IMPORTANT INFORMATION ABOUT YOUR HEALTH COVERAGE:

The Benefits you receive will depend on whether the Provider of medical services is a Participating or Non-Participating Provider. The amount you have to pay may increase when you do not use the Student Health Center or Participating Providers and if you do not get Preauthorization.

BlueCross makes every effort to contract with Providers that practice at participating Hospitals. Members of the Blue Cross and Blue Shield Association (BCBSA) also attempt to contract with Providers that practice at participating Hospitals. For various reasons, some Providers may elect not to contract as Participating Providers. If you use a Non-Participating Provider, you may have no protection from balance billing from the Provider, except where prohibited by applicable law.

HOW TO FILE CLAIMS

Participating Providers have agreed to file claims for healthcare services they rendered to you. However, in the event a Provider does not file a claim for such services, it is your responsibility to file the claim. If you choose to use a Non-Participating Provider, you are responsible for filing your claim.

Once the claim has been processed, you will have quick access to an EOB through our website or by contacting customer service. The EOB explains who provided the care, the kind of service or supply received, the amount billed, the Allowable Charge, the Coinsurance rate and the amount paid. It also shows Benefit Year Deductible information and the reasons for denying or reducing a claim. Please see this Policy for more information.

The only time you must pay a Participating Provider is when you have a Benefit Year Deductible, Coinsurance, Copayment or when you have services or supplies that are not Covered Expenses under your Policy.

If you need a claim form, you may obtain one from us at the address below or print a copy from the website. You can also call us at the numbers listed on the previous page, and we will send you a form. After filling out the claim form, send it to the address below:

BlueCross BlueShield of South Carolina
Claims Service Center
Post Office Box 100300
Columbia, South Carolina 29202

Please refer to Article X of this Policy for more information on filing a claim.

PREDETERMINATION OF DENTAL BENEFITS

Except in an emergency, you should discuss fees with your dentist before treatment begins. If recommended dental treatment will cost \$100 or more, your dentist should file a Predetermination of Benefits to the Corporation. By doing this, both you and your dentist will know up front how much the Corporation will pay for the recommended treatment. Here's how it works:

Your dentist should list, on a claim form, the treatment planned and its cost and send the form to:

BlueCross BlueShield of South Carolina
Claims Service Center
Post Office Box 100300
Columbia, South Carolina 29202

After the Corporation determines the amount eligible for payment, the Corporation will let you and your dentist know. If your dentist does not ask for Predetermination of Benefits, the Corporation will pay Benefits according to the information on the claim form. Predetermination of Benefits is not necessary for emergency care, routine oral examinations, X-rays, fluoride treatments, cleaning, scaling or polishing teeth.

3. The Student must furnish written proof of the requirements for an Incapacitated Dependent, as outlined in Article I, to the Member Institution no later than thirty-one (31) days after the Child's attainment of the maximum age listed on the Schedule of Benefits. The Student will provide proof upon request.

For hard waiver and voluntary plan information, please refer to the Schedule of Benefits.

B. ELECTION OF COVERAGE

Any Student may enroll for coverage under this Policy for such Student and such Student's Dependents by completing and filing a Membership Application with the Member Institution. Dependents must be enrolled within sixty (60) days of the date on which they first become Dependents. Students and Dependents may also enroll if eligible under the terms of any Late Enrollment or Special Enrollment procedure.

The Student is required to submit a marriage license and file it with the Member Institution. The Corporation reserves the right to request documentation of such marriage.

4. Nicotine dependence, except as specified on the Schedule of Benefits.

WORKERS' COMPENSATION

This Policy does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained or alleged by a Member that arises out of, in connection with, or as the result of any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member.

If the Corporation pays Benefits for an injury or illness and the Corporation determines the Member also received Workers' Compensation benefits by means of a settlement, judgment or other payment for the same injury or illness, the Corporation shall have the right of recovery as outlined in Article IX of this Policy.

ARTICLE V - COORDINATION OF BENEFITS

A. APPLICABILITY

Coordination of benefits is designed to avoid the duplication of payments for Benefits. Coordination of benefits under this Article V applies when a Member has health care coverage under one (1) or more Plans that contain a coordination of benefits provision (or are required by law to contain a coordination of benefits provision). Special rules for the Coordination of Benefits with Medicare may also apply.

B. COORDINATION OF BENEFITS WITH AUTO INSURANCE

If the Member resides in a state where automobile no-fault, personal injury protection or medical payments coverage is mandatory or if the Member is involved in an accident in a state where such coverage is mandatory and the Member's automobile insurance carrier provides the state mandated coverage, the Member's automobile coverage is primary and this Policy secondary.

C. ORDER OF DETERMINATION RULES FOR MEMBERS

When a Member's claim is submitted under both this Policy and another Plan, this Policy is a Secondary Plan and the availability of Benefits is determined after benefits are determined under the other Plan unless:

1. The other Plan has rules coordinating its benefits with those of this Policy;
2. There is a statutory requirement relating to the determination of benefits; or,
3. Both the other Plan's rules and this Policy's rules require that Benefits under this Policy be determined before those of the other Plan.

D. ADDITIONAL ORDER OF DETERMINATION RULES

The coordination of benefits is determined using the first of the following rules that apply:

1. Dependents.

The Plan that covers an individual as a Student or retiree is the Primary Plan.

2. Dependent Child - Parents not Separated or Divorced.

When this Policy and another Plan cover the same Child as a Dependent then benefits are determined in the following order:

- a. The Plan of the parent whose birthday falls earlier in the year (month and date) is the Primary Plan.
- b. If both parents have the same birthday, the Plan that has covered a parent longer is the Primary Plan.
- c. If the other Plan does not have the rule described in (a) above but instead has a rule based upon the gender of the parent and if, as a result, the Plan and the Corporation do not agree on the order of benefits, the gender rule in the other Plan will apply.

The "birthday rule" does not use the years of the parents' birth in determining which has the earlier birthday.

