

The University of Oklahoma (OU) - Health Campus Self-Funded Student Health Plan - Fall

Welcome to AcademicBlue, your Student Health Plan

Who can enroll?

As part of the enrollment criteria for The University of Oklahoma Health Campus programs, all students are required to have medical coverage prior to the start of their academic program and coverage must be maintained if the student is enrolled in HSC programs.

The University of Oklahoma Regent's Policy requires students enrolled in HSC programs to submit proof of health insurance to Academic HealthPlans via the Waiver System. You can submit a waiver by going online to ouhsc.myahpcare.com and clicking on the "Waiver" tab. At the beginning of each academic semester or session, and periodically thereafter, students may be asked to show proof of health insurance coverage.

Disabled students: If you are not enrolled as a full-time student, but you have a documented disability and have successfully petitioned the university for full-time status, you may be eligible to enroll in the plan.

Eligible students who enroll may also enroll their spouses and dependents.

This plan is also available to The University of Oklahoma-Tulsa Schusterman Center students in health sciences degree programs (College of Allied Health, College of Nursing, College of Public Health programs and School of Community Medicine (MD and PA)).

Please view the complete policy on-line at ouhsc.myahpcare.com for full details of participation in the plan
