¹ Using out-of-network providers may cost you more money! Coinsurance is payable for Reimbursable Charge, the normal cost the provider would charge for services in the absence of insurance. Some out-of-network providers charge more than Reimbursable Charge and you will be responsible for these excess amounts over the listed Coinsurance.

² Deductibles and Out-of-Pocket Maximums will cross-accumulate between In-Network and Out-of-Network.

Limitations, Deductibles, Coinsurance, and Copays may apply. Please see the Plan Certificate for full benefit details. If there are any discrepancies between this document and the Plan Certificate, the Plan Certificate will govern.

Coinsurance is the cost sharing between what the insurance pays and what you pay. This insurance plan pays 100% when you use **Blue Card PPO** providers, part of **Blue Cross Blue Shield**, and 50% when you use out-of-network providers.