3. Dependent Child - Separated or Divorced Parents.

If two (2) or more Plans cover a person as a Dependent Child of divorced, separated or unmarried parents, benefits for the Child are determined in the following order:

- a. First, the Plan of the parent with custody of the Child;
- b. Second, the Plan of the Spouse of the parent with the custody of the Child;
- c. Third, the Plan of the parent not having custody of the Child; or,
- d. Fourth, the Plan of the Spouse of the parent not having custody of the Child.

Notwithstanding the foregoing, if the specific terms of a court decree state that one of the parents is responsible for the healthcare expenses of the Child and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. The Plan of the other parent shall be the Secondary Plan. This paragraph does not apply with respect to any claim determination period or Plan year during which any Benefits are actually paid or provided before the Plan has actual knowledge of the existence of an applicable court decree. Once the Dependent Child reaches the age of eighteen (18) and/or the terms of the court decree are no longer applicable, the Plan which has covered the Dependent for a longer period of time will be primary.

If the specific terms of a court decree state that the parents shall share joint custody without stating that one of the parents is responsible for the healthcare expenses of the Child, the Plans covering the Child shall follow the order of determination rules outlined in Article V (D)(2).

4. Active and Inactive Students.

The benefits of the Plan that covers a person as a Student who is neither laid off nor retired, or as that Student's Dependent, are determined before those of a Plan that covers that person as a laid off or retired Student or as that Student's Dependent. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of Covered Expenses, this rule does not apply.

5. Medicare.

This Policy is a Primary Plan except where federal law mandates that this Policy is the Secondary Plan. Any claims where Medicare is primary must be filed by the Member after Medicare payment is made.

6. Longer and Shorter Length of Coverage.

If none of the above rules determines the order of benefits, the Plan that has covered the Member longer is the Primary Plan.

E. EFFECT ON BENEFITS OF THIS POLICY

1. This Policy as Primary Plan

When this Policy is the Primary Plan, the Benefits shall be determined without consideration of the benefits of any other Plan.

2. This Policy as Secondary Plan

When this Policy is a Secondary Plan, the Benefits will be reduced when the sum of the following exceeds the Covered Expenses in a Benefit Year:

- a. The Covered Expenses in the absence of this coordination of benefits provision; plus
- b. The expenses that would be payable under the other Plan, in the absence of provisions with a purpose like that of this coordination of benefits provision, whether or not a claim is made.

When the sum of these two (2) amounts exceeds the maximum amount payable for Covered Expenses in a Benefit Year, the Covered Expenses will be reduced so that they and the benefits payable under the Primary Plan do not total more than the Covered Expenses. When the Covered Expenses of this Policy are reduced in this manner, each Benefit is reduced in proportion and then charged against any applicable limit of this Policy.

3. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered for purposes of determining the appropriate level of coverage available.
4. The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not a Covered Expense unless the Member's Admission in a private Hospital room is Medically Necessary. When benefits are reduced under a Primary Plan because a Member does not comply with the Primary Plan's requirements, the amount of such reduction in benefits will not be a Covered Expense.

F. RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

The Corporation is entitled to such information as it deems reasonably necessary to apply these coordination of benefit provisions, and the Member and the Member Institution must provide any such information as reasonably requested.

G. PAYMENT

A payment made under another Plan may include an amount that should have been paid under this Policy. In such a case, the Corporation may pay that amount to the organization that made such payment. That amount will then be treated as though it has been paid under this Policy. The term "payment" includes providing Benefits in the form of services, in which case "payment" means the reasonable cash value of the Benefits provided in the form of services.

H. RIGHT OF RECOVERY

If the amount of the payments made by the Corporation is more than the Corporation should have paid, the Corporation may recover the excess or overpayment from the Member on whose behalf it has made payments, from a Provider, any group insurer, Plan or any other person or organization contractually obligated to such Member with respect to such overpayments.

ARTICLE VI – TERMINATION OF THIS POLICY

A. GENERALLY

TERMINATION OF STUDENT'S COVERAGE AND ALL OF SUCH STUDENT'S DEPENDENTS' COVERAGE WILL OCCUR ON THE EARLIEST OF THE FOLLOWING CONDITIONS:

1. The date this Policy is terminated pursuant to Article VI(B)-(I);
2. The date a Student ceases to be eligible for coverage as set forth in Article II;
3. In addition to terminating when a Student's coverage terminates, a Dependent Spouse's coverage terminates on the date of entry of an order or decree ending the marriage between the Dependent Spouse and the Student regardless of whether such order or decree is subject to appeal;
4. In addition to terminating when a Student's coverage terminates, a Domestic Partner and the children of the Domestic Partner's coverage terminates when the domestic partnership is dissolved. An Affidavit of Termination of Partnership must be completed by the Student and submitted to the Member Institution and/or the Corporation within thirty (30) days of dissolution, and the Member Institution must send a Membership Application to cancel this person from coverage.

All other Policy termination of coverage provisions apply to a Domestic Partner and the children of the Domestic Partner;

5. In addition to terminating when a Student's coverage terminates, a Child's coverage terminates when that individual no longer meets the definition of a Child under this Policy;
6. In addition to terminating when a Student's coverage terminates, an Incapacitated Dependent's coverage terminates when that individual no longer meets the definition of an Incapacitated Dependent; or,
7. Upon the death of the Student.

B. TERMINATION FOR FAILURE TO PAY PREMIUMS

1. If the Premium remains unpaid after the Grace Period, the coverage for the Member's Policy shall automatically terminate, without prior notice to the Member Institution, immediately after the last day of the Grace Period.

2. During the Grace Period, the Corporation will pay Covered Expenses for Benefits (including Prescription Drugs) obtained by Members during the Grace Period.
3. In the event of termination for failure to pay Premiums, Premiums received by the Corporation after the Grace Period will not automatically reinstate this Policy absent written agreement by the Corporation. The Corporation will refund the amount of any late Premium paid if this Policy is not reinstated, except that portion relating to coverage provided prior to or during the Grace Period.

