HEALTH PLAN NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Effective February 1, 2026

We[1] are required by law to protect the privacy of your health information. We are also required to provide you this notice, which explains how we may use information about you and when we can give out or "disclose" that information to others. You also have rights regarding your health information that are described in this notice. We are required by law to abide by the terms of this notice.

The terms “information” or “health information” in this notice include information we maintain that reasonably can be used to identify you and that relates to your physical or mental health condition, the provision of health care to you, or the payment for such health care. We will comply with the requirements of applicable privacy laws related to notifying you in the event of a breach of your health information.

We have the right to change our privacy practices and the terms of this notice. If we make a material change to our privacy practices, we will provide to you, in our next annual distribution, either a revised notice or information about the material change and how to obtain a revised notice. We will provide you with this information either by direct mail or electronically, in accordance with applicable law. In all cases, if we maintain a website for your particular health plan, we will post the revised notice on your health plan website. We reserve the right to make any revised notice effective for information we already have and for information that we receive in the future.

UnitedHealth Group collects and maintains oral, written, and electronic information to administer our business and to provide products, services, and information of importance to our enrollees. We maintain physical, electronic, and procedural security safeguards in the handling and maintenance of our enrollees’ information, in accordance with applicable state and federal standards, to protect against risks such as loss, destruction, or misuse.

How We Collect, Use, and Disclose Information

We collect, use, and disclose your health information to provide that information:

- To you or someone who has the legal right to act for you (your personal representative) in order to administer your rights as described in this notice; and

- To the Secretary of the Department of Health and Human Services, if necessary, to confirm we are meeting our privacy obligations.

We may collect, use, and disclose health information for your treatment, to pay for your health care, and to operate our business. For example, we may collect, use, and disclose your health information:

- **For Payment** of premiums owed to us, to determine your health care coverage, and to process claims for health care services you receive, including for coordination of other benefits you may have. For example, we may tell a doctor whether you are eligible for coverage for certain medical procedures and what percentage of the bill may be covered.

- **For Treatment**, including to aid in your treatment or the coordination of your care. For example, we may share information with doctors to help them provide medical care to you.

  For Health Care Operations as necessary to operate and manage our business activities related to providing and managing your health care coverage. For example, we might talk to your physician to suggest a disease management or wellness program that could help improve your health or we may analyze data to determine how we can improve our services. We may also de-identify health information in accordance with applicable laws.

- **To Provide You Information on Health-Related Programs or Products** such as alternative medical treatments and programs or about health-related products and services, subject to limits imposed by law.

- **For Plan Sponsors,** if your coverage is through an employer sponsored group health plan. We may share summary health information and enrollment and disenrollment information with the plan sponsor. We also may share other health information with the plan sponsor for plan administration purposes if the plan sponsor agrees to special restrictions on its use and disclosure of the information in accordance with federal law.

- **For Underwriting Purposes**; however, we will not use or disclose your genetic information for such purposes. For example, we may use some health information, such as age and gender, in risk rating and pricing, as permitted by state and federal regulations. However, we do not use race, ethnicity, language, gender identity, or sexual orientation information in our underwriting process, or for denial of services, coverage, and benefits.

- **For Reminders**, we may collect, use, and disclose health information to send you reminders about your benefits or care, such as appointment reminders with providers who provide medical care to you.

- **For Communications to You** about treatment, payment, or health care operations using telephone numbers or email addresses you provide to us.

We may collect, use, and disclose your health information for the following purposes under limited circumstances and subject to certain requirements:

- **As Required by Law** to follow the laws that apply to us.

- **To Persons Involved with Your Care** or who help pay for your care, such as a family member, when you are incapacitated or in an emergency, or when you agree or fail to object when given the opportunity. If you are unavailable or unable to object, we will use our best judgment to decide if the disclosure is in your best interest. Special rules apply regarding when we may disclose health information about a deceased individual to family members and others. We may disclose health information to any persons involved, prior to the death, in the care or payment for care of a deceased individual, unless we are aware that doing so would be inconsistent with a preference previously expressed by the deceased.

