For Dependent coverage, contact Academic Health Insurance Services at (800) 537-1777 for assistance with enrolling online at roseman.myahpcare.com. Students handle this coverage directly with our broker and not with Roseman.

Please Note: Your coverage ends on the termination date of the coverage term for which you purchased and were enrolled. We do not send out renewal notices and you are not automatically enrolled in the ensuing academic policy year school insurance plan. You must actively enroll each year by meeting the eligibility requirements, reenrolling online and remitting your premium for the same coverage period as the student's coverage period.

* Dependents of the students with late degree dates that include experiential for completion of degree requirements must pay for student health insurance at \$282.25/month beyond termination date.