C. UNIFORM TERMINATION OF COVERAGE

1. The Corporation may terminate coverage under this Policy if:
 - a. The Corporation ceases to offer coverage of the type of individual health insurance coverage provided by this Policy and provides notice to the Student's Member Institution at least ninety (90) days prior to the date of the discontinuation of such coverage;
 - b. The Corporation offers to each Member Institution's Students provided coverage of this type the option to purchase any other individual health insurance currently being offered by the Corporation in the individual market; and,
 - c. The Corporation acts uniformly without regard to the claims experience of the Member Institution or any Health Status-Related Factor relating to any Members, Students or Dependents who may become eligible for such coverage.
2. If the Corporation elects to discontinue offering all individual health insurance coverage in South Carolina, coverage under this Policy may be discontinued by the Corporation only:
 - a. In accordance with applicable state law;
 - b. If the Corporation provides notice to the Department of Insurance (DOI) and to the Member Institution of such discontinuation at least one hundred eighty (180) days prior to the date of the discontinuation of such coverage;
 - c. If all individual health insurance coverage issued or delivered for issuance in South Carolina is discontinued and coverage under such health benefit coverage in such market is not renewed; and,
 - d. If the Corporation will not issue any individual health insurance coverage in the market during the five (5) year period beginning on the date of the discontinuation of the last health insurance coverage not so renewed.

D. REINSTATEMENT

The Corporation in its discretion may reinstate coverage under this Policy that has been terminated if:

1. The Member requests reinstatement;
2. The unpaid Premium is not more than sixty (60) days overdue;
3. The Member has paid all overdue and currently due Premiums; and,
4. The Corporation approves the Member's request for reinstatement.

Coverage under this Policy will be reinstated on the date the coverage lapsed if requirements (1) through (4) above have been met. If the request is not approved, the Corporation will refund the Premium submitted. If the Corporation fails to act on the request, coverage under this Policy will be reinstated upon the Corporation's acceptance of the Premium. All terms under this Policy, including any amendments, which existed before the due date will remain in effect. The Member should submit any claims incurred during the period of lapsed coverage to the Corporation for processing under this Policy.

E. EXTENSION OF BENEFITS FOLLOWING TERMINATION

If this Policy is terminated under this Article VI(H), or a Member participating in this Policy is terminated, all rights to receive Covered Expenses for Benefits provided on or after the date of termination will automatically cease, except that a Member admitted to a Hospital or Skilled Nursing Facility or Totally Disabled on the date of such termination will be entitled to Covered Expenses for each day of that Admission or Total Disability, but will be limited to Benefits (including Prescription Drugs) directly related to the illness or injury causing the confinement or the Total Disability and will continue until the earlier of:

1. The date of recovery of the Member from the Total Disability;
2. A period of three hundred sixty-five (365) days from the date of termination of this coverage;
3. The date on which the Covered Expenses to which the Member is entitled are exhausted; or,
4. The date the Member has full coverage for the disabling condition under another Plan with benefits that are similar to the Benefits and such Plan makes a reasonable provision for continuity of care for the disabling condition.

F. MEMBER INSTITUTION AND SCSHIC ARE AGENTS OF MEMBERS

By accepting Benefits, a Member agrees that the Member Institution and SCSHIC are the Member's agents for all purposes of any notice under this Policy. The Member further agrees that notifications received from, or given to, the Member Institution or SCSHIC by the Corporation are notification to the Students except for any notice required by state or federal law to be given to the Members by the Corporation.

ARTICLE VII – CONVERSION AND CONTINUATION OF COVERAGE

A. CONVERSION FOR DIVORCED SPOUSES

Upon the entry of a valid order or decree of divorce between a Student and such Student's Dependent Spouse, the divorced Spouse shall be entitled (upon request) to a conversion policy, without evidence of insurability, upon submission of an application of insurance made to the Corporation within sixty (60) days following the divorce decree and upon payment of the appropriate Premium. Any probationary periods set forth in the conversion policy that had previously been met under this Policy shall be considered as being met to the extent that such probationary periods were met under this Policy.

B. CONTINUATION OF COVERAGE FOR A NON-INCAPACITATED DEPENDENT CHILD

If a non-incapacitated Child covered under this Policy is no longer eligible because of reaching the maximum age limit, such Child may apply for a new policy upon the attainment of the limiting age. The Child is entitled to have issued to him or her, without evidence of insurability, upon application made to the Corporation within thirty-one (31) days following the attainment of the age and upon payment of the appropriate Premium, an individual policy of accident and health insurance, as applicable. The policy shall provide the coverage then being issued by the Corporation which is closest to, but not greater than, the terminated coverage. Any probationary or waiting period set forth in the policy must be considered as met to the extent coverage was in force under the prior Policy. Contact the Corporation for more information.

C. VOLUNTARY MEDIGAP

The Corporation will make voluntary rated health insurance coverage available to any currently insured Student for up to three (3) months from the time the Student either graduates from or discontinues enrollment at a Member Institution.

Premiums for voluntary rated plans are subject to be paid by the Student directly to the Corporation.

ARTICLE VIII – SUBROGATION AND REIMBURSEMENT

A. SUBROGATION

The Member agrees, as a condition of receiving Benefits, to transfer to the Corporation all rights to recover for the amount paid for such Benefits when the need for Benefits results from an injury occurring through the act or omission of a third party (including another person, firm, corporation, organization or business entity). The Corporation shall be subrogated, at its expense, to the rights of recovery of such Member against any third party who is liable, responsible or otherwise makes a payment for the injury.

B. REIMBURSEMENT

The Member agrees, as a condition of receiving Benefits, to reimburse the Corporation for the amount paid for Benefits which are related to an injury caused by an act or omission of a liable third party when the Member receives a settlement, judgment or other payment relating to the injury from another person, firm, corporation, organization or business entity. However, under no circumstances will the amount of reimbursement exceed the amount of the Member's recovery.

For purposes of this Article, a liable third party and/or liable insurance coverage include parties and coverages that are responsible or otherwise make a payment for the Member's injury even though liability or other culpability may be denied.

C. GENERAL PROVISIONS

The Corporation's subrogation/reimbursement rights apply to any judgment and/or settlement proceeds received by the Member from or on behalf of the liable third party.