- **For Public Health Activities** such as reporting or preventing disease outbreaks to a public health authority. We may also disclose your information to the Food and Drug Administration (FDA) or persons under the jurisdiction of the FDA for purposes related to safety or quality issues, adverse events, or to facilitate drug recalls.

- **For Reporting Victims of Abuse, Neglect, or Domestic Violence** to government authorities that are authorized by law to receive such information, including a social service or protective service agency.

- **For Health Oversight Activities** to a health oversight agency for activities authorized by law, such as licensure, governmental audits, and fraud and abuse investigations.

- **For Judicial or Administrative Proceedings** such as in response to a court order, search warrant or subpoena.

- **For Law Enforcement Purposes** to a law enforcement official for purposes such as providing limited information to locate a missing person or report a crime.

- **To Avoid a Serious Threat to Health or Safety** to you, another person, or the public, by, for example, disclosing information to public health agencies or law enforcement authorities, or in the event of an emergency or natural disaster.

- **For Specialized Government Functions** such as military and veteran activities, national security and intelligence activities, and the protective services for the President and others.

- **For Workers' Compensation** as authorized by, or to the extent necessary to comply with, state workers compensation laws that govern job-related injuries or illness.

- **For Research Purposes** such as research related to the evaluation of certain treatments or the prevention of disease or disability, if the research study meets federal privacy law requirements, or for certain activities related to preparing a research study.

- **To Provide Information Regarding Decedents** to a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law. We may also use and disclose information to funeral directors as necessary to carry out their duties.

- **For Organ Donation Purposes** to entities that handle procurement, banking or transplantation of organs, eyes, or tissue to facilitate donation and transplantation.

- **To Correctional Institutions or Law Enforcement Officials** if you are an inmate of a correctional institution or under the custody of a law enforcement official, but only if necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.

- **To Business Associates** that perform functions or services on our behalf if the information is necessary for such functions or services. Our business associates are required, under contract with us and pursuant to federal law, to protect the privacy of your information.

- **Additional Restrictions on Use and Disclosure.** Some federal and state laws may require special privacy protections that restrict the use and disclosure of certain sensitive health information, including:

    1. Alcohol and Substance Use Disorder
    2. Biometric

We follow the more stringent and protective law, where it applies to us. For example, if we receive information about you through a limited consent you provided to a federally-assisted substance use disorder treatment program ("Part 2 Program"), we will honor the permission you provide and continue to comply with 42 CFR Part 2. If your consent permits our use and disclosure for all future treatment, payment, and health care operations purposes, we may use or disclose that information for those purposes and otherwise use and disclose that information in accordance with the Health Insurance

Portability and Accountability Act of 1996 (HIPAA). In no event will we use or disclose your Part 2 Program information in legal proceedings against you without your written consent or a court order after you have been notified and provided an opportunity to be heard.

Except for uses and disclosures described in this notice, we will use and disclose your health information only with a written authorization from you. This includes, except for limited circumstances allowed by federal privacy law, not using or disclosing psychotherapy notes about you, selling your health information to others, or using or disclosing your health information for certain marketing communications, without your written authorization. Once you give us authorization to use or disclose your health information, you may take back or "revoke" your written authorization at any time in writing, except if we have already acted based on your authorization. For information on how to revoke your authorization, contact the phone number listed on your health plan ID card. This accounting will not include disclosures of information made: (i) for treatment, payment, and health care operations purposes; (ii) to you or pursuant to your authorization; (iii) to correctional institutions or law enforcement officials; and (iv) other disclosures for which federal law does not require us to provide an accounting. Any request for an accounting must be made in writing.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
  - Up to $500,000 for health benefit plans, with some exceptions.
  - Up to $300,000 for disability income benefits.
  - Up to $300,000 for long-term care insurance benefits.
  - Up to $200,000 for all other types of health insurance.

- **Life insurance:**
  - Up to $100,000 in net cash surrender or withdrawal value.
  - Up to $300,000 in death benefits.

