## **ELIGIBILITY FOR INSURANCE**

Each person in one of the Class(es) of eligible persons shown below is eligible to be covered under this Policy. This includes anyone who is eligible on the Effective Date of Coverage and may become eligible after the Effective Date of Coverage while the Policy is in force. Students must meet the Institution's requirements for maintaining their status as an eligible Student. Some courses may not fulfill the eligibility requirements. Please contact Your Institution for further information. Students must maintain their eligibility in order to maintain or continue coverage under this policy. Covered Students who lose eligibility status prior to the end of their enrolled coverage period will no longer be covered as of the first month following the loss of eligibility. Students enrolled for the Summer sessions will not experience a loss in coverage as long as they were covered immediately preceding Summer sessions. (These Students may be eligible for continuation coverage as provided for in the policy.) We maintain the right to investigate Student status and attendance records to verify that eligibility requirements have been met.

### **CLASSES OF ELIGIBLE PERSONS**

Class 1: All enrolled Students and their Dependents are eligible for coverage under this Policy.

NOTE: Multiple classes may be added depending on the Institution.

Dependents, as defined by this Policy, of all Students are eligible for coverage under this Policy.

A person may not be insured as a Dependent and a Student at the same time.

A Student's Dependent is eligible on the date:

- the Student is eligible if the Student has Dependents on that date; or
- the date the person becomes a Dependent of the Student, if later.

In no event will a Dependent be eligible if the Student is not enrolled for coverage under this Policy.

**No eligibility rules or variations in Premium will be imposed based on a Student's health status, medical condition, claims experience, receipt of health care, medical or vision history, genetic information, evidence of insurability, disability, or any other health status factor. A Student will not be discriminated against for coverage under this Policy on the basis of race, color, national origin, disability, quality of life, life expectancy, age, sex, gender identity, sexual orientation, or political affiliation expression. Coverage does not require documentation certifying a COVID-19 vaccination or require documentation of post-transmission recovery as a condition for obtaining coverage or receiving Benefits. Variations in the administration, processes or Benefits of this Policy that are based on clinically indicated, reasonable management practices, or are part of permitted wellness incentives, disincentives and/or other programs do not constitute discrimination.**

## **EFFECTIVE DATE OF COVERAGE**

Coverage for a Student who enrolls during the Institution's enrollment period, as determined by the Institution, is effective on the latest of the following dates:

- the Effective Date of Coverage;
- the date We receive the completed online enrollment form;
- the date after the required Premium is paid; or
- the date the Student enters the eligible class.

Coverage for a Student's eligible Dependent who enrolls:

- during the enrollment period established by the Institution; or
- within 31 days after the Student acquires a new Dependent; or
- within 31 days after a Dependent terminates coverage under another vision plan,

is effective on the latest of the following dates:

- the Effective Date of Coverage;
- the date the Student enters the eligible class; or
- the date after the required Premium is paid.

After the time periods described above, the Student and/or Dependent must wait until the next enrollment period, except for a newborn or newly adopted child or if there is an involuntary loss of coverage under another vision plan.

We will pay Benefits for a newborn child of a Covered Person until that child is 31 days old. Coverage may be continued beyond the 31 days if the Covered Person notifies Us of the child's birth and pays the required Premium, if any.

Adopted children, as defined by this Policy, will be covered on the same basis as a newborn child from the date the child is placed for adoption with the Covered Person or the date the Covered Person becomes a party to a suit for the adoption of the child. Coverage will cease on the date the child removed from placement and the Covered Person's legal obligation terminates.

## **OPEN ENROLLMENT PERIODS**

Your Institution will designate open enrollment periods during which You may apply for or change Your coverage under this Student Vision Policy.

## **QUALIFYING EVENT**

Eligible Students and/or Eligible Dependents who have a change in status, and lose coverage under another vision plan, are eligible to enroll for coverage under this Policy. Within 31 days of the qualifying event, the Student and/or Dependent must complete supporting documentation. A change in status due to a qualifying event includes, but is not limited to, loss of a spouse, whether by death, divorce or annulment, a gain of a Dependent whether by birth, adoption, or suit for adoption or court-ordered Dependent coverage, or loss of Dependent status because of age. The Premium will be the same as what it would have been at the beginning of the semester or quarter, whichever applies. However, the Effective Date of Coverage will be the later of the date the Student or Dependent enrolls for coverage under this Policy and pays the required Premium, or the day after the prior coverage ends. Please contact Your Institution for further information.

