

Student Health Insurance Plan

for Baylor College of Medicine

2025 – 2026

Welcome to AcademicBlue, your Student Health Insurance Plan offered by Blue Cross and Blue Shield of Texas (BCBSTX).

Who can enroll?

Baylor College of Medicine (BCM) requires that all active students enrolled in any BCM academic programs, including Post Baccalaureate Premedical Scholars, are enrolled in the BCM Student Health Insurance Plan (SHIP) or enrolled in alternative coverage that meets all the waiver criteria established by the college.

To waive the Student Health Insurance Plan, you must complete the online waiver by the absolute deadlines. If no action is taken to enroll or waive by the deadline, you will be automatically enrolled in the Student Health Insurance Plan and will be responsible for any charges incurred.

Dependent coverage is available. Eligible dependents of those enrolled in the plan may participate on a voluntary basis. Payment must be made directly to Academic HealthPlans and may not be billed to the student's account. To view rates and enrollment information, please visit our website.

Please refer to the plan's medical policy to review all eligibility criteria. The medical policy and additional information can be found at **bcm.myahpcare.com**.