- **Individual annuities:** Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

- **Individual aggregate limit:** Up to $300,000 per person, regardless of the number of policies or contracts. A limit of $500,000 may apply for people with health benefit plans.

- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

To learn more about the Association and your protections, contact:	For questions about insurance, contact:

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.

Chapter 463 controls if there are differences between the law and this summary.

NOTICE OF CERTAIN MANDATORY BENEFITS

This notice is to advise you of certain coverage and/or benefits provided by your coverage with UnitedHealthcare Insurance Company.

Mastectomy or Lymph Node Dissection

Minimum Inpatient Stay: If due to treatment of breast cancer, any person covered by this plan has either a mastectomy or a lymph node dissection, this plan will provide coverage for inpatient care for a minimum of:

(a) 48 hours following a mastectomy, and

(b) 24 hours following a lymph node dissection.

The minimum number of inpatient hours is not required if the covered person receiving the treatment and the attending physician determine that a shorter period of inpatient care is appropriate.

Prohibitions: We may not (a) deny any covered person eligibility or continued eligibility or fail to renew this plan solely to avoid providing the minimum inpatient hours; (b) provide money payments or rebates to encourage any covered person to accept less than the minimum inpatient hours; (c) reduce or limit the amount paid to the attending physician, or otherwise penalize the physician, because the physician required a covered person to receive the minimum inpatient hours; or (d) provide financial or other incentives to the attending physician to encourage the physician to provide care that is less than the minimum hours.

Coverage and/or Benefits for Reconstructive Surgery After Mastectomy

Coverage and/or benefits are provided to each covered person for reconstructive surgery after mastectomy, including:

(a) all stages of the reconstruction of the breast on which mastectomy has been performed;

(b) surgery and reconstruction of the other breast to achieve a symmetrical appearance; and

(c) prostheses and treatment of physical complications, including lymphedemas, at all stages of mastectomy.

The coverage and/or benefits must be provided in a manner determined to be appropriate in consultation with the covered person and the attending physician.

This coverage will be subject to the deductible, coinsurance and/or copay as any other sickness or injury.

Prohibitions: We may not (a) offer the covered person a financial incentive to forego breast reconstruction or waive the coverage and/or benefits shown above; (b) condition, limit, or deny any covered person's eligibility or continued eligibility to enroll in the plan or fail to renew this plan solely to avoid providing the coverage and/or benefits shown above; or (c) reduce or limit the amount paid to the physician or provider, nor otherwise penalize, or provide a financial incentive to induce the physician or provider to provide care to a covered person in a manner inconsistent with the coverage and/or benefits shown above.

Examinations for Detection of Prostate Cancer

Benefits are provided for each covered male for an annual medically recognized diagnostic examination for the detection of prostate cancer. Benefits include:

(a) a physical examination for the detection of prostate cancer; and

(b) a prostate-specific antigen test for each covered male who is

(1) at least 50 years of age; or

(2) at least 40 years of age with a family history of prostate cancer or other prostate cancer risk factor.

Inpatient Stay following Birth of a Child

For each person covered for maternity/childbirth benefits, we will provide inpatient care for the mother and her newborn child in a health care facility for a minimum of:

(a) 48 hours following an uncomplicated vaginal delivery, and

(b) 96 hours following an uncomplicated delivery by cesarean section.

This benefit does not require a covered female who is eligible for maternity/childbirth benefits to (a) give birth in a hospital or other health care facility or (b) remain in a hospital or other health care facility for the minimum number of hours following birth of the child.

If a covered mother or her newborn child is discharged before the 48 or 96 hours has expired, we will provide coverage for postdelivery care. Postdelivery care includes parent education, assistance and training in breast-feeding and bottle-feeding and the performance of any necessary and appropriate clinical tests. Care will be provided by a physician, registered nurse or other appropriate licensed health care provider, and the mother will have the option of receiving the care at her home, the health care provider's office or a health care facility.