## **HOW THIS VISION PLAN WORKS**

### **VISION EXAMINATION**

Under this Student Vision Policy, You may visit any Provider and receive Benefits (as listed on the Schedule of Benefits) for a Vision Examination and Vision Materials.

A Vision Examination is a vision testing exam that includes a determination as to the need for correction of visual acuity and prescribing lenses, if needed, that is performed by a licensed physician, optometrist, therapeutic optometrist, or ophthalmologist who is operating within the scope of his or her license. A comprehensive routine eye examination (including dilation, if necessary) includes but is not limited to the following procedures:

- case history, including chief complaint and/or reason for visit, patient medical and eye health history, and record of current medications;
- record of visual acuities with or without present correction, if applicable;
- pupil responses, external exam findings, internal exam findings, screening of visual fields perception;
- present prescription;
- retinoscopy (when applicable), subjective refraction at far and near point;
- binocular and ocular mobility testing;
- test of accommodation and/or near point refraction;
- tonometry, to include pressures, time of day, and type of instrument used (a reasonable attempt at tonometry or equivalent testing will be made unless, in the physician's professional opinion, tonometry is contraindicated); and
- diagnosis/prognosis and/or specific recommendations.

# **PROCEDURES FOR FILING CLAIMS, APPEALS, AND COMPLAINTS**

## **EyeMed CONTRACTING PROVIDER SERVICES**

When You receive Vision Services at an EyeMed Contracting Provider location, You will not have to file a Claim form. At the time services are rendered, You will pay for the services or eyewear at the amount noted on Your Schedule of Benefits. You will also owe state tax, if applicable and the cost of noncovered expenses (for example, vision perception training).

## **CLAIM FORMS AND PROOF OF LOSS**

Written Proof of Loss must be furnished to FAA in accordance with the Claim procedures specified in this section. Proof may be submitted either electronically or on paper. Written notice of Claim must be given to FAA within 90 days after the occurrence or start of the loss on which the Claim is based. If notice is not given in that time, the Claim will not be invalidated or denied if it is shown that written notice was given as soon as was reasonably possible. When FAA receives a request for a Claim form or the notice of a Claim, FAA will provide the Covered Person the Claim forms that are used for filing Proof of Loss. If the Covered Person does not receive these forms within 15 days after FAA receives notice of Claim or the request for a Claim form, the Covered Person will be considered to have met the Proof of Loss requirement of this Student Vision Policy if the Covered Person submits written Proof of Loss within 365 days after the date of the first service, except in the absence of legal capacity.

## **CLAIMS FOR NON-CONTRACTING PROVIDER VISION SERVICES**

When You receive a Vision Examination or purchase Vision Materials from a Non-Contracting Provider, You may need to file a Claim form. You can obtain a Claim form from an EyeMed Member Services Representative or at [www.eyemed.com](http://www.eyemed.com). Be sure to fill out the Claim form completely. You must submit Your Claim form no more than 15 months after the services were provided. If You choose to go to a Non-Contracting Provider, please complete the following steps before submitting Your Claim form to FAA.

1. You are responsible for payment of Vision Services at the time of service. BCBSTX (through the claims administrator, FAA) will reimburse You for Covered Services. Please see the Schedule of Benefits for the list of qualified service and their reimbursement amounts.
2. Complete the Claim form in its entirety. Sign the Claim form. If the patient is a minor, the parent or legal guardian must sign the Claim form.
3. Attach itemized receipts from Your Provider to the Claim form. (Facsimiles and photocopies of bills cannot be accepted; please keep copies for Your records. Bills will not be returned.)

Mail the Claim form to the following address:

**BlueCare Vision**  
**c/o First American Administrators**  
**Attn: OON Claims**  
**P.O. Box 8504**  
**Mason, OH 45040-7111**

## **PAYMENT IN ERROR**

If BCBSTX makes an erroneous Benefit payment, You or the ineligible person may be required to refund the amount paid in error. BCBSTX reserves the right to correct payments made in error by offsetting the amount paid in error against new Claims. BCBSTX also reserves the right to take legal action to collect payments made in error.

