at <https://davidson.myahpcare.com/> or call the number listed in “Who to Contact?” to find out if your SHC will file claims and request PRIOR REVIEW for you. See “How to File a Claim” and “PRIOR REVIEW/Pre-Service.” If you require services of a DOCTOR outside SHC, they can guide you to the appropriate PROVIDER.

HOW STUDENT BLUE WORKS *(cont.)*

OUT-OF-NETWORK Benefit Exceptions

You will only be responsible for your IN-NETWORK share of the cost and PROVIDERS may not bill you more than your IN-NETWORK share of the cost in the following situations:

- When EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER or an OUT-OF-NETWORK EMERGENCY facility*
- When you receive EMERGENCY MEDICALLY NECESSARY ground or air transport ambulance from an OUT-OF-NETWORK PROVIDER*
- When you receive MEDICALLY NECESSARY air transport ambulance from an OUT-OF-NETWORK PROVIDER*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER at an IN-NETWORK health care facility*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards
- In continuity of care situations

*These situations may not qualify for an OUT-OF-NETWORK benefit exception if the MEMBER gives consent. Please see <https://www.cms.gov/nosurprises> for notice regarding surprise billing describing your rights and how consent may impact these situations.

For more information, see one of the following sections: "EMERGENCY and Ambulance Services" in "COVERED SERVICES" or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about Blue Cross NC's access to care standards, see the website at www.BlueCrossNC.com and type "access to care" in the search bar. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

Bundled Care and Payments Program

Blue Cross NC is working with a select group of high-quality PROVIDERS to deliver coordinated care and simplified billing. All your care is coordinated for you, and all costs for services are billed together—saving time and reducing paperwork. Visit www.BlueCrossNC.com/bundle for more information and to see the list of PROVIDERS participating in this program. You'll also want to verify that these PROVIDERS are in the Blue Options network by visiting www.BlueCrossNC.com or calling Blue Cross NC Customer Service at the number listed in "Who to Contact?" The list of SURGERIES and specialties, and participating PROVIDERS under this program may change from time to time.

Carry Your ID CARD

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

HOW STUDENT BLUE WORKS *(cont.)*

For ID CARD requests, please visit the website at <https://davidson.myahpcare.com/> or call the number listed in “Who to Contact?”

The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

Blue Cross NC does not require that you designate a PCP to manage your health care. However, it is important for you to maintain a relationship with a PCP, who will help you manage your health and make decisions about your health care needs. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS from medical specialties such as family practice, internal medicine and pediatrics may participate as PCPs.

Please visit our website at <https://davidson.myahpcare.com/> and click on Find a Doctor, or call the number listed in “Who to Contact?” to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition, see “Continuity of Care” in “UTILIZATION MANAGEMENT.”

Upon the request of the MEMBER and subject to approval by Blue Cross NC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER’S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER’S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and Blue Cross NC, with notice to the PCP if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER’S primary and specialty care.

To make this request or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC at the number listed in “Who to Contact?”

Premium Payment

If premium payments are the responsibility of the SUBSCRIBER and are not received by Blue Cross NC on or before the premium due date, the MEMBER’S coverage will automatically terminate as of the paid through date. If you pay premiums through automatic bank draft and there are insufficient funds, Blue Cross NC may attempt to debit your bank account until sufficient funds are received. We will not make more than three attempts to debit your bank account. Blue Cross NC may charge a fee for this service. Your bank may also charge a fee if

HOW STUDENT BLUE WORKS *(cont.)*

there are insufficient funds to cover the payment. Requests to discontinue bank draft must be received, in writing, at least 10 days prior to the scheduled draft. For any questions concerning premium payment, please contact the number listed in "Who to Contact?"

If premium payments are not made within the time allowed, this health benefit plan will be terminated. In order to enroll in a new plan after terminating for nonpayment, Blue Cross NC may require you to pay any past due premiums within the last 12 months in addition to the first month's premium for your new plan, as allowed under federal law.

Grace Period

If premium payment is not received by the due date you will receive a grace period to allow time for payment before your policy terminates.

- A 30-day grace period applies to your health benefit plan

Reinstating Your Policy

If your health benefit plan has been terminated for nonpayment and you wish that it be reinstated, the following applies:

- You must request reinstatement within 30 days from the date of the termination notice using one of the following options:
 - Submit a written request along with a certified check payable to Blue Cross NC

Mail to: Blue Cross NC
Financial Processing Services
Student Blue
PO Box 2073
Durham, NC 27702
 - Call our pay-by-phone number at 1-800-333-7009 to pay with credit or debit card or have your checking account drafted
- To be reinstated, you must pay any overdue premiums owed plus the current amount due, and any administrative fees in order to bring your account to a current status.

In the event that reinstatement is not approved, you may choose to reapply for health insurance coverage at the allowed times by filling out the proper application. Reapplying for coverage does not guarantee approval of coverage.

Please note that premium payments are automatically deposited. Blue Cross NC's deposit of premiums does not mean an acceptance of coverage. If you have been notified that your coverage is terminated or is scheduled to be terminated, any deposit of premiums by Blue Cross NC in excess of premiums that are due and owing for the coverage period will not constitute an extension of coverage. Blue Cross NC will return any excess premium payments. When Blue Cross NC decides at its sole discretion to accept a late premium

HOW STUDENT BLUE WORKS *(cont.)*

payment, Blue Cross NC will reinstate your coverage back to the date of termination rather than return such premium payment provided that all outstanding fees have been paid.

Telehealth services include, but are not limited to, evaluation, management, and consultative services

COVERED SERVICES *(cont.)*

for medical, counseling, and care management issues with a PROVIDER via an interactive audio/video or other telecommunications system. It is important to understand that your benefit will vary depending upon the type of PROVIDER you see for these services.