Prohibitions. We may not (a) modify the terms of this coverage based on any covered person requesting less than the minimum coverage required; (b) offer the mother financial incentives or other compensation for waiver of the minimum number of hours required; (c) refuse to accept a physician's recommendation for a specified period of inpatient care made in consultation with the mother if the period recommended by the physician does not exceed guidelines for prenatal care developed by nationally recognized professional associations of obstetricians and gynecologists or pediatricians; (d) reduce payments or reimbursements below the usual and customary rate; or (f) penalize a physician for recommending inpatient care for the mother and/or the newborn child.

Coverage for Tests for Detection of Colorectal Cancer

- Cognitive communication therapy
- Neurocognitive therapy and rehabilitation
- Neurobehavioral, neurophysiological, neuropsychological and psychophysiological testing and treatment
- Neurofeedback therapy and remediation

- Postacute transition services and community reintegration services, including outpatient day treatment services or other post-acute-care treatment services
- Reasonable expenses related to periodic reevaluation of the care of an individual covered under the plan who has incurred an acquired brain injury, has been unresponsive to treatment, and becomes responsive to treatment at a later date, at which time the cognitive rehabilitation services would be a covered benefit.

Eligibility: Each person who belongs to one of the "Classes of Persons To Be Insured" as set forth in the application is eligible to be insured under this policy. The Named Insured must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (TV) courses do not fulfill the eligibility requirements that the Named Insured actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium.

Eligible persons may be insured under this policy subject to the following:

1. Payment of premium as set forth on the policy application; and,
2. Application to the Company for such coverage.

Effective Date: Insurance under this policy shall become effective on the later of the following dates:

1. The Effective Date of the policy; or
2. The date premium is received by the Administrator.

Termination Date: The coverage provided with respect to the Named Insured shall terminate on the earliest of the following dates:

1. The last day of the period through which the premium is paid; or
2. The date the policy terminates.

PART II
GENERAL PROVISIONS

ENTIRE CONTRACT CHANGES: This policy, including the endorsements and attached papers, if any, and the application of the Policyholder shall constitute the entire contract between the parties. No agent has authority to change this policy or to waive any of its provisions. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. Such an endorsement or attachment shall be effective without the consent of the Insured Person but shall be without prejudice to any claim arising prior to its Effective Date.

PAYMENT OF PREMIUM: All premiums are payable in advance for each policy term in accordance with the Company's premium rates. The full premium must be paid even if the premium is received after the policy Effective Date. There is no pro-rata or reduced premium payment for late enrollees. There will be no refunds to students who cancel coverage under the policy; unless the Insured enters the armed forces.

Premium adjustments involving return of unearned premiums to the Policyholder will be limited to a period of 12 months immediately preceding the date of receipt by the Company of evidence that adjustments should be made. Premiums are payable to the Company, P.O. Box 31201, Salt Lake City, UT 84131.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Upon receipt of a notice of claim, the Company will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of written notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and extent of the loss for which claim is made.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIM: Indemnities payable under this policy for any loss will be paid no later than the 60th day after receipt of due written proof of such loss provided the Company has received all items, statements and forms reasonably requested and required to secure final proof of loss.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by this policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PAYMENT TO STATE: Benefits will be payable to the Texas Department of Human Services for Covered Medical Expenses under this policy for an Insured Person when the Texas Department of Human Services pays for such expenses and notification is given to the Company with the claim. Benefits payable on behalf of a child under this policy will be paid to the Texas Department of Human Services after the Company receives written notice that:

1. the parent who purchased the coverage is: (a) a possessory conservator of the child under an order issued by a court in this state or is not entitled to possession of or access to the child; and (b) is required by court order or court-approved agreement to pay child support;
2. the Texas Department of Human Services is paying benefits on behalf of the child under Chapter 31 or Chapter 32, Human Resources Code; and
3. the Company is notified through an attachment to the claim for insurance benefits when the claim is first submitted to the Company that benefits must be paid directly to the Texas Department of Human Services.

