

# Where to Go for Care

CARE OPTIONS

Knowing where to go can make a big difference in the cost of your care — especially when you use providers in your plan’s network.

We make it easy to find in-network providers near you:

- Go to [bcbstx.com](http://bcbstx.com) and click **Find Care**
- For personalized search results, log in or register at [bcbstx.com](http://bcbstx.com) and search in **Blue Access for Members<sup>SM</sup>**
- Call Customer Service at the number on your ID card

### Doctor’s Office or Student Health Center (if available)

Your own doctor’s office may be the best place to go or nonemergency care, such as health exams, routine shots, colds, flu and minor injuries. When you’re on campus, the Student Health Center is another option for this type of care. **Check with your Student Health Center for available services.**

**Good for:** health exams, shots, cough, sore throat

**Average Wait:** check with office

**Cost:** in network \$ out of network \$\$

### Retail Health Clinic

When you can’t get to your regular doctor, walk-in clinics—available in many retail stores—can be a lower-cost choice for care. Some may even see patients evenings, weekends and holidays.

**Good for:** headache, stomach ache, sinus pain

**Average Wait:** check with clinic

**Cost:** in network \$ out of network \$\$

## Urgent Care Center

These centers offer non-emergency care when your doctor's office isn't open evenings, weekends or holidays. Some may offer online booking.

**Good for:** back pain, vomiting, animal bite, asthma

**Average Wait:** often less than ER

**Cost:** in network \$\$ out of network \$\$\$

## Hospital ER

Any life-threatening or disabling health problem is a true emergency. You should go to the nearest ER or call 911.

**Good for:** chest pain, bleeding, broken bones

**Average Wait:** varies

**Cost:** \$\$\$\$

## Make a plan.

Choose your in-network care providers now before a health issue or emergency happens. You'll feel more confident and could save on out-of-pocket costs when you plan ahead. Ask all care providers if they are in your health plan network.

**If you need emergency care, call 911 or seek help from any doctor or hospital immediately.**

**Note:** Many health care providers offer telehealth appointments. Ask your preferred provider if they do and if it is appropriate for your condition(s).

## Need help deciding where to go for care?

**On hand 24 hours a day, seven days a week; bilingual nurses available.**

Call the 24/7 Nurseline at **800-581-0393** for help identifying some options when you or a family member has a health problem or concern.

Members are strongly advised to search and verify the network status of any health care provider or facility before receiving care to avoid unexpected charges. Network participation may change, and it is the member's responsibility to review whether a provider is in network at the time of service.

Examples given for each care scenario are not intended as an exhaustive list. You may seek care and be treated for other conditions or illnesses other than those cited as examples.