Your health benefit plan also covers infusion services received at an AMBULATORY INFUSION SUITE. Certain infusion services require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Some DOCTORS or OTHER PROVIDERS may practice in HOSPITAL-based or OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC.

Some PROVIDERS may get ANCILLARY SERVICES, such as laboratory services, medical equipment and supplies or SPECIALTY DRUGS, from third parties. In these cases, you may be billed directly by the ANCILLARY PROVIDER. Benefit payments for these services will be based on the type of ANCILLARY PROVIDER, its network status, and how the services are billed.

PREVENTIVE CARE

This health benefit plan covers PREVENTIVE CARE services that can help you stay safe and healthy.

PREVENTIVE CARE services may fall into three categories: (1) federally-mandated PREVENTIVE CARE services (required to be covered at no cost to you IN-NETWORK); (2) state-mandated PREVENTIVE CARE services (required to be offered both IN- and OUT-OF-NETWORK); and (3) non-mandated PREVENTIVE CARE services. In order to determine your benefit, it is important to understand what type of PREVENTIVE CARE service you are receiving, where you are receiving it and why you are receiving it.

Federally-Mandated PREVENTIVE CARE Services

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, outpatient, ambulatory surgical setting, or URGENT CARE center at no cost to you. Please log on to the website at www.BlueCrossNC.com/preventive or call the number in "Who to Contact?" for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including general preventive services and screenings, immunizations, well-baby/well-child care, women's PREVENTIVE CARE, nutritional counseling visits, and certain over-the-counter medications. Nutritional counseling visits are separate from the obesity-related OFFICE VISITS noted in the "Summary of Benefits." Certain over-the-counter medications are covered only as indicated and when a PROVIDER'S PRESCRIPTION is presented at a pharmacy.

The following conditions must be met for these services to be covered at no cost to you IN-NETWORK:

- Services are designated as PREVENTIVE CARE services under federal law (see above website for the most up-to-date information);
- Services are performed by an IN-NETWORK PROVIDER;

COVERED SERVICES *(cont.)*

- Services are provided in an office-based, outpatient or ambulatory setting or URGENT CARE center; and
- Services are filed with a primary diagnosis of preventive or wellness, and do not include any additional procedures, such as diagnostic services.

Please note that if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided, Blue Cross NC may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply. Services that would otherwise be excluded under this health benefit plan will be covered at no cost sharing if the criteria mentioned above are met. Visit www.BlueCrossNC.com/preventive or call Customer Service at the number listed in “Who to Contact?” for a complete list of these federally–mandated PREVENTIVE CARE services that are covered under this health benefit plan.

In certain instances, you may receive PREVENTIVE CARE services that are covered under this health benefit plan; however, these services are subject to your applicable copayment, deductible and coinsurance. The following information will help you determine why you did not receive these services at no cost to you:

Situation	Example	Reason/Result
How your PREVENTIVE CARE service is filed	A colonoscopy includes a primary diagnosis of non-preventive.	Certain PREVENTIVE CARE services will not pay in full because the primary diagnosis filed on the claim is something other than PREVENTIVE CARE. In this instance, the colonoscopy is subject to any applicable copayment, deductible or coinsurance.
Services that are not considered PREVENTIVE	A routine wellness exam includes an additional procedure, such as a Vitamin D serum test.	The Vitamin D test will not be covered as a federally-mandated PREVENTIVE CARE service. This service will be denied as it is not considered a PREVENTIVE CARE service by the United States Preventive

COVERED SERVICES *(cont.)*

		Services Task Force (USPSTF).
Place of service (where you receive your PREVENTIVE CARE service)	A mammogram is performed in a setting that is not considered an office, such as a HOSPITAL.	Certain PREVENTIVE CARE services will not be paid in full because they are not performed in an office-based, outpatient or ambulatory setting or URGENT CARE center. In this example, the mammogram is subject to deductible and coinsurance.

This health benefit plan provides benefits for some tobacco cessation over-the-counter nicotine replacement therapy (NRT) products, including patches, lozenges or gum, and FDA-approved PRESCRIPTION cessation medications. Please log on to Blue Cross NC's website at www.bluecrossnc.com/preventive or call Blue Cross NC at 1-888-351-8283 for the most up to date information on tobacco cessation benefits.

The following list of services is mandated by the state of North Carolina and is available OUT-OF-NETWORK. If you see an OUT-OF-NETWORK PROVIDER for these services, your benefits will be subject to the OUT-OF-NETWORK benefit level.

State-Mandated PREVENTIVE CARE Services:

The following benefits are available IN-NETWORK and OUT-OF-NETWORK.

Bone Mass Measurement Services

This health benefit plan covers one scientifically proven and approved bone mass measurement for the diagnosis and evaluation of osteoporosis or low bone mass during any 23-month period for certain qualified individuals only. Additional follow-up bone mass measurement tests will be covered if MEDICALLY NECESSARY. Please note that bone mass measurement tests will be covered under your diagnostic benefit (not your PREVENTIVE CARE benefit) if the claim for these services indicates a primary diagnosis of something other than preventive or wellness. Your diagnostic benefit will be subject to your benefit level for the location where services are received.

Qualified individuals include MEMBERS who have any one of the following conditions:

- Estrogen-deficient and at clinical risk of osteoporosis or low bone mass

Increased/high risk individuals are those who have a higher potential of developing colon cancer because of a personal or family history of certain intestinal disorders. Some of these procedures are considered SURGERY, such as colonoscopy and sigmoidoscopy, and others are considered lab tests, such as hemoccult screenings. Lab work done as a result of a colorectal screening exam, will be covered under your diagnostic benefit and not be considered PREVENTIVE CARE. It will be subject to your benefit level for the location where services are received. However, lab work for the removal of polyps during the screening exam is considered PREVENTIVE CARE.

