PART I
ELIGIBILITY AND TERMINATION PROVISIONS

Eligibility: Each person who belongs to one of the "Classes of Persons To Be Insured" as set forth in the application is eligible to be insured under this policy. The Named Insured must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (TV) courses do not fulfill the eligibility requirements that the Named Insured actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium.

Eligible persons may be insured under this policy subject to the following:

- 1) Payment of premium as set forth on the policy application; and,
- 2) Application to the Company for such coverage.

Effective Date: Insurance under this policy shall become effective on the later of the following dates:

- 1) The Effective Date of the policy; or
- 2) The date premium is received by the Administrator.

Termination Date: The coverage provided with respect to the Named Insured shall terminate on the earliest of the following dates:

- 1) The last day of the period through which the premium is paid; or
- 2) The date the policy terminates.

PART II
GENERAL PROVISIONS

ENTIRE CONTRACT CHANGES: This policy, including the endorsements and attached papers, if any, and the application of the Policyholder shall constitute the entire contract between the parties. No agent has authority to change this policy or to waive any of its provisions. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. Such an endorsement or attachment shall be effective without the consent of the Insured Person but shall be without prejudice to any claim arising prior to its Effective Date.

PAYMENT OF PREMIUM: All premiums are payable in advance for each policy term in accordance with the Company's premium rates. The full premium must be paid even if the premium is received after the policy Effective Date. There is no pro-rata or reduced premium payment for late enrollees. There will be no refunds to students who cancel coverage under the policy; unless the Insured enters the armed forces.

Premium adjustments involving return of unearned premiums to the Policyholder will be limited to a period of 12 months immediately preceding the date of receipt by the Company of evidence that adjustments should be made. Premiums are payable to the Company, P.O. Box 809026, Dallas, Texas 75380-9026.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Upon receipt of a notice of claim, the Company will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 10 days after the giving of written notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and extent of the loss for which claim is made.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

GENERAL PROVISIONS *(Continued)*

TIME OF PAYMENT OF CLAIM: Indemnities payable under this policy for loss will be paid immediately upon receipt of due written proof of such loss.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by this policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

SUBROGATION: The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for Benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company.

In the event that the Insured recovers from the third party, reasonable cost of collection and attorney's fees thereof shall be assessed against the Company and the Insured in the proportion each benefits from the recovery. In the event more than one casualty insurer, health insurer, health maintenance organization, self-funded group, multiple-employer welfare arrangement or hospital or medical services corporation having contractual subrogation rights are entitled to the subrogation benefits, reasonable cost of collection and attorney's fees thereof shall be assessed against the insurers and the Insured in the proportion each benefits from the recovery.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and Coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

POLICY ENDORSEMENT

In consideration of the premium charged, it is hereby understood and agreed that the policy to which this endorsement is attached is amended as follows:

COORDINATION OF BENEFITS PROVISION

Definitions

- (1) **Allowable Expenses:** Any necessary, reasonable, and customary item of expense, a part of which is covered by at least one of the Plans covering the Insured Person.

An Allowable Expense to a Secondary Plan includes the value or amount of any Deductible Amount or Coinsurance Percentage or amount of otherwise Allowable Expenses which was not paid by the Primary or first paying Plan.

- (2) **Plan:** A group insurance plan or health service corporation group membership plan or any other group benefit plan providing medical or dental care treatment benefits or services. Such group coverages include: (a) group or blanket insurance coverage, or any other group type contract or provision thereof; this will not include school accident coverage for which the parent pays the entire premium; (b) service plan contracts, group practice and other pre-payment group coverage; (c) any coverage under labor-management trustees plans, union welfare plans, employer and employee organization plans; and (d) coverage under governmental programs, including Medicare, and any coverage required or provided by statute.

- (3) **Primary:** The Plan which pays regular benefits.

- (4) **Secondary:** The Plan which pays a reduced amount of benefits which, when added to the Primary Plan's benefits will not be more than the Allowable Expenses.

- (5) **We, Us or Our:** The Company named in the policy to which this endorsement is attached.

Effect on Benefits - If an Insured Person has medical and/or drug coverage under any other Plan, all of the benefits provided are subject to coordination of benefits.

During any policy year or benefit period, the sum of the benefits that are payable by Us and those that are payable from another Plan may not be more than the Allowable Expenses.

During any policy year or benefit period, We may reduce the amount We will pay so that this reduced amount plus the amount payable by the other Plans will not be more than the Allowable Expenses. Allowable Expenses under the other Plan include benefits which would have been payable if a claim had been made.

However, if: (1) the other Plan contains a section which provides for determining its benefits after Our benefits have been determined; and (2) the order of benefit determination stated herein would require Us to determine benefits before the other Plan, then the benefits of such other Plan will be ignored in determining the benefits We will pay.

This Plan determines its order of benefits using the first of the following rules which applies:

- (1) If the Insured's other Plan does not have Coordination of Benefits, that Plan pays first.
- (2) Non-Dependent/Dependent. The benefits of the Plan which covers the person as an employee, member or subscriber are determined before those of the Plan which covers the person as a Dependent.

COORDINATION OF BENEFITS PROVISION (*Continued*)

- (3) Dependent Child/Parents Not Separated or Divorced. When this Plan and another Plan cover the same child as a Dependent of different persons, called "parents":
- a. the benefits of the Plan of the parent whose birthday falls earlier in a year exclusive of year of birth are determined before those of the Plan of the parent whose birthday falls later in that year; but
 - b. if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.
 - c. However, if the other Plan does not have the rule described in a. above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
- (4) Dependent Child/Separated or Divorced Parents. If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:
1. first, the Plan of the parent with custody of the child;
 2. then, the Plan of the spouse of the parent with the custody of the child; and
 3. finally, the Plan of the parent not having custody of the child.
- (5) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

Right to Recovery and Release of Necessary Information - For the purpose of determining applicability of and implementing the terms of this Provision, We may, without further consent or notice, release to or obtain from any other insurance company or organization any information, with respect to any person, necessary for such purposes. Any person claiming benefits under Our coverage shall give Us the information We need to implement this Provision. We will give notice of this exchange of claim and benefit information to the Insured Person when any claim is filed.

Facility of Payment and Recovery - Whenever payments which should have been made under our Coverage have been made under any other Plans, We shall have the right to pay over to any organizations that made such other payments, any amounts that are needed in order to satisfy the intent of this Provision. Any amounts so paid will be deemed to be benefits paid under Our coverage. To the extent of such payments, We will be fully discharged from Our liability.

Whenever We have made payments with respect to Allowable Expenses in total amount at any time, which are more than the maximum amount of payment needed at that time to satisfy the intent of this Provision, We may recover such excess payments. Such excess payments may be received from among one or more of the following, as We determine: any persons to or for or with respect to whom such payments were made, any other insurers, service plans or any other organizations.

This endorsement takes effect and expires concurrently with the policy to which it is attached, and is subject to all of the terms and conditions of the policy not inconsistent therewith.