The Corporation's subrogation/reimbursement interest extends to all Benefits paid or payable relating to the injury even if claims for those Benefits were not submitted to the Corporation for payment at the time the Member received the settlement, judgment or payment.

The Corporation's right of recovery may be from the liable third party, any liability or other insurance covering the liable third party, malpractice insurance, the Member's own uninsured motorist insurance and/or underinsured motorist insurance.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Corporation of an injury for which another party may be liable, legally responsible or otherwise makes a payment in connection with the injuries;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;
3. Deliver to the Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injuries within ninety (90) days of being requested to do so;
4. Authorize the Corporation to sue, compromise and settle in the Member's name to the extent of the amount of medical or other Benefits paid for the injuries under the Policy and the expenses incurred by the Corporation in collecting this amount and assign to the Corporation the Member's rights to recovery when this provision applies;
5. Include the amount paid for Benefits as a part of the damages sought against a liable third party and/or liability insurance company;
6. Immediately reimburse the Corporation, out of any recovery made from a liable third party, the amount of medical Benefits paid for the injuries by the Corporation up to the amount of the recovery;
7. Immediately notify the Corporation in writing of any proposed settlement and obtain the Corporation's written consent before signing any release or agreeing to any settlement; and,
8. Cooperate fully with the Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Corporation.

ARTICLE IX - WORKERS' COMPENSATION PROVISION

This Policy does not provide benefits for diagnosis, treatment or other service for any injury or illness that is sustained by a Member that arises out of, in connection with, or as the result of, any work for wage or profit when coverage under any Workers' Compensation Act or similar law is required or is otherwise available for the Member.

Although treatment for work-related or alleged work-related injuries or illness is excluded under this Policy, the Corporation may, in its discretion, agree to extend coverage to a Member for the injury or illness. In this instance, the Member agrees, as a condition of receiving Benefits, to reimburse the Corporation in full from any workers' compensation recovery as described herein.

As a condition of receiving Benefits, the Member must:

1. Immediately notify the Corporation of an injury or illness for which the Member's Member Institution and/or Member Institution's Workers' Compensation carrier may be liable, legally responsible or otherwise makes a payment in connection with the injuries or illness;
2. Execute and deliver an accident questionnaire within one hundred eighty (180) days of the accident questionnaire being mailed to the Member;

3. Deliver to the Corporation a copy of the police report, incident or accident report or any other reports issued as a result of the injury or illness within ninety (90) days of being requested to do so;
4. Assert a claim or lawsuit against the Member Institution and/or Member Institution's Workers' Compensation carrier or any other insurance coverage to which the Member may be entitled;
5. Include the amount paid for Benefits as a part of the damages sought against the Member's Member Institution and/or Member Institution Workers' Compensation carrier or Second Injury Fund;
6. Immediately notify the Corporation in writing of any proposed settlement and obtain the Corporation's written consent before signing any release or agreeing to any settlement; and,
7. Cooperate fully with the Corporation in its exercise of its rights under this provision, do nothing that would interfere with or diminish those rights and furnish any information required by the Corporation.

The Corporation has discretion to determine whether claims for Benefits submitted to the Corporation are related to the injuries or illness to the extent this provision applies. If the Corporation pays Benefits for an injury or illness and the Corporation determines the Member also received a recovery from the Member Institution and/or Member Institution's Workers' Compensation carrier by means of a settlement, judgment or other payment for the same injury or illness, the Member shall reimburse the Corporation from the recovery for all Benefits paid by the Corporation relating to the injury or illness. However, under no circumstances shall the Member's reimbursement to the Corporation exceed the amount of such recovery.

If the Member receives a recovery from the Member Institution and/or Member Institution's Workers' Compensation carrier, the Corporation's right of reimbursement from the recovery will be applied even if: liability is denied, disputed or is made by means of a compromised, doubtful and disputed, clincher or other settlement; no final determination is made that the injury or illness was sustained in the course of or resulted from the Member's employment; the amount of workers' compensation benefits due to medical or healthcare is not agreed upon or defined by the Member, Member Institution or the Workers' Compensation carrier; or the medical or healthcare benefits are specifically excluded from the settlement or compromise.

ARTICLE X - CLAIMS FILING AND APPEAL PROCEDURES

A. CLAIMS FILING PROCEDURES

1. When a Participating Provider renders services, generally, the Participating Provider should either file the claim on the Member's behalf or provide an electronic means for the Member to file a claim while the Member is in the Participating Provider's office. However, the Member is responsible for ensuring that the claim is filed.
2. Written notice of receipt of services on which a claim is based must be furnished to the Corporation, at its address on the Identification Card, within twenty (20) days of the beginning of services or as soon thereafter as is reasonably possible. Failure to give notice within the time does not invalidate nor reduce any claim if the Member can show that it was not reasonably possible to give the notice within the required time frame and if notice was given as soon as reasonably possible. Upon receipt of the notice, the Corporation will furnish or cause a claim form to be furnished to the Member. If the claim form is not furnished within fifteen (15) days after the Corporation receives the notice, the Member will be deemed to have complied with the requirements of this Policy as to proof of loss. The Member must submit written proof covering the character and extent of the services within the time fixed for filing proof of loss.

