Doctor’s Office or Student Health Center (if available)

Your own doctor’s office may be the best place to go or nonemergency care, such as health exams, routine shots, colds, flu and minor injuries. When you’re on campus, the Student Health Center is another option for this type of care. **Check with your Student Health Center for available services.**

Good for: health exams, shots, cough, sore throat

Average Wait: check with office

Cost: in network \$ out of network \$\$

Retail Health Clinic

When you can’t get to your regular doctor, walk-in clinics—available in many retail stores—can be a lower-cost choice for care. Some may even see patients evenings, weekends and holidays.

Good for: headache, stomach ache, sinus pain

Average Wait: check with clinic

Cost: in network \$ out of network \$\$

Urgent Care Center

These centers offer non-emergency care when your doctor's office isn't open evenings, weekends or holidays. Some may offer online booking.

Good for: back pain, vomiting, animal bite, asthma

Average Wait: often less than ER

Cost: in network \$\$ out of network \$\$\$

Hospital ER

Any life-threatening or disabling health problem is a true emergency. You should go to the nearest ER or call 911.

Good for: chest pain, bleeding, broken bones

Average Wait: varies

Cost: \$\$\$\$

If you need emergency care, call 911 or seek help from any doctor or hospital immediately.

Note: Many health care providers offer telehealth appointments. Ask your preferred provider if they do and if it is appropriate for your condition(s).