The PROVIDER search on the website at www.studentbluenc.com can help you find office-based PROVIDERS, or you can call the number listed in "Who to Contact?" for this information.

Gynecological Exam and Cervical Cancer Screening

This health benefit plan provides coverage for one routine comprehensive eye examination per BENEFIT PERIOD. This exam includes dilation and prescription for glasses and/or contact lenses. If you fail to show your ID CARD or the IN-NETWORK pharmacy's records do not show you as eligible for coverage, you will have to pay the full cost of the PRESCRIPTION and file a claim.</p> <p>You may also get your PRESCRIPTION filled by an OUT-OF-NETWORK pharmacy; however, you may be asked to pay the full cost of the PRESCRIPTION DRUG and submit your own claim. Any charges over the ALLOWED AMOUNT are your responsibility.</p> <p>If you had an EMERGENCY and went to an OUT-OF-NETWORK pharmacy, we recommend that you call Blue Cross NC Customer Service at the number listed in "Who to Contact?" so that the claim can be processed at the IN-NETWORK level.</p>

The following students are **required** to participate in this health benefit plan, unless they have alternate approved coverage and waive this coverage by the waiver due date.

Undergraduate students

- Enrolled as full-time degree-seeking students

Graduate students:

- Enrolled as full-time degree-seeking students

International students are required to participate in this health benefit plan unless they have alternate approved coverage in the United States.

If you enroll during the Fall open enrollment period, your coverage begins on August 1, 2023. If you enroll during the Spring open enrollment period, your coverage begins on January 1, 2024. In order to be eligible for this coverage, a student must attend classes for the first 31 days of the enrollment period. There are no premium refunds except for students entering full-time active duty in any Armed Forces. Premiums for this health benefit plan will be on the tuition bill unless the student shows proof of other insurance coverage and waives coverage under this plan during the defined open enrollment period.

Coverage for Your Dependents

DEPENDENTS are not eligible under this health benefit plan. Coverage is only available for eligible SUBSCRIBERS.

Enrolling in this Health Benefit Plan

It is very important to enroll yourself when first eligible. Enrollment is only allowed during open enrollment periods. Open enrollment for students ends ten days after the start of classes for each semester.

You may also apply for coverage within a 31-day period following any of the qualifying life events (QLEs) listed below, unless otherwise noted. A QLE for one individual within a family

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

qualifies as an event for the MEMBER and all family members, regardless of current enrollment.

The following are considered QLEs:

- You become eligible for coverage under this health benefit plan
- You lose coverage under another health benefit plan, and each of the following conditions is met:
 - you are otherwise eligible for coverage under this health benefit plan, and
 - you were covered under another health benefit plan at the time this coverage was previously offered and declined enrollment due to the other coverage, and
 - you lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, divorce, loss of DEPENDENT status, death of the EMPLOYEE, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan's coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of EMPLOYER contributions toward the cost of the other plan's coverage, or vi) the discontinuance of the health benefit plan to similarly situated individuals.
- You lose coverage due to loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP) and apply for coverage under this health benefit plan within 60 days
- You become eligible for premium assistance with respect to coverage under this health benefit plan under Medicaid or the Children's Health Insurance Program (CHIP) and apply for coverage under this health benefit plan within 60 days

Types of Coverage

The type of coverage available:

- Student-only coverage—This health benefit plan covers only you

Multiple Coverage

When you enroll, you may be covered under only one health program offered or administered by Blue Cross NC. The total benefits paid or administered by Blue Cross NC will not be more than the ALLOWED AMOUNT. This health benefit plan is your primary coverage and Blue Cross NC does not coordinate benefit payments with any other health plan, except Medicare, when determining benefits under this health benefit plan. If you become eligible for Medicare, you should apply for and enroll in Medicare Part A and Part B and use PROVIDERS who accept Medicare in order to ensure that you receive full benefit coverage. Blue Cross NC will assume you have enrolled in Medicare and use PROVIDERS who accept Medicare once eligible for benefits thereunder. If you are covered under this health benefit plan and are eligible for Medicare, Blue Cross NC may take into account the benefits that you are eligible for under Medicare, regardless of whether you have actually enrolled for

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

such coverage. In other words, even if you have not enrolled in Medicare, Blue Cross NC may reduce your claim by the benefits that you are eligible for under Medicare, and then pay the remaining claim amount under the terms of this health benefit plan and in accordance with the Medicare Secondary Payer rules. As a result, your TOTAL OUT-OF-POCKET costs may be higher if you do not enroll in Medicare.

Reporting Changes

Have you moved, added or changed other health coverage, changed your name or phone number? If so, visit our website at **BlueCrossNC.com** to update your information or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”. It will help us give you better service if we are kept informed of these changes.

Continuing Coverage

Under certain circumstances, your eligibility for coverage under this health benefit plan may end. You may have the option of purchasing an individual conversion policy.

When my Coverage Under this Health Benefit Plan Ends

If you are no longer eligible for coverage under this health benefit plan, you may transfer to individual conversion coverage. For continuous coverage, ensure that your premiums are paid during the continuation period. Blue Cross NC must be notified within 31 days of loss of eligibility. You must complete an Individual Enrollment Application and pay the applicable premium. Services during the 31-day conversion period will be covered only if the premium is received before the end of the 31-day period. Other options for enrollment in health insurance coverage may be available to you when your coverage in this health benefit plan ends, including, but not limited to, enrollment via the Health Insurance Marketplace.

Certificate of CREDITABLE COVERAGE

Blue Cross NC or its designee will supply a Certificate of Creditable Coverage when your coverage under this health benefit plan ends. Keep the Certificate of Creditable Coverage in a safe place. You may request a Certificate of Creditable Coverage from Blue Cross NC while you are still covered under this health benefit plan and up to 24 months following your termination.