3. For Benefits not provided by a Participating Provider, the Member is responsible for filing claims with the Corporation. When filing the claims, the Member will need the following:
 - a. A claim form for each Member. Members can get claim forms from a Member services representative at the telephone number indicated on the Identification Card or via the Corporation's website, www.SouthCarolinaBlues.com.
 - b. Itemized bills from the Provider(s). These bills should contain all the following:
 - i. Provider's name and address;
 - ii. Member's name and date of birth;
 - iii. Member's Identification Card number;
 - iv. Description and cost of each service;
 - v. Date that each service took place; and,
 - vi. Description of the illness or injury and diagnosis.
 - c. Members must complete each claim form and attach the itemized bill(s) to it. If a Member has other insurance that already paid on the claim(s), the Member should also attach a copy of the other Plan's explanation of benefits notice.
 - d. Members should make copies of all claim forms and itemized bills for the Member's records since they will not be returned. Claims should be mailed to the Corporation's address listed on the claim form.
4. The Corporation must receive the claim within ninety (90) days after the beginning of services. Failure to file the claim within the ninety (90) day period, however, will not prevent payment of Covered Expenses if the Member shows that it was not reasonably possible to file the claim timely, provided the claim is filed as soon as is reasonably possible. Except in the absence of legal capacity, claims must be filed no later than fifteen (15) months following the date services were received.
5. Receipt of a claim by the Corporation will be deemed written proof of loss and will serve as written authorization from the Member to the Corporation to obtain any medical or financial records and documents useful to the Corporation. The Corporation, however, is not required to obtain any additional records or documents to support payment of a claim and is responsible to pay claims only on the basis of the information supplied at the time the claim was processed. Any party who submits medical or financial reports and documents to the Corporation in support of a Member's claim will be deemed to be acting as the agent of the Member. If the Member desires to appoint an Authorized Representative in connection with such Member's claims, the Member should contact the Corporation for an Authorized Representative form.

6. There are four (4) types of claims: Pre-Service Claims, Urgent Care Claims, Post-Service Claims and Concurrent Care Claims. The Corporation will make a determination for each type of claim within the following time periods:
- a. Pre-Service Claim.
 - i. A determination will be provided in writing or in electronic form within a reasonable period of time, appropriate to the medical circumstances, but no later than fifteen (15) days from receipt of the claim.
 - ii. If a Pre-Service Claim is improperly filed or otherwise does not follow applicable procedures, the Member will be sent notification within five (5) days of receipt of the claim.
 - iii. An extension of fifteen (15) days is permitted if the Corporation determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial fifteen (15) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article X(B) for details regarding the appeals process.
 - b. Urgent Care Claim.
 - i. A determination will be sent to the Member in writing or in electronic form as soon as possible, taking into account the medical exigencies, but no later than seventy-two (72) hours from receipt of the claim.
 - ii. If the Member's Urgent Care Claim is determined to be incomplete, the Member will be sent a notice to this effect within twenty-four (24) hours of receipt of the claim. The Member will then have forty-eight (48) hours to provide the additional information. Failure to provide the additional information within forty-eight (48) hours may result in the denial of the claim.
 - iii. If the Member requests an extension of urgent care Benefits beyond an initially determined period and makes the request at least twenty-four (24) hours prior to the expiration of the original determination period, the Member will be notified within twenty-four (24) hours of receipt of the request for an extension.
 - c. Post-Service Claim.
 - i. A determination will be sent within a reasonable time period but no later than thirty (30) days from receipt of the claim.

- ii. An extension of fifteen (15) days may be necessary if the Corporation determines that, for reasons beyond the control of the Corporation, an extension is necessary. If an extension is necessary, the Corporation will notify the Member within the initial thirty (30) day time period that an extension is necessary, the circumstances requiring the extension and the date the Corporation expects to render a determination. If the extension is necessary to request additional information, the extension notice will describe the required information. The Member will have at least forty-five (45) days to provide the required information. If the Corporation does not receive the required information within the forty-five (45) day time period, the claim will be denied. The Corporation will make its determination within fifteen (15) days of receipt of the requested information or, if earlier, the deadline to submit the information. If the Corporation receives the requested information after the forty-five (45) days but within two hundred twenty-five (225) days, the claim will be reviewed as a first level appeal. Reference Article X(B) for details regarding the appeals process.

d. Concurrent Care Claim.

The Member will be notified if there is to be any reduction or termination in coverage for ongoing care sufficiently in advance of such reduction or termination to allow the Member time to appeal the decision before the Benefits are reduced or terminated.

7. Notice of Determination.

- a. If the Member's claim is filed properly, and the claim is in part or wholly denied, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, health care provider, claim amount (if applicable), and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State the specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim;
 - iii. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the Member's claim;
 - iv. Reference the specific Policy provisions on which the determination is based;
 - v. Describe additional material or information, if any, needed to complete the claim and the reasons such material or information is necessary;
 - vi. Describe the claims review procedures and this Policy and the time limits applicable to such procedures;
 - vii. If the reason for denial is based on a lack of Medical Necessity or Investigational or Experimental Services exclusion or similar limitation, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Disclose any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);

- ix. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals; and,
 - x. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act to assist individuals with the internal claims and appeals and external review processes.
- b. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings, associated with the Adverse Benefit Determination.
 - c. No decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of benefits.
 - d. The Member will also receive a notice if the claim is approved.

B. APPEAL PROCEDURES FOR AN ADVERSE BENEFIT DETERMINATION

1. The Member has one hundred eighty (180) days from receipt of an Adverse Benefit Determination to file an appeal. An appeal must meet the following requirements:
 - a. An appeal must be in writing;
 - b. An appeal must be sent (via U.S. mail) to BlueCross BlueShield of South Carolina at the address on the Member's Identification Card;
 - c. The appeal request must state that a formal appeal is being requested and include all pertinent information regarding the claim in question; and,
 - d. An appeal must include the Member's name, address, identification number and any other information, documentation or materials that support the Member's appeal.
2. The Member may submit written comments, documents or other information in support of the appeal and will (upon request) have access to all documents relevant to the claim. A person other than the person who made the initial decision will conduct the appeal. No deference will be afforded to the initial determination.
3. The Member must raise all issues and grounds for appealing an Adverse Benefit Determination at every stage of the appeals process or such issues and grounds will be deemed permanently waived.
4. If the appealed claim involves an exercise of medical judgment, the Corporation will consult with an appropriately qualified healthcare practitioner with training and experience in the relevant field of medicine. If a healthcare professional was consulted for the initial determination, a different healthcare professional will be consulted on the appeal.
5. The Corporation will make a final decision on the appeal within the time periods specified below:
 - a. Pre-Service Claim.

The Corporation will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than thirty (30) days after receipt of the appeal.

b. Urgent Care Claim.

