

Student Health Insurance Plan

for The Texas A&M University System (TAMUS)

2023 – 2024

Welcome to AcademicBlue, your Student Health Insurance Plan offered by Blue Cross and Blue Shield of Texas (BCBSTX).

Who can enroll?

Undergraduate students taking at least nine (9) credit hours of classes are eligible to enroll in this insurance plan. Undergraduate students must be enrolled in at least nine (9) credit hours of classes each fall and spring semester and be in a degree-seeking program.

Graduate students taking at least five (5) credit hours of classes are eligible to enroll in this insurance plan. Graduate Students (non-employed) must be enrolled in at least five (5) credit hours of classes each fall and spring semester.

Degree plans for undergraduate and graduate students must be on file with the University Registrar's Office.

All registered and enrolled Texas A&M University System Graduate students employed by the System are eligible to enroll in this insurance plan.

International students on an F1 or J1 visa are required to maintain approved health insurance coverage continuously while enrolled and attending a Texas A&M University System institution. F1 and J1 students will be bursary billed and automatically enrolled in the Student Health Insurance Plan through Academic HealthPlans, unless the student provides proof of coverage that meets The Texas A&M University System (TAMUS) waiver requirements (see the TAMUS Policy #26.99.01). J1 and F1 Visa International students will be billed (and auto enrolled if no waiver approved) through auto bill of the fee on their tuition statement.

Credit hours will be verified with school records each fall and spring semester, to ensure you meet the eligibility requirements. If it is determined that eligibility requirements have not been met for the coverage you are enrolled in, the plan's only obligation is to retroactively cancel coverage and refund premiums.