Termination of MEMBER Coverage

A MEMBER’S termination shall be effective at 11:59 p.m. on the date that eligibility ends.

MEMBERS coverage terminates:

- The date the health benefit plan ends
- The date the student withdraws from school to enter the armed forces of any country

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

- If the student withdraws within the first 31 days of the BENEFIT PERIOD. In this case, coverage will be terminated back to the effective date and premiums refunded. If the student withdraws after 31 days, no premium refund will be made

A MEMBER'S coverage will be terminated immediately by Blue Cross NC for the following reasons:

- Fraud or intentional misrepresentation of a material fact by a MEMBER. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission.
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this health benefit plan, or uses another person's ID CARD.

UTILIZATION MANAGEMENT

This section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY.

---	--

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper setting and for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under this health benefit plan unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under this health benefit plan due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums.

Rights and Responsibilities Under the UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC’s ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (doctor licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through our appeals process (see “Need to Appeal Our Decision?”)
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER’S behalf with the MEMBER’S written consent. In the event you name an authorized representative, “you” under the

UTILIZATION MANAGEMENT *(cont.)*

“UTILIZATION MANAGEMENT” section means “you or your authorized representative.” Your representative will also receive all notices and benefit determinations.

Blue Cross NC’s Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed.
- Limit what we ask from you or your PROVIDER to information that is needed to review the service in question
- Ask for all information needed to make the UM decision, including related clinical information
- Give you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and this health benefit plan.

In the event that Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in “COVERED SERVICES.” These types of reviews are called pre-service reviews. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION. The list of services that need PRIOR REVIEW may change from time to time. IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient facilities outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans’ Affairs (VA) and military PROVIDERS. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC. Approval of a pre-service review for services to be provided by an OUT-OF-NETWORK PROVIDER does not guarantee payment of the OUT-OF-NETWORK PROVIDER billed charges. Blue Cross NC pays the ALLOWED AMOUNT for COVERED SERVICES rendered by an OUT-OF-NETWORK PROVIDER.

General categories of services with this requirement are noted in “COVERED SERVICES.” The list of services that require PRIOR REVIEW may change from time to time. For a detailed list of these services and the most up-to-date information visit Blue Cross NC’s website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

If you fail to follow the procedures for filing a request for CERTIFICATION, Blue Cross NC will let you know of the failure and the proper steps to be followed in filing your request within five days of receiving the request.

UTILIZATION MANAGEMENT *(cont.)*

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 calendar days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 days if additional information is required. Blue Cross NC will let you and your PROVIDER know before the end of the initial 15-day period of the information needed and the date by which Blue Cross NC expects to make a decision. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you know and the PROVIDER of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

Urgent PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state, or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER. If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you and your PROVIDER know of the information needed as soon as possible but no later than 24 hours after we receive your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. Blue Cross NC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or within 48 hours after the time period given to the PROVIDER to submit necessary clinical information, whichever comes first.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in "Who to Contact?"

Concurrent Reviews

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent, a decision will be made and communicated to the requesting PROVIDER within three (3) business days after receipt of all necessary clinical information, but no later than fifteen (15) calendar days after we receive the request. In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you, your HOSPITAL'S or other facility's UM department and/or your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar

UTILIZATION MANAGEMENT *(cont.)*

days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

Urgent Concurrent Review

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request.

If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

Retrospective Reviews (Post-Service)

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under this health benefit plan. Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the date Blue Cross NC received the request for coverage.

If more information is needed, before the end of the initial 30-day period, Blue Cross NC will let you know of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC gets the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 calendar days. Regardless if additional information is needed, in the event of a NONCERTIFICATION, Blue Cross NC will let you and your PROVIDER know in writing within five business days after making the NONCERTIFICATION. Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under this health benefit plan due to termination of

UTILIZATION MANAGEMENT *(cont.)*

coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

Care Management

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services. Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and Blue Cross NC to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. Blue Cross NC is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found by calling Blue Cross NC Customer Service. You may also want to talk to your PCP or SPECIALIST.

In addition to our care management programs for MEMBERS with complicated and/or chronic medical needs, MEMBERS may receive reduced or waived out-of-pocket costs in connection with programs and/or promotions. These are designed to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

Continuity of Care

Continuity of care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK benefit level when you or your GROUP changes health benefit plans or when your PROVIDER is no longer in the Blue Options network. If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition that meets our continuity of care criteria, Blue Cross NC will notify you in writing 30 days before the PROVIDER'S termination, as long as Blue Cross NC receives timely notification from the PROVIDER. To be eligible for continuity of care, you must be actively being seen by an OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by Blue Cross NC's requirements for continuity of care.

An ongoing special condition means:

- SERIOUS AND COMPLEX CONDITION
 - Acute illness (required specialized medical treatment to avoid death or permanent harm)
 - Chronic illness (life-threatening, degenerative, potentially disabling or CONGENITAL requiring, treatment over a prolonged period of time);
- Course of institutional or inpatient care
- Scheduled to undergo nonelective SURGERY, including receipt of postoperative care with respect to such a SURGERY
- Pregnancy and undergoing a course of treatment for the pregnancy

UTILIZATION MANAGEMENT *(cont.)*

- Terminally ill.

The allowed transitional period shall end on the earlier of (i) 90 days from the date of the PROVIDER termination; or (ii) the date on which the MEMBER is no longer a patient undergoing care of the ongoing special condition with respect to such PROVIDER or facility, except in the cases of:

- Scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- Terminal illness which shall extend through the remainder of the individual's life with respect to care directly related to the treatment of the terminal illness; and
- Pregnancy which shall extend through the provision of 60 days of postpartum care.