The Member may request an expedited appeal of an Urgent Care Claim. This expedited appeal request may be made orally, and the Corporation will communicate with the Member by telephone or facsimile. The Corporation will decide the appeal within a reasonable period of time, taking into account the medical circumstances, but no later than seventy-two (72) hours after receipt of the request for an expedited appeal.

c. Post-Service Claim.

The Corporation will decide the appeal within a reasonable period of time but no later than sixty (60) days after receipt of the appeal.

d. Concurrent Care Claim.

The Corporation will decide the appeal of Concurrent Care Claims within the time frames set forth in Article X(B)(4)(a-c) depending on whether such claim is also a Pre-Service Claim, an Urgent Care Claim or a Post-Service Claim.

6. Notice of Appeals Determination.

- a. If a Member's appeal is denied in whole or in part, the Member will receive notice of an Adverse Benefit Determination, in a culturally and linguistically appropriate manner, that will:
 - i. Include information sufficient to identify the claim involved (including date of service, health care provider, claim amount (if applicable), and a statement describing the availability, upon request, of the diagnosis and treatment codes and their corresponding meanings;
 - ii. State specific reason(s) for the Adverse Benefit Determination, including the denial code and its corresponding meaning, as well as a description of the standard (if any) that was used in denying the claim and a discussion of the decision;
 - iii. Reference specific provision(s) of this Policy on which the benefit determination is based;
 - iv. State that the Member is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the claim for Benefits;
 - v. Describe any voluntary appeal procedures offered by the Corporation and the Member's right to obtain such information;
 - vi. Disclose any internal rule, guideline, or protocol relied on in making the Adverse Benefit Determination (or state that such information will be provided free of charge upon request);
 - vii. If the reason for an Adverse Benefit Determination on appeal is based on a lack of Medical Necessity, Investigational or Experimental Services or other limitation or exclusion, explain the scientific or clinical judgment for the determination (or state that such information will be provided free of charge upon request);
 - viii. Provide a description of available internal appeals and external review processes, including information regarding how to initiate such appeals; and,

- ix. Disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under section 2793 of the Public Health Service Act to assist individuals with the internal claims and appeals and external review processes.
- b. The Member will also receive, free of charge, any new or additional evidence considered, relied upon, or generated in connection with the claim. This evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of Adverse Benefit Determination is received, to give the Member a reasonable opportunity to respond prior to that date.
- c. If the Adverse Benefit Determination is based on a new or additional rationale, then the Member will be provided with the rationale, free of charge. The rationale will be provided as soon as possible and sufficiently in advance of the date of the Adverse Benefit Determination to give the Member a reasonable opportunity to respond prior to that date.
- d. The Member will be provided, as soon as practicable upon request, the diagnosis and treatment codes and their corresponding meanings, associated with the Adverse Benefit Determination.
- e. No decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual will be made based upon the likelihood that the individual will support the denial of benefits.
- f. The Member will also receive a notice if the claim on appeal is approved.

C. EXTERNAL REVIEW PROCEDURES

1. After a Member has completed the appeal process, a Member may be entitled to an additional, external review of the Member's claim at the Corporation's expense. An external review may be used to reconsider the Member's claim if the Corporation has denied, either in whole or in part, the Member's claim. In order to qualify for external review, the termination or denial or reduction of the claim must be related to:
 - a. Medical Necessity, appropriateness, healthcare setting, level of care or effectiveness of a Benefit;
 - b. An Investigational or Experimental service that involves a life-threatening or seriously disabling condition; or,
 - c. Administration of the provisions related to cost-sharing and surprise billing protections for emergency or air ambulance services by Non-Participating Providers and care provided by Non-Participating Providers at certain Participating Provider facilities.

2. After a Member has completed the appeal process (and an Adverse Benefit Determination has been made), such Member will be notified in writing of such Member's right to request an external review. The Member should file a written request for external review within four (4) months of receiving the notice of the Corporation's decision on the Member's appeal. In order to receive an external review, the Member will be required to authorize the release of such Member's medical records (if needed in the review for the purpose of reaching a decision on Member's claim). If a Member needs assistance during the external review process, the Member may contact the South Carolina Department of Insurance (DOI) at the following address and telephone number:

South Carolina Department of Insurance
P.O. Box 100105
Columbia, S.C. 29202-3105
800-768-3467

3. Within five (5) business days of a Member's request for an external review, the Corporation will respond by either:
 - a. Notifying the DOI of a request for external review and requesting the DOI assign the review to an independent review organization and then forward the Members records to the DOI; or,
 - b. Notifying the Member in writing that the Member's request does not meet the requirements for an external review and the reasons for the Corporation's decision.
4. The external review organization will take action on the Member's request for an external review within forty-five (45) days after it receives the request for external review from the Corporation.
5. Expedited external reviews are available if the Member's Provider certifies that the Member has a Serious Medical Condition. A serious medical condition, as used in this Article X(C)(5), means one that requires immediate medical attention to avoid serious impairment to body functions, serious harm to an organ or body part, or that would place the Member's health in serious jeopardy. If the Member may be held financially responsible for the treatment, a Member may request an expedited review of the Corporation's decision if the Corporation's denial of Benefits involves Emergency Services and the Member has not been discharged from the treating Hospital. The independent review organization will be assigned as expeditiously as reasonably possible and must make its decision within seventy-two (72) hours after it receives the request for expedited review.

ARTICLE XI - GENERAL PROVISIONS

AMENDMENT

Upon thirty (30) days prior written notice, the Corporation may unilaterally amend this Policy when required by federal or state law. Increases in the Benefits provided or decreases in the Premium are effective without such prior notice. Upon thirty-one (31) days' notice, the Corporation may increase the Premium. Notice of an amendment will be effective when addressed to the Member Institution or SCSHIC. The Corporation has no responsibility to provide individual notices to each Member when an amendment to this Policy has been made.

