Blue Cross and Blue Shield of Texas is pleased to offer you vision benefits administered by EyeMed Vision Care, a leading national provider of vision care programs.

For a list of in-network providers near you, visit member.eyemedvisioncare.com/bcbstx or call 844-684-2255.

How It Works

Our robust network gives you access to major national and regional retail locations, as well as independent optometrists and ophthalmologists.

When you use an in-network provider for products and services you can receive an eye exam and discounted prices on select frames, lenses and contacts.

Do I Need a Vision ID Card?

Although ID cards are not necessary to receive services, you will receive a one-time welcome packet containing two ID cards and a member brochure. Mailed ID cards will only have the students name listed but any covered family member may use the card. For additional ID cards, visit **member.eyemedvisioncare.com/bcbstx** or by using the EyeMed App.