Continuity of care requests must be submitted to Blue Cross NC within 45 days of the PROVIDER termination date or within 45 days of EFFECTIVE DATE for MEMBERS new to the Blue Cross NC plan. Continuity of care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your continuity of care request is denied, you may request a review through our appeals process (see "Need To Appeal Our Decision?"). Claims for approved continuity of care services will be subject to your IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of care will not be given when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call the number listed in "Who to Contact?" for more information.

Delegated UTILIZATION MANAGEMENT

Blue Cross NC delegates certain UM services for particular benefits to other companies not associated with Blue Cross NC. Please see

<https://www.bluecrossnc.com/content/services/medical-policy/index.htm> for a detailed list of these companies and benefits. While some benefits have been identified under "COVERED SERVICES," the list of benefits and/or companies may change from time to time; for the most up-to-date information visit www.BlueCrossNC.com and search for "PRIOR REVIEW" for additional information, including those services subject to PRIOR REVIEW and CERTIFICATION.

In addition to the UTILIZATION MANAGEMENT (UM) program, Blue Cross NC offers a voluntary appeals process for our MEMBERS. An appeal is another review of your case. If you want to appeal an ADVERSE BENEFIT DETERMINATION or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE.

The process may be requested by the MEMBER or an authorized representative acting on the MEMBER’S behalf with the MEMBER’S written consent. In the event you name an authorized representative, “you” under this section means “you or your authorized representative”. Your representative will also receive all notices and benefit determinations from the appeal. You may also ask for, at no charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the health benefit plan or Blue Cross NC in connection with the claim being appealed. References to Blue Cross NC throughout this section refer to Blue Cross NC or the designee.

Steps to Follow in the Appeals Process

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION or GRIEVANCE will determine the steps that you will need to follow in the appeals process. For appeals (including GRIEVANCES) about an ADVERSE BENEFIT DETERMINATION, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or the date listed on your Explanation of Benefits.

Any request for review should include:

- SUBSCRIBER’S ID number
- SUBSCRIBER’S name
- Any other information that may be helpful for the review.
- Patient’s name
- The nature of the appeal

To request a form to submit a request for review, visit our website at www.BlueCrossNC.com, or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

After request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case or information before. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations about whether a certain treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted Blue Cross NC's internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may (1) pursue a second level appeal (for certain GRIEVANCES); or (2) pursue an external review (for NONCERTIFICATIONS); or (3) pursue a civil action. You will be deemed to have exhausted Blue Cross NC's internal appeals process at any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or a situation beyond Blue Cross NC's control). In the event you are deemed to have exhausted Blue Cross NC's internal appeals process and, unless specifically noted below, you may pursue items (2) or (3) described above.

First Level Appeal

If you are dissatisfied with an ADVERSE BENEFIT DETERMINATION or if you have a GRIEVANCE, you have the right to appeal (first level appeal). Within three business days after Blue Cross NC receives your appeal, Blue Cross NC will provide you with the name, address and phone number of the appeals coordinator and instructions on how to submit written materials.

During the internal appeals process you may:

- request and receive from us all information that applies to your appeal
- provide and/or present written evidence and testimony
- receive, in advance, any new information that Blue Cross NC may use in making a decision or any new or additional rationale so that you have an opportunity to respond prior to the notice of the final ADVERSE BENEFIT DETERMINATION
- receive instructions on how to request an independent external review through NCDIOI upon completion of this review if not satisfied with the decision (available for NONCERTIFICATIONS only).

Blue Cross NC asks that you send all of the written material you feel is necessary to make a decision. Blue Cross NC will use the material provided in the request for review, along with other available information, to reach a decision.

If your appeal is due to a NONCERTIFICATION, your appeal will be reviewed by a North Carolina licensed medical doctor who was not involved in the initial NONCERTIFICATION decision. Blue Cross NC will consult with a North Carolina professional who has appropriate training and experience in the field of medicine involved. For all ADVERSE BENEFIT DETERMINATIONS and GRIEVANCES, Blue Cross NC will send you and your PROVIDER notification of the decision in clear written terms, within a reasonable time but no later than 30 days from the date Blue Cross NC received the appeal.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for review and consideration or any appropriate action against the PROVIDER. State law does not allow for a second-level grievance review for grievances concerning quality of care.

Expedited Appeals (Available only for NONCERTIFICATIONS)

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you to severe pain that cannot be adequately managed without the requested care or treatment.

To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the phone number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a standard appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances. The decision will be communicated, no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

Second Level Review (Limited GRIEVANCES Only)

Second Level Review Timeline

Blue Cross NC Notifies You	Within 10 business days after receipt of request
Second Level Appeal Meeting	Occurs within 45 days after receipt of request
Notice of the Appeal Meeting	15 days before the appeal meeting
Notice of Decision	7 days after the appeal meeting

If you do not agree with the first level appeal described above, you have the right to a second level review for certain GRIEVANCES. Second level reviews are not allowed for benefits or services that are clearly excluded by this benefit booklet, quality of care complaints, or NONCERTIFICATIONS. Within ten business days after Blue Cross NC receives your request for a second level review, the following information will be given to you:

- Name, address and phone number of the second level review coordinator
- Availability of Health Insurance Smart NC including address and phone number

NEED TO APPEAL OUR DECISION? *(cont.)*

- A statement of your rights, including the right to:
 - request and receive from us all information that applies to your GRIEVANCE
 - take part in the second level review meeting
 - present your case to the review panel
 - submit supporting material before and during the review meeting
 - ask questions of any member of the review panel
 - be assisted or represented by a person of your choosing, including a family member, an EMPLOYER representative, or an attorney.