AUTHORIZED REPRESENTATIVES

A Provider may be considered a Member's Authorized Representative without a specific designation by the Member when the Preauthorization request is for Urgent Care Claims. A Provider may be a Member's Authorized Representative with regard to non-Urgent Care Claims only when the Member gives the Corporation or the Provider a specific designation, in a format that is reasonably acceptable to the Corporation to act as an Authorized Representative. If the Member has designated an Authorized Representative, all information and notifications will be directed to that representative unless the Member gives contrary directions.

BLUECARD PROGRAM

I. Out-of-Area Services

Overview

The Corporation has a variety of relationships with other Blue Cross and/or Blue Shield Licensees, referred to generally as "Inter-Plan Arrangements." These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever Members access healthcare services outside the geographic area the Corporation serves, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described generally below.

Typically, when accessing care outside the geographic area the Corporation serves, Members obtain care from healthcare Providers that have a contractual agreement ("Participating Providers") with the local Blue Cross and/or Blue Shield Licensee in that other geographic area ("Host Blue"). In some instances, Members may obtain care from healthcare Providers in the Host Blue geographic area that do not have a contractual agreement ("Non-Participating Providers") with the Host Blue. The Corporation will remain responsible for fulfilling our contractual obligations to you. The Corporation's payment practices in both instances are described below.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits except when paid as medical claims/Benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party.

A. BlueCard® Program

The BlueCard® Program is an Inter-Plan Arrangement. Under this Arrangement, when Members access covered healthcare services within the geographic area served by a Host Blue, the Host Blue will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard Program are described generally below.

Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Member liability on claims for covered healthcare services will be based on the lower of the Participating Provider's billed covered charges or the negotiated price made available to the Corporation by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare Provider contracts. The negotiated price made available to the Corporation by the Host Blue may be represented by one of the following:

- (i) An actual price. An actual price is a negotiated rate of payment in effect at the time a claim is processed without any other increases or decreases; or
- (ii) An estimated price. An estimated price is a negotiated rate of payment in effect at the time a claim is processed, reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other claim- and non-claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a claim-specific basis, retrospective settlements and performance-related bonuses or incentives; or
- (iii) An average price. An average price is a percentage of billed covered charges in effect at the time a claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare Providers or a similar classification of its Providers and other claim- and non-claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over-or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for claims already paid or anticipated to be paid to Providers or refunds received or anticipated to be received from Providers). However, the BlueCard Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past claims. The method of claims payment by Host Blues is taken into account by the Corporation in determining your Premiums.

B. Special Cases: Value-Based Programs

BlueCard Program

The Corporation has included a factor for bulk distributions from Host Blues in the Member Institution's Premium for Value-Based Programs when applicable under this contract.

If the Member receives covered healthcare services under a Value-Based Program inside a Host Blue's service area, the Member will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Corporation through average pricing or fee schedule adjustments.

C. Return of Overpayments

Recoveries of overpayments/from a Host Blue or its Participating and Non-Participating Providers can arise in several ways, including, but not limited to, anti-fraud and abuse recoveries, audits/healthcare Provider/hospital bill audits, credit balance audits, utilization review refunds and unsolicited refunds. Recoveries will be applied/ so that corrections will be made, in general, on either a claim-by-claim or prospective basis. If recovery amounts are passed on a claim-by-claim basis from a Host Blue to the Corporation, they will be credited to the Member Institution's account. In some cases, the Host Blue will engage a third party to assist in identification or collection of recovery amounts. The fees of such a third party may be charged to the Member Institution as a percentage of the recovery.

D. Inter-Plan Programs: Taxes/Surcharges/Fees

In some instances laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, the Corporation will include any such surcharge, tax or other fee in determining the Member Institution's Premium.

E. Non-Participating Providers Outside the Corporation's Service Area

1. Member Liability Calculation

When covered healthcare services are provided outside of the Corporation's service area by Non-Participating Providers, the amount(s) a Member pays for such services will generally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable law. In these situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment the Corporation will make for the covered services as set forth in this paragraph. Payments for out-of-network emergency services are governed by applicable law.

2. Exceptions

In some exception cases, the Corporation may pay claims from Non-Participating Providers outside of the Corporation's service area based on the Provider's billed charge. This may occur in situations where a Member did not have reasonable access to a Participating Provider, as determined by the Corporation in the Corporation's sole and absolute discretion or by applicable law. In other exception cases, the Corporation may pay such claims based on the payment the Corporation would make if the Corporation were paying a Non-Participating Provider inside of the Corporation's service area. This may occur where the Host Blue's corresponding payment would be more than the Corporation's in-service area Non-Participating Provider payment. The Corporation may choose to negotiate a payment with such a Provider on an exception basis.

Unless otherwise stated, in any of these exception situations, the Member may be responsible for the difference between the amount that the Non-Participating Provider bills and payment the Corporation will make for the covered services as set forth in this paragraph.

F. Blue Cross Blue Shield Global Core[®] Program

- **General Information**

If Members are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (hereinafter: "BlueCard service area"), they may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing covered healthcare services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists Members with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when Members receive care from Providers outside the BlueCard service area, the Members will typically have to pay the Providers and submit the claims themselves to obtain reimbursement for these services.

- **Inpatient Services**

In most cases, if Members contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require Members to pay for covered inpatient services, except for their cost-share amounts/Benefit Year Deductibles, Coinsurance, etc. In such cases, the hospital will submit Member claims to the Blue Cross Blue Shield Global Core Service Center to initiate claims processing. However, if the Member paid in full at the time of service, the Member must submit a claim to obtain reimbursement for covered healthcare services.

- **Outpatient Services**

Physicians, urgent care centers and other outpatient Providers located outside the BlueCard service area will typically require Members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for covered healthcare services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When Members pay for covered healthcare services outside the BlueCard service area, they must submit a claim to obtain reimbursement. For institutional and professional claims, Members should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center address on the form to initiate claims processing. The claim form is available from the Corporation, the Blue Cross Blue Shield Global Core Service Center or online at www.bluecardworldwide.com. If Members need assistance with their claim submissions, they should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

CLERICAL ERRORS

Clerical errors by the Corporation will not cause a denial of Benefits that should otherwise have been granted, nor will clerical errors extend Benefits that should otherwise have ended.