## **COMPLAINT PROCEDURE**

If You are dissatisfied with an EyeMed Contracting Provider's quality of care, services, materials or facility, or with FAA's claims administration, You should first call EyeMed Customer Care Center at 1-888-782-3299 to request resolution. The EyeMed Customer Care Center will make every effort to resolve Your matter informally.

Upon final resolution, BCBSTX will notify You in writing of its decision.

The replacement coverage will be that which is offered by Blue Cross and Blue Shield of Texas, a division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association or, if You do not reside in the Blue Cross and Blue Shield of Texas service area, by the Host Blues whose service area covers the geographic area in which You reside. The circumstances mentioned above may arise in various circumstances. As part of the overall Policy that Blue Cross and Blue Shield of Texas offers to, You, if You do not reside in the Blue Cross and Blue Shield of Texas service area, Blue Cross and Blue Shield of Texas may facilitate Your right to apply for and obtain such replacement coverage, subject to applicable eligibility requirements, from the Host Blue in which You reside. To do this We may (1) communicate directly with You and/or (2) provide the Host Blues whose service area covers the geographic area in which You reside, with Your personal information and may also provide other general information relating to Your coverage under this Student Vision Policy the Institution has with Blue Cross and Blue Shield of Texas to the extent reasonably necessary to enable the relevant Host Blues to offer You coverage continuity through replacement coverage.

### **NON-AGENCY**

The Institution understands that this Vision Plan constitutes a Contract solely between the Institution and BCBSTX. BCBSTX is a Division of Health Care Service Corporation, an Independent Licensee of the Blue Cross and Blue Shield Association (the Association). The license from the Association permits HCSC to use the Blue Cross and Blue Shield Service Marks in the State of Texas. BCBSTX is not contracting as the agent of the Association. The Institution also understands that he has not entered into this Student Vision Policy based upon representations by a person other than BCBSTX. No person, entity, or organization other than BCBSTX shall be held accountable or liable to the

Institution for any of its obligations whatsoever on the part of BCBSTX other than those obligations created under other provision of this Student Vision Policy.

### **NOTICE OF CLAIM**

The Covered Person shall give or cause to be given written notice to FAA within 30 days or as soon as reasonably possible after any Covered Person receives any of the services for which Benefits are provided herein.

### **PHYSICAL EXAMINATION AND AUTOPSY**

We, at Our own expense, shall have the right and opportunity to examine the person of the Student for whom Claim is made, when and so often as We may reasonably require during the pendency of a Claim hereunder and also in case of death, the right and opportunity to make an autopsy where it is not prohibited by law.

### **ENTIRE CONTRACT; CHANGES**

This Policy and the application for coverage by the Student and any amendments, riders, or endorsements attached hereto, shall constitute the entire Student Vision Policy. Any statements made shall be deemed representations and not warranties, and no statement made by the Student in the application for this Student Vision Policy shall be used in any contest or in defense of a Claim hereunder unless a copy of the application is attached to this Student Vision Policy when issued.

Only an authorized officer of BCBSTX has the power to change, modify, or waive the provisions of this Policy, and then only in writing prepared at the home office and attached or endorsed hereto. We shall not be bound by any promise or representation heretofore or hereafter made by or to any agent other than as specified above.

### **PROOF OF LOSS**

Written Proof of Loss must be furnished to FAA, no later than 90 days from the date that the services, supplies or appliances are provided to the Covered Person. Failure to furnish such proof within the time required shall not invalidate or reduce any claim if it was not reasonably possible to furnish such proof within such time, provided such proof is furnished as soon as reasonably possible and, in no event, except in the absence of legal capacity of the Covered Person, later than one year from the time proof is otherwise required.

### **REFUND OF BENEFIT PAYMENTS**

If and when We determine that Benefit payments hereunder have been made erroneously but in good faith, We reserve the right to seek recovery of such Benefit payments from the Covered Person, any other insurance company, or Provider of services to whom such payments were made. We reserve the right to offset subsequent Benefit payments otherwise payable by the amount of any such overpayment.