BENEFIT PAYMENTS TO PARENT OF A MINOR: Benefits will be payable to a managing conservator who is not a student of the Policyholder provided such managing conservator is responsible for a minor child who is a dependent of a person who is a student of the Policyholder and which child is duly enrolled as an insured dependent, and the managing conservator has paid all or any portion of a medical bill that would be covered under the terms of the policy. The managing conservator of the child must provide a certified copy of a court order establishing the person as managing conservator or other evidence designated by the State Board of Insurance before the benefits can be paid to the managing conservator. The managing conservator must also submit valid receipts and invoices for such medical payments on behalf of the child.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

SUBROGATION: The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under a like policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

MISSTATEMENT OF AGE: If the age of an Insured has been misstated, the Insured shall be responsible for payment of any additional premium due had coverage been purchased at the correct issue age. The Company shall furnish notice to the Insured of such additional premium due. Additional premium that is not paid within 31 days from the date of notice of additional premium due may, at the election of the Company, be deducted from any claim payment then due and payable.

REPRESENTATION: In the absence of fraud, a statement made by the Policyholder or an Insured is considered a representation and not a warranty. A statement made by the Policyholder or an Insured may not be used in any contest under the policy, unless a copy of the written instrument containing the statement is or has been provided to 1) the person making the statement, or 2) if the statement was made by the Insured and the Insured has died or become incapacitated, the Insured's beneficiary or personal representative.

They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. Intensive care does not mean any of these step-down units:

3. Serious dysfunction of any body organ or part;
4. Serious disfigurement; or

No payment will be made under this policy for any expenses incurred which in the judgment of the Company are in excess of Usual and Customary Charges.

PART IV
EXTENSION OF BENEFITS AFTER TERMINATION

The coverage provided under this policy ceases on the Termination Date. However, if an Insured is totally disabled on the Termination Date from a covered Injury for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

For purposes of this section, the terms "total disability" and "totally disabled" mean: 1) with respect to the Insured, the complete inability of the Insured to perform all of the substantial and material duties and functions of his or her occupation and any other gainful occupation in which such person earns substantially the same compensation earned prior to disability, and 2) with respect to the Insured's covered Dependents, confinement as a bed patient in a hospital.

COMPLAINT RESOLUTION

Insured Persons,, Providers or their representatives with questions or complaints may call the Customer Service Department at 1-888-799-7716. If the question or complaint is not resolved to the satisfaction of the complainant, the complainant may submit a written request to the Claims Review Committee, which will make a thorough investigation and respond to the complainant in a timely manner. The Company will not retaliate against the complainant because of the complaint.

CONTINUITY OF CARE; TERMINATION OF PROVIDER CONTRACTS

The Insured has the right to continuity of care while covered under this policy for a covered Injury in the event of termination of a Preferred Provider's participation in the plan under the following circumstances: 1) the Insured is being treated for a Life Threatening Condition; or 2) the Insured is being treated under Special Circumstances.

"Life Threatening Condition" means a Injury for which the likelihood of death is probable unless the course of the Injury is interrupted. "Special Circumstances" means a condition regarding which the treating Physician or health care provider reasonably believes that discontinuing care by the treating Physician or health care provider could cause harm to the Insured. Examples of a Insured who has a special circumstance include a Insured with a disability, acute condition, or Life Threatening Condition.

Benefits will continue to be paid at the negotiated Preferred Provider level of benefits if a Insured whom the Physician or provider is currently treating has Special Circumstances in accordance with the dictates of medical prudence. NOTICE: Although services may be or have been provided to an Insured at a health care facility that is a member of the Preferred Provider network, other professional services may be or have been provided at or through the facility by Physicians and other health care practitioners who are not members of the Preferred Provider network. The Insured may be responsible for payment of all or part of the fees for those professional services that are not paid or covered by this policy.

