If the withdrawal is more than 31 days after the start date of classes, your coverage will remain in force through the end of the period for which payment has been received and no premiums will be refunded. If you withdraw from classes to enter the armed forces of any country, coverage will terminate as of the effective date of such entry and a pro rata refund of premiums will be made if you submit a written request within 90 days of withdrawal from classes.

In-network Provider Network

Aetna Student Health offers Aetna's broad network of In-network Providers. You can save money by seeing In-network Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better.

If you need care that is covered under the Plan but not available from an In-network Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from an Out-of-network Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for In-network Providers.

Service area

Your plan generally pays for eligible health services only within a specific geographic area, called a service area. There are some exceptions, such as for emergency services, urgent care and transplants.

Precertification

You do not need to obtain pre-certification for any services. However, your provider is required to obtain pre-certification for certain Preferred Care services. Refer to the Precertification provisions in the Coverage section of the Certificate of Coverage for a complete description of the precertification programs including the types of services, treatments, procedures, visits or supplies that require precertification. No penalty will be applied to you for a Preferred Care service that was not pre-certified.

Coordination of Benefits (COB)

Some people have health coverage under more than one health plan. If you do, we will work together with your other plan(s) to decide how much each plan pays. This is called coordination of benefits (COB). A complete description of the Coordination of Benefits provision is contained in the certificate issued to you.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to https://www.aetnastudenthealth.com.