The second-level appeal meeting will be conducted by a review panel arranged by Blue Cross NC. The panel will include external physicians and/or benefit experts. This will be held within 45 days after Blue Cross NC receives a second level review request. Blue Cross NC will give you notice of the meeting date and time at least 15 days before the meeting. The meeting will be held by teleconference. You have the right to a full review of your GRIEVANCE even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting. This second level review is the last review available for GRIEVANCES.

External Review (Available only for NONCERTIFICATIONS)

Federal and state law allows for a review of ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). The North Carolina Department of Insurance (NCDOI) administers this service at no charge to you. NCDOI will arrange for an IRO to review your case once the NCDOI confirms that your request is complete and eligible for review. Blue Cross NC will let you know of your right to request an external review each time you receive:

- an ADVERSE BENEFIT DETERMINATION, or
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION, or.

However, in order for your request to be eligible for an external review, the NCDOI must determine the following:

- your request is about a MEDICAL NECESSITY determination that resulted in an ADVERSE BENEFIT DETERMINATION (e.g. NONCERTIFICATION);
- you had coverage with Blue Cross NC when the ADVERSE BENEFIT DETERMINATION was issued;
- the service for which the ADVERSE BENEFIT DETERMINATION was issued appears to be a COVERED SERVICE; and
- you have exhausted or have been deemed to have exhausted Blue Cross NC's internal appeals process as described below.

For a standard external review, you will be considered to have exhausted the internal appeals process if you have:

- completed Blue Cross NC's appeals process and received a written determination on the appeal from Blue Cross NC, or

NEED TO APPEAL OUR DECISION? *(cont.)*

- filed an appeal and except to the extent that you have requested or agreed to a delay, have not received Blue Cross NC's written decision on the appeal within 60 days of the date you can show that you submitted the request, or
- received written notification that Blue Cross NC has agreed to waive the requirement to exhaust the internal appeals process, or
- determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (as discussed above).

External reviews are performed on a standard or expedited basis. The basis depends on which is requested and whether medical circumstances meet the criteria for expedited review.

Standard External Review

For all requests for a standard external review, you must file your request with the NCDOI within 120 days of receiving one of the notices listed above.

You will not be eligible to request an external review until you have completed the internal appeals process and have received a final adverse benefit determination from Blue Cross NC.

Expedited External Review

An expedited external review may be available if the time required to complete either an expedited internal appeal review or a standard external review would be expected to seriously jeopardize your life or health or to jeopardize your ability to regain maximum function. If you meet this requirement, you may file a request to the NCDOI for an expedited external review, after you receive:

- an ADVERSE BENEFIT DETERMINATION from Blue Cross NC and have filed a request with Blue Cross NC for an expedited appeal; or
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION (also known as a final internal ADVERSE BENEFIT DETERMINATION).

Prior to your discharge from an inpatient facility, you may also request an expedited external review after receiving a final internal ADVERSE BENEFIT DETERMINATION of the admission, availability of care, continued stay or EMERGENCY health care services.

If your request is not accepted for expedited review, the NCDOI may:

- (1) accept the case for standard external review if you have completed the internal appeals process; or
- (2) require the completion of the internal appeals process and another request for an external review. An expedited external review is not available for retrospective (post-service) ADVERSE BENEFIT DETERMINATIONS.

When processing your request for an external review, the NCDOI will require you to provide them with a written, signed authorization for the release of any of your medical records that need to be reviewed for the external review.

review and appeals issues.

Within ten business days (or, for an expedited review, within two days) after receipt of
your request for an external review, the NCDOI will let you and your PROVIDER know in
writing whether your request is complete and whether it has been accepted. If the
NCDOI notifies you that your request is incomplete, you must provide all requested
information to the NCDOI within 150 days of the written notice from Blue Cross NC
upholding an ADVERSE BENEFIT DETERMINATION, which initiated your request for an
external review. If the NCDOI accepts your request, the acceptance notice will include the
following:

- (i) name and contact information for the IRO assigned to your case;
- (ii) a copy of the information about your case that Blue Cross NC has provided to the
NCDOI; and
- (iii) a notification that you may submit additional written information and supporting
documentation relevant to the initial ADVERSE BENEFIT DETERMINATION to the assigned IRO
within seven days after the receipt of the notice.

It is presumed that you have received written notice two days after the notice was
mailed. Within seven days of Blue Cross NC's receipt of the acceptance notice (or, for an
expedited review, within the same business day), Blue Cross NC shall provide the IRO
and you, by the same or similar quick means of communication, the documents and any
information considered in making the ADVERSE BENEFIT DETERMINATION. If you choose to
give any additional information to the IRO, you must also give that same information to
Blue Cross NC at the same time and by the same means of communication (e.g., you
must fax the information to Blue Cross NC if you faxed it to the IRO). When sending
additional information to Blue Cross NC, send it to:

Please note that you may also give this additional information to the NCDOI within the seven-day deadline rather than sending it directly to the IRO and Blue Cross NC. The NCDOI will forward this information to the IRO and Blue Cross NC within two days after receiving the additional information.

The IRO will send you written notice of its decision within 45 days (or, for an expedited review, within three days) after the date the NCDOI received your external review request. If the IRO's decision is to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will, within three business days (or, for an expedited review, within the same day) after receiving notice of the IRO's decision, reverse the ADVERSE BENEFIT DETERMINATION and provide coverage for the requested service or supply. If you are no longer covered by Blue Cross NC at the time Blue Cross NC receives notice of the IRO's decision to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been noncertified when first requested. The IRO's external review decision is binding on Blue Cross NC and you, except to the extent you may have other actions available under applicable federal or state law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION for which you have already received an external review decision.