POLICY ENDORSEMENT

In consideration of the premium charged, it is hereby understood and agreed that the policy to which this endorsement is attached is amended as follows:

COORDINATION OF BENEFITS PROVISION

Definitions

1. **Allowable Expenses:** Any necessary, reasonable, and customary item of expense, a part of which is covered by at least one of the Plans covering the Insured Person. An Allowable Expense to a Secondary Plan includes the value or amount of any Deductible Amount or Coinsurance Percentage or amount of otherwise Allowable Expenses which was not paid by the Primary or first paying Plan.
2. **Plan:** A group insurance plan or health service corporation group membership plan or any other group benefit plan providing medical or dental care treatment benefits or services. Such group coverages include: (a) group or blanket insurance coverage, or any other group type contract or provision thereof; this will not include school accident coverage for which the parent pays the entire premium; (b) service plan contracts, group practice and other pre-payment group coverage; (c) any coverage under labor-management trustees plans, union welfare plans, employer and employee organization plans; and (d) coverage under governmental programs, including Medicare, and any coverage required or provided by statute.
3. **Primary:** The Plan which pays regular benefits.
4. **Secondary:** The Plan which pays a reduced amount of benefits which, when added to the Primary Plan's benefits will not be more than the Allowable Expenses.
5. **We, Us or Our:** The Company named in the policy to which this endorsement is attached.

Effect on Benefits - If an Insured Person has medical and/or drug coverage under any other Plan, all of the benefits provided are subject to coordination of benefits. During any policy year or benefit period, the sum of the benefits that are payable by Us and those that are payable from another Plan may not be more than the Allowable Expenses.

During any policy year or benefit period, We may reduce the amount We will pay so that this reduced amount plus the amount payable by the other Plans will not be more than the Allowable Expenses. Allowable Expenses under the other Plan include benefits which would have been payable if a claim had been made.

However, if: (1) the other Plan contains a section which provides for determining its benefits after Our benefits have been determined; and (2) the order of benefit determination stated herein would require Us to determine benefits before the other Plan, then the benefits of such other Plan will be ignored in determining the benefits We will pay.

This Plan determines its order of benefits using the first of the following rules which applies:

1. If the Insured's other Plan does not have Coordination of Benefits, that Plan pays first.
2. Non-Dependent/Dependent. The benefits of the Plan which covers the person as an employee, member or subscriber are determined before those of the Plan which covers the person as a Dependent.
3. Dependent Child/Parents Not Separated or Divorced. When this Plan and another Plan cover the same child as a Dependent of different persons, called "parents":
   a. the benefits of the Plan of the parent whose birthday falls earlier in a year exclusive of year of birth are determined before those of the Plan of the parent whose birthday falls later in that year; but
   b. if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.
   c. However, if the other Plan does not have the rule described in a. above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
4. Dependent Child/Separated or Divorced Parents. If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:
   a. first, the Plan of the parent with custody of the child;
   b. then, the Plan of the spouse of the parent with the custody of the child; and
   c. finally, the Plan of the parent not having custody of the child.

This endorsement takes effect and expires concurrently with the policy to which it is attached, and is subject to all of the terms and conditions of the policy not inconsistent therewith.

5. Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

Right to Recovery and Release of Necessary Information - For the purpose of determining applicability of and implementing the terms of this Provision, We may, without further consent or notice, release to or obtain from any other insurance company or organization any information, with respect to any person, necessary for such purposes. Any person claiming benefits under Our coverage shall give Us the information We need to implement this Provision. We will give notice of this exchange of claim and benefit information to the Insured Person when any claim is filed.

Facility of Payment and Recovery - Whenever payments which should have been made under our Coverage have been made under any other Plans, We shall have the right to pay over to any organizations that made such other payments, any amounts that are needed in order to satisfy the intent of this Provision. Any amounts so paid will be deemed to be benefits paid under Our coverage. To the extent of such payments, We will be fully discharged from Our liability.

Whenever We have made payments with respect to Allowable Expenses in total amount at any time, which are more than the maximum amount of payment needed at that time to satisfy the intent of this Provision, We may recover such excess payments. Such excess payments may be received from among one or more of the following, as We determine: any persons to or for or with respect to whom such payments were made, any other insurers, service plans or any other organizations.

This endorsement takes effect and expires concurrently with the policy to which it is attached, and is subject to all of the terms and conditions of the policy not inconsistent therewith.
