<sup>1</sup> Using Out-of-Network providers will cost you more money! Coinsurance is payable for Reasonable Expenses, the normal cost the provider would charge for services in the absence of insurance. Some Out-of-Network providers charge more than Reasonable Expenses and you will be responsible for these excess amounts over the listed Coinsurance.

<sup>2</sup> When you use an Out-of-Network pharmacy, you must pay for prescriptions in full, then submit a claim for reimbursement.

**Limitations, Deductibles, Coinsurance, and Copays may apply.** Please see the Plan Certificate for full benefit details. If there are any discrepancies between this document and the Plan Certificate, the Plan Certificate will govern.