### **REIMBURSEMENT**

If We pay or provide Benefits for You under this Policy, We are subrogated to all rights of recovery which You have in contract, tort or otherwise against any person, organization or insurer for the amount of Benefits We have paid or provided. That means We may use the Institution's rights to recover money through judgment, settlement or otherwise from any person, organization or insurer.

1. For the purposes of this provision, Subrogation means the substitution of one person or entity (BCBSTX) in the place of another (any Student covered under this Student Vision Policy) with reference to a lawful Claim, demand, or right, so that he or she who is substituted succeeds to the rights of the other in relation to the debt or Claim, and its rights or remedies.
2. **Right of Reimbursement:** In jurisdictions where subrogation rights are not recognized, or where subrogation rights are precluded by factual circumstances, We will have a right for reimbursement. If any Student covered under this Student Vision Policy recovers money from any person, organization or insurer for an injury or condition for which We paid Benefits under this Student Vision Policy, all Students covered under this Student Vision Policy agrees to reimburse Us from the recovered money for the amount of Benefits paid or provided by Us. That means any Student covered under this Student Vision Policy will pay Us the amount of money recovered through judgment, settlement or otherwise from the third party or their insurer, as well as from any person, organizations or insurer,

up to the amount of Benefits We paid or provided.

3. **Right to Recovery by Subrogation or Reimbursement:** Any Student covered under this Student Vision Policy agrees to promptly furnish to Us all information concerning any Student's rights of recovery from any person, organization or insurer and to fully assist and cooperate with Us in protecting and obtaining its reimbursement and subrogation rights. Any Student covered under this Student Vision Policy, or their attorney will notify Us before settling any Claim or suit so as to enable Us to enforce Our rights by participating in the settlement of the Claim or suit. Any Student covered under this Student Vision Policy further agrees not to allow the reimbursement and subrogation rights BCBSTX to be limited or harmed by any acts or failure to act on the part of any Student.
4. Our process to recover by subrogation or reimbursement will be conducted in accordance with Texas Civil Practice and Remedies Code Title 6, Chapter 140.
5. Notwithstanding the foregoing, nothing herein shall be interpreted to allow recovery from a Student's coverage under Medicare, Medicare Advantage or Medicaid Benefit plan.

### **RECISSION OF COVERAGE**

We may not void coverage based on a misrepresentation by a Student unless the Student performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact with the intent to deceive this Student Vision Policy on the Student's application; having done so will result in the cancellation of coverage for the Student retroactive to the Effective Date of Coverage, subject to 30 days' prior notification. Rescission is defined as a cancellation or discontinuance of coverage that has a retroactive effect. In the event of such cancellation, Blue Cross and Blue Shield of Texas may deduct from the Premium refund any amounts made in Claim Payments during this period and the Student may be liable for any Claim Payment amount greater than the total amount of Premiums paid during the period for which cancellation is affected.

### **CONFORMITY WITH STATE STATUTES**

Any provision of this Policy which, on its Effective Date of Coverage, is in conflict with the statutes of the state in which it was delivered shall be amended to conform with the minimum requirements of those statutes.

### **PLAN'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS**

BCBSTX has contracts with certain Providers ("Plan Providers") in its service area to provide and pay for Vision Services to all persons entitled to vision care Benefits under vision policies and contracts to which BCBSTX is a party, including all persons covered under this Student Vision Policy. Under certain circumstances described in its contract with Plan Providers, BCBSTX may:

- receive substantial payments from Providers or suppliers with respect to goods, supplies and services furnished to all such persons for which BCBSTX was obligated to pay the Provider or supplier; or
- pay Providers or suppliers substantially less than their Claim charges for goods and services, by discount or otherwise; or
- receive from Providers or suppliers other substantial allowances under the BCBSTX contracts with them.

### **SEVERABILITY**

In case any one or more of the provisions contained in this Policy shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Student Vision Policy, but this Policy shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

## **PAPER CHECK – AUTOMATIC CLEARING HOUSE/ELECTRONIC FUNDS TRANSFER**

BCBSTX will not charge an additional fee to a Payee if such person elects to receive the payment by paper check instead of by an automated clearinghouse transaction or other electronic funds transfer.