CONTINUATION OF CARE

If a Participating Provider's contract ends or is not renewed for any reason other than fraud or a failure to meet applicable quality standards or this Contract is terminated and the Member is a Continuing Care Patient, the Member may be eligible to continue to receive in-network Benefits from that Provider with respect to the course of treatment relating to the Member's status as a Continuing Care Patient.

In order to receive this Continuation of Care, the Member must submit a request to the Corporation on the appropriate form. Upon receipt of the request, the Corporation will notify the Member and the Provider of the last date the Provider is part of the network and a summary of Continuation of Care requirements. The Corporation will review the request to determine qualification for the Continuation of Care. If additional information is necessary to make a determination, the Corporation may contact the Member or the Provider for such information. If the Corporation approves the request, in-network Benefits for that Provider will be provided, with respect to the course of treatment relating to the Member's status as a Continuing Care Patient, for ninety (90) days or until the date the Member is no longer a Continuing Care Patient for the Provider. During this time, the Provider will accept the network allowance as payment in full. Continuation of Care is subject to all other terms and conditions of this Contract, including regular Benefit limits.

EXAMINATION AND SURRENDER OF POLICY FOR RETURN OF PREMIUM

Each Student is entitled to thirty (30) days from the date of the receipt of the Policy to examine its provisions and may for any reason surrender the Policy to the Corporation. Any Premium advanced by the Student, upon appropriate surrender as provided herein, must be immediately returned in full by the Corporation to the Student.

GOVERNING LAW

This Policy (including the Schedule of Benefits) is governed by and subject to applicable federal law. If and to the extent that federal law does not apply, this Policy is governed by and subject to the laws of the State of South Carolina. If federal law conflicts with any state law, then such federal law shall govern. If any provision of this Policy conflicts with such law, this Policy shall automatically be amended solely as required to comply with such state or federal law, and the Corporation shall be entitled to adjust the Premium upon thirty-one (31) days written notice.

IDENTIFICATION CARD

A Member must present the Member's Identification Card prior to receiving Benefits.

Identification Cards are for identification only. Having an Identification Card creates no right to Benefits or other services. To be entitled to Benefits, the cardholder must be a Member whose Premium has been paid. Any person receiving Covered Expenses to which the person is not entitled will be responsible for the charges.

INCONTESTABILITY

The validity of this Policy may not be contested after it has been in force for two (2) years from its date of issue. No statement relating to insurability, except fraudulent misstatements, made by any Member may be used in contesting the validity of the coverage with respect to which the statement was made after the coverage has been in force for a period of two (2) years unless it is contained in a written instrument signed by the person making the statement. The provision does not preclude assertion at any time of defenses based upon the person's ineligibility for coverage under the Policy or upon other provision in the Policy.

INFORMATION AND RECORDS

The Corporation is entitled to obtain records and other information as it may reasonably require from any Member or Provider incident to the treatment, payment and healthcare operations for the administration of the Benefits hereunder. This includes medical and Hospital records, the Provider's certification as to the Medical Necessity for care or treatment and/or any other requested documentation or information. Payment for Benefits may be denied until the requested records, documentation or information is received.

LEGAL ACTIONS

No Member may bring an action at law or in equity to recover on this Policy within sixty (60) days after written proof of loss has been given as set forth in Article X of this Policy. No such action may be brought after six (6) years after the time written proof of loss is required to be furnished.

MEMBERSHIP APPLICATION

The Corporation will only accept a Membership Application submitted by the Member Institution on behalf of its Students and Dependents. The Corporation will not accept Membership Applications directly from Students or Dependents.

NEGLIGENCE OR MALPRACTICE

The Corporation does not practice medicine. Any medical treatment, service or Medical Supplies rendered to or supplied to any Member by a Provider is rendered or supplied by such Provider and not by the Corporation. The Corporation is not liable for any improper or negligent act, inaction or act of malfeasance of any Provider in rendering such medical treatment, service, Medical Supply or medication.

NOTICES

Except as otherwise provided in this Policy, any notice under this Policy may be given by United States registered or certified mail, postage paid, return receipt requested or nationally recognized carrier and addressed:

P.O. Box 100300
Columbia, South Carolina 29202

3. To the Member Institution or SCSHIC: To the name and address last given to the Corporation. The Member Institution and SCSHIC are responsible for notifying the Corporation of any name or address change within thirty-one (31) days of the change.

NO WAIVER OF THE CORPORATION'S RIGHTS

On occasion, the Corporation may, at its option, choose not to enforce all of the terms and conditions of this Policy. Such a decision does not mean the Corporation waives or gives up any rights under this Policy in the future.

OTHER INSURANCE

Each Member must provide the Corporation with information regarding all other health insurance coverage to which such Member is entitled.

PAYMENT OF CLAIMS

The Corporation may pay all Benefits directly to the Member upon receipt of due proof of loss when a Non-Participating Provider renders services. When payment is made directly to the Member, the Member is responsible for any payment to the Provider. Where a Member has received Benefits from a Participating Provider, the Corporation will pay Benefits directly to such Participating Provider. Benefits unpaid at death may be paid, at the Corporation's option, either to the Member's beneficiary or estate.

PHYSICAL EXAMINATION AND AUTOPSY

The Corporation has the right to have examined, at its own expense, a Member whose injury or sickness is the basis of a claim (whether a Pre-Service Claim, Post-Service Claim, Concurrent Care Claim or Urgent Care Claim). Such physical examination may be made as often as the Corporation may reasonably require while such claim for Benefits or request for Preauthorization is pending. In cases of death of the Member, the Corporation, at its own expense, also may have an autopsy performed during the period of contestability unless prohibited by law. The autopsy must be performed in South Carolina.

TIME OF PAYMENT OF CLAIM

The Corporation will pay completed claims received via paper within forty (40) business days and completed electronic claims within twenty (20) business days following the later of:

1. The date the claim is received; or,
2. The date on which the Corporation receives all of the information needed in the format required for the claim to constitute a "clean" claim as defined in the South Carolina Health Care Financial Recovery and Protection Act.