Benefits to Which MEMBERS Are Entitled

The only legally binding benefits are described in this benefit booklet, which is part of the CONTRACT between Blue Cross NC and the GROUP. The terms of your coverage cannot be changed or waived unless Blue Cross NC agrees in writing to the change.

If a MEMBER resides with a custodial parent or legal guardian who is not the SUBSCRIBER, Blue Cross NC will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the SUBSCRIBER or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in this health benefit plan will be provided only for services and supplies that are performed by a PROVIDER as specified in this health benefit plan and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under this health benefit plan.

Any amounts paid by Blue Cross NC for non-COVERED services or that are in excess of the benefit provided under your Student Blue coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you. Blue Cross NC will recover amounts we have paid

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

for work-related accidents, injuries, or illnesses covered under state workers' compensation laws upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

Blue Cross NC's Disclosure of Protected Health Information (PHI)

At Blue Cross NC, we take your privacy seriously. We handle all PHI as required by state and federal laws and regulations and accreditation standards. We have developed a privacy notice that explains our procedures.

To obtain a copy of the privacy notice, visit our website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

Administrative Discretion

Blue Cross NC shall have the discretionary authority to construe and to interpret the terms of the health benefit plan and to determine the amount of benefits, and its decision on such matters is final and conclusive subject only to the member's appeals process set out in the "Need to Appeal our Decision?" section. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect. Blue Cross NC medical policies are guides considered by Blue Cross NC when making coverage determinations.

North Carolina PROVIDER Reimbursement

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, capitated fees, amounts based on cost, quality, utilization or other outcomes, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

Services Received Outside of North Carolina

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as “Inter-Plan Arrangements.” As a MEMBER of Blue Cross NC, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of Blue Cross NC. While Blue Cross NC maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services (“Host Blue”) is responsible for contracting with and generally handling all interactions with its participating PROVIDERS.

If you receive inpatient FACILITY SERVICES from an IN-NETWORK PROVIDER outside of North Carolina, except for Veterans’ Affairs (VA) and military PROVIDERS, the PROVIDER is responsible for requesting PRIOR REVIEW. If you see any other PROVIDER outside the State of North Carolina, you are responsible for ensuring that you or the PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a full denial of benefits. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services.

Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through the BlueCard® Program, which is included in Inter-Plan Arrangements. Under the BlueCard® Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the **lesser** of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the Host Blue passes on to us.

This “negotiated price” can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

If you receive COVERED SERVICES from a non-participating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's non-participating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, Blue Cross NC may use other payment bases, such as billed charges, to determine the amount Blue Cross NC will pay for COVERED SERVICES from a non-participating PROVIDER. In other exception cases, Blue Cross NC may pay such a claim based on the payment it would make if Blue Cross NC were paying a nonparticipating PROVIDER for the same covered healthcare services inside of Blue Cross NC's service area, where the Host Blue's corresponding payment would be more than Blue Cross NC's in-service area non-participating PROVIDER payment, or in Blue Cross NC's sole and absolute discretion, Blue Cross NC may negotiate a payment with such a PROVIDER on an exception basis. In any of these situations, you may be liable for the difference between the non-participating PROVIDER'S billed amount and any payment Blue Cross NC would make for the COVERED SERVICES. Federal or state law, as applicable, will govern payments for OUT-OF-NETWORK EMERGENCY SERVICES.

Value-Based Programs: BlueCard® Program

If you receive COVERED SERVICES under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the PROVIDER Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Blue Cross NC through average pricing or fee schedule adjustments. These fees are part of the total cost of the claim and you will not be charged separately for them.

Blue Cross Blue Shield Global® Core:

If you are outside the United States (hereinafter "BlueCard® service area"), you may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing COVERED SERVICES. Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although Blue Cross Blue Shield Global® Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

PROVIDERS outside the BlueCard® service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard® service area, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

- **Outpatient Services**

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard® service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

- **Submitting a Blue Cross Blue Shield Global® Core Claim**

When you pay for COVERED SERVICES outside the BlueCard® service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER'S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

Services Received Outside the United States

This plan provides benefits to MEMBERS outside the United States. In order to receive IN-NETWORK benefits, you must receive outpatient or inpatient medical care from a HOSPITAL or PROVIDER that participates in the Blue Cross and Blue Shield worldwide PROVIDER network, except in an EMERGENCY.

Blue Cross NC Contract

Blue Cross NC is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield plans, permitting Blue Cross NC to use the Blue Cross and Blue Shield service marks in the state of North Carolina. Blue Cross NC is not contracting as an agent of the Blue Cross and Blue Shield Association. This paragraph shall not create any additional obligations whatsoever on

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

the part of Blue Cross NC other than those obligations created under other provisions of this health benefit plan.

Notice of Claim

Blue Cross NC will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to Blue Cross NC within 18 months after the MEMBER incurs the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits. Forms are available at www.studentbluenc.com or by calling the number in "Who to Contact?"

Limitation of Actions

You must complete all of the required steps under the health benefit plan's administrative claims and appeals procedures. For plans that are subject to ERISA, this means that you must timely file an initial claim (if applicable) and timely file and complete a first level appeal of any ADVERSE BENEFIT DETERMINATION before bringing suit under ERISA. For plans that are not subject to ERISA, this means that you must file and complete a first level appeal and, for those COVERED SERVICES and items subject to a second level appeal, you must also file and complete a second level appeal. To confirm whether your plan is subject to ERISA, you should contact your plan administrator.

Any lawsuit that you file must be filed within the earlier of (1) within one year after receiving a final ADVERSE BENEFIT DETERMINATION regarding your first level appeal (or for non-ERISA plans, a second level appeal, if required) or (2) three years from the date the charge giving rise to the claim is INCURRED (or, if there are no such charges, the date your claim arose). Failure to follow the health benefit plan's administrative claims and appeals procedures in a timely manner will cause you to lose your right to sue regarding an ADVERSE BENEFIT DETERMINATION and/or to recover benefits. Generally, this means that any claim, action or suit filed in court or in another tribunal will be dismissed.