In addition to the **DEFINITIONS** of this Policy, the following definition is applicable to this provision:

**Payee** – an individual who resides in this state or a corporation, trust, partnership, association, or other private legal entity authorized to do business in this state that receives money as payment under an agreement.

## **STATE GOVERNMENT PROGRAMS**

All Benefits paid on behalf of a child or children under this Vision Policy must be paid to the Texas Health and Human Services Commission where;

- the Texas Health and Human Services Commission is paying Benefits pursuant to provisions in the Human Resources Code; and
- the parent who is covered under this Vision Plan has possession or access to the child pursuant to a court order, or is not entitled to access or possession of the child and is required by the court to pay child support; and
- the Carrier receives written notice at its Administrative Office affixed to the Benefit Claim when the Claim is first submitted, that the Benefits claimed must be paid directly to the Texas Health and Human Services Commission.

## **TIME OF PAYMENT OF CLAIMS**

Benefits payable under this Student Vision Policy for any loss will be paid as soon as reasonably possible, but no later than the 60<sup>th</sup> day following receipt of due written Proof of Loss.

## **PREMIUMS AND REINSTATEMENT PROVISIONS**

### **PAYMENT OF PREMIUM**

On or before the Premium due date, You shall remit the required Premium to Your Institution.

Only if Your Institution receives Your initial payment, shall You be entitled to vision care services covered hereunder and then only for the Policy month for which such payment is received. If any required payment is not received by the Premium due date of the Policy month for You or there is a bank draft failure, then You will be terminated at the end of the grace period. You will be responsible for the cost of services rendered to You during the grace period of the Policy Month in the event that Premium payments made by You.

Your Institution reserves the right to change the schedule of Premium payments on each anniversary date of this Student Vision Policy upon sixty (60) days written notice.

### **GRACE PERIOD**

A Policy grace period of 31 days will be granted for the payment of the required Premiums. The Policy will remain in force during the grace period. If the required Premiums are not paid during the Policy grace period, insurance will end upon the expiration of the grace period. The Student will be liable for any unpaid Premium for the time the Policy was in force.

### **REINSTATEMENT**

If this Policy terminates due to default in Premium payment(s), the subsequent acceptance of such defaulted Premium by Us or any duly authorized agents shall fully reinstate the Policy. For purposes of this section mere receipt and/or negotiation of a late Premium payment does not constitute acceptance. Any Reinstate of the Policy shall not be deemed a waiver of either the requirement of timely Premium payment or the right of termination for default in Premium payment in the event of any future failure to make timely Premium payments.

## **PAYMENT OF BENEFITS; PROVIDER RELATIONSHIP**

### **PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS**

All Benefit payments may be made by BCBSTX directly to any Provider furnishing the Covered Services for which such payment is due, and BCBSTX is authorized by You to make such payments directly to such Providers. However, BCBSTX may pay any Benefits that are payable under the terms of this Student Vision Policy directly to You, unless reasonable evidence of a properly executed and enforceable assignment of Benefits has been received by this Student Vision Policy sufficiently in advance of BCBSTX's Benefit payment. You may be required to submit a copy of the assignment of Benefits to BCBSTX.

1. Once Covered Services are rendered by a Provider, You have no right to request the Plan not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, BCBSTX will have no liability to You or any other person because of its rejection of such request.
2. Except for the assignment of a Benefit payment described above, a Covered Person's Claim for Benefits under this Student Vision Policy is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at any time before or after Covered Services are rendered to a Covered Person. Coverage under this Student Vision Policy is expressly non-assignable and non-transferable and will be forfeited if You attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a Claim for Benefits or coverage shall be null and void.

### **PROVIDER RELATIONSHIP**

The choice of a Provider is solely Your choice and BCBSTX will not interfere with Your relationship with any Provider. BCBSTX does not itself undertake to furnish Vision Services, but solely to make payments to Providers for Covered Services received by You. BCBSTX is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including but not limited to, the failure or refusal to render services to You. Professional services which can only be legally performed by a Provider are not provided by BCBSTX. The use of an adjective such as BCBSTX or Participating in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider.
