| Important Questions | Answers | Why This Matters: |
|---|--|---|
| What is the overall deductible ? | In- Network Provider : \$250/ individual Out-of- Network Provider : \$500/ individual | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. |
| Are there services covered before you meet your deductible ? | Yes. In- Network Preventive care , Zero Cost Medications and In- Network Prescription Drugs , In- Network Physician's Office Visits including Specialists/Consultants and Telemedicine, In- Network Outpatient Mental Health & Substance Use Office Visits, and Expenses incurred at the Student Health Center are covered before you meet your deductible . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | In- Network Provider : \$5,000/ individual Out-of- Network Provider : \$10,000/ individual | The out-of-pocket limit is the most you could pay in a year for covered services. |
| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See www.cigna.com or call 1-877-657-5030 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral . |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