Evaluating New Technology

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow us to determine the best services and products to offer our MEMBERS. They also help us keep pace with the ever-advancing medical field. Before implementing any new or revised policies, we review professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. We then seek additional input from PROVIDERS who know the needs of the patients they serve.

FEDERAL NOTICES

The following federal notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See "COVERED SERVICES" for more details.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

Mastectomy Benefits

Under the Women's Health and Cancer Rights Act of 1998, this health benefit plan provides for the following services related to mastectomy SURGERY:

- Reconstruction of the breast on which the mastectomy has been performed
- SURGERY and reconstruction of the nondiseased breast to produce a symmetrical appearance, without regard to the lapse of time between the mastectomy and the reconstructive SURGERY
- Prostheses and physical complications of all stages of the mastectomy, including lymphedemas.

See PROVIDER'S Office, or for external prostheses, see "PROSTHETIC APPLIANCES" in "Other Services" in the "Summary of Benefits."

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable, copayment, deductible or coinsurance and limitations as applied to other medical and surgical benefits provided under this health benefit plan.

FEDERAL NOTICES *(cont.)*

Important Notice of Special Enrollment

If you are declining enrollment for yourself or your DEPENDENTS (including your spouse) because of other health insurance (including Medicaid or Children's Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the DEPENDENTS in this health benefit plan if you or your DEPENDENTS lose eligibility for that other coverage (or if the EMPLOYER stops contributing towards your or your DEPENDENTS' other coverage). However, you must request enrollment within 30 days after your or your DEPENDENTS' other coverage ends (other than Medicaid or CHIP) or if the EMPLOYER stops contributing towards your or your DEPENDENTS' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility.

In addition, if you have a new DEPENDENT as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your DEPENDENT. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a DEPENDENT CHILD will not change your coverage type or premiums that are owed.

The above timeframes may be extended by federal law. Please contact your plan administrator with any questions.

SPECIAL PROGRAMS

Programs Outside Your Regular Benefits

Blue Cross NC may offer or provide programs that are outside your regular benefits. These offers or programs may be changed from time to time. Following are examples of programs that may be included outside your regular benefits:

- Discounts or promotional offers on goods and services from other companies including certain types of PROVIDERS
- Health and wellness programs
- Services and/or programs aimed to improve social determinants of health
- Clinical Opportunities Notification Program involves the analysis of claims and subsequent notification to PROVIDERS suggesting consideration of certain patient-specific treatment options along with medical literature addressing these treatment options
- Service programs for MEMBERS identified with complex health care needs, including a dedicated administrative contact, consolidated claims data information, and supportive gift items
- Rewards or drawings for gifts based on activities related to online tools
- Rewards or drawings for gifts based on participation in initiatives and/or programs to reduce health care costs
- Periodic drawings for gifts, which may include club memberships and trips to special events, based on submitting information
- Charitable donations made on your behalf by Blue Cross NC.

Blue Cross NC may not provide some or all of these items directly, but may instead arrange these for your convenience. These discounts or promotional offers are outside your health plan benefits. Blue Cross NC is not liable for problems resulting from goods and services it does not provide directly, such as goods and services not being provided or being provided negligently. The gifts and charitable donations are also outside your health plan benefits. Blue Cross NC is not liable for third party PROVIDERS' negligent provision of the gifts. Blue Cross NC may stop or change these programs at any time.

Health Information Services

If you have certain health conditions, Blue Cross NC or a representative of Blue Cross NC may contact you to provide information about your condition, answer questions and tell you about resources that may be available to you. Your participation is voluntary, and your medical information will be kept confidential.

GLOSSARY

ADAPTIVE BEHAVIOR TREATMENT

Behavioral and developmental interventions that systematically manage instructional and environmental factors or the consequences of behavior that have been shown to be clinically effective through research published in peer reviewed scientific journals and based upon randomized, quasi-experimental, or single subject designs. All services performed must be within the PROVIDER'S scope of license or certification to be eligible for reimbursement.

ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit, including one that results from the application of any utilization review, or a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage and initial eligibility determinations are also included as an adverse benefit determination.

ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. The allowed amount may be based on a schedule of fees, capitated arrangement or other formula agreed upon between the PROVIDER and Blue Cross NC. Except as otherwise specified in "EMERGENCY and Ambulance Services," for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount established by Blue Cross NC or through the BlueCard system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than as described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER'S billed charge unless doing so is required in order to comply with North Carolina Statutes. Calculation of the allowed amount is based on several factors including Blue Cross NC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

AMBULATORY INFUSION SUITE

An ambulatory infusion suite is a free-standing facility that solely provides infusion services under the supervision of a nurse or medical director.

GLOSSARY *(cont.)*

AMBULATORY SURGICAL CENTER

A NONHOSPITAL FACILITY with an organized staff of DOCTORS, which is licensed or certified in the state where located, and which:

- a) Has permanent facilities and equipment for the primary purpose of performing surgical procedures on an outpatient basis
- b) Provides nursing services and treatment by or under the supervision of DOCTORS whenever the patient is in the facility
- c) Does not provide inpatient accommodations
- d) Is not other than incidentally, a facility used as an office or clinic for the private practice of a DOCTOR or OTHER PROVIDER.

ANCILLARY PROVIDER

Independent clinical laboratories, durable/home medical equipment and supply PROVIDERS, or specialty pharmacies. Ancillary providers are considered IN-NETWORK if they contract directly with the Blue Cross or Blue Shield plan in the state where services are received, based on the following criteria:
