**Carry your ID card with you at all times!** You will need your card when you visit the campus health center, doctor's office, urgent care, or hospital.

## Where to Access Care

If you experience a sickness or an injury, here are the places you have access to. Each option is discussed in detail on the following pages.

- **Ogden Clinic**, for minor illness or injuries
- **TeleMD™ or Doctor's office**, for medical concerns and sick visits
- **Urgent care center**, for non-emergency illnesses or injuries that need immediate care when the campus health center is closed
- **Hospital**, for scheduled surgery or a medical emergency only

## What Does “In-Network” Mean and Why Does It Matter?

In-network means providers such as doctors, specialists, and hospitals that accept this insurance plan. *Note: Sometimes it is also called “PPO” or “Preferred” network.* The network for this plan is Blue Cross Blue Shield, also known as “Blue Card PPO.”

If you use a Blue Card PPO provider, most covered medical services are paid by the insurance company at 100%. If you use an out-of-network provider, meaning a provider who is not part of the Blue Card PPO network, most covered medical expenses are paid at 80%. Deductibles and copays are not included in what the insurance company pays.

## What You Will Pay

- The cost of the insurance charge
- A \$200 deductible per policy year (waived at the campus health center and at a Blue Card PPO doctor's office)
- A \$35 copay when you go to a Blue Card PPO doctor's office (waived at the campus health center)
- A \$45 copay after deductible when you go to a Blue Card PPO urgent care center when the campus health center or doctor's office is closed
- A \$100 copay if you go to a Blue Card PPO emergency room (waived if you are admitted to the hospital)
- \$10/\$35 for Generic/Brand prescription medication
- 20% or 30% out-of-network coinsurance if you do not use a Blue Card PPO provider
- Full amount for any services not covered by insurance (see exclusions and limitations in the Member Guide)

## Find a Doctor or Facility

- Go to [www.geobluestudents.com](http://www.geobluestudents.com) and under “Find a Provider” select “**U.S. Providers.**”
- Click **Choose a location and plan.**
- **Enter your address and city, or Zip code, click on address to confirm, then click Yes, this is correct.**
- Type in the code “**QHS,**” then click **Continue.**
- Click on **Doctors by name, Doctors by specialty, Places by name, or Places by type.**
- Enter your search criteria, then click 
- Make your selection from the list, and call to make an appointment.

It is best to locate a Blue Card PPO doctor, urgent care center, and emergency room near you before you get sick. Always verify the provider is part of the **Blue Card PPO Network** before you receive treatment.

## What's Covered

**(Treatment must be Medically Necessary)**

- \$250,000 benefit year maximum for all eligible medical expenses
- Most doctor visits and hospital charges, paid at 100% (after copay and deductible) when you use a Blue Card PPO provider; or 80% after deductible when you use an out-of-network provider
- Emergency expenses
- Surgery, in- and outpatient
- Tests, procedures, and lab services, such as X-rays and blood draws
- Physical therapy, chiropractic care, acupuncture
- Annual women's cervical screening and breast exam
- Pregnancy and maternity
- Prescriptions, covered with a \$10 or \$35 copay

**Limitations, deductibles, coinsurance, and copays may apply.** Please see the Plan Certificate for full benefit details.

## Healthcare at Your Fingertips

GeoBlue offers you the ability to obtain confidential access to your doctor via telephone or video call:

- Visit the App Store or Google Play and download **Global TeleMD™** from Advance Medical Health Care Management Services

## Campus Health Center – Ogden Clinic

For general medical care, please visit the Ogden Clinic. The staff can treat many conditions or refer you to another doctor or specialist, if necessary.

Ogden Clinic  
4650 Harrison Blvd.  
South Ogden, UT 84403  
**(801) 475-3010**

Walk-ins are welcome for urgent care. Please call for hours.

## Doctor Visits

When you have a health care need, such as a sickness, injury, or other medical concern, schedule an appointment to see a doctor.

- Use a **Blue Card PPO** doctor whenever possible. *Note: You are not required to see Blue Card PPO doctors; however, if you choose to see a doctor who is not a Blue Card PPO provider, you will have to pay at least 20-30% of charges.*
- Call the doctor's office to make an appointment. Tell them you have **Blue Card PPO** insurance (part of the Blue Cross Blue Shield Preferred Provider Network).
- Arrive 15 minutes early for your appointment.

Every visit to a health care professional, doctor's, emergency room, urgent care center, etc., is treated confidentially. No information will be released without your express written consent.

## Urgent Care

**Do not go to the hospital for minor illnesses or injuries!** If you need to see a doctor immediately and cannot wait for a scheduled appointment, please go to an urgent care center. Hospital emergency rooms typically charge 2-3 *times more* than a doctor's office or urgent care center. Use an urgent care center instead of an emergency room to save time and money.

Here are some Blue Card PPO urgent care centers close to campus:

Ogden Clinic  
5740 Crestwood Dr  
Ogden, UT 84405  
**(801) 479-7771**

IHC Instacare North Ogden  
2400 N Washington Blvd

**(801) 786-7500**

IHC Instacare Herefordshire  
1915 W 5950 St  
Roy, UT 84067  
**(801) 387-8100**

## Hospital Emergency Room

In the case of a life-threatening emergency, call **911** for an ambulance or go to the nearest hospital emergency room (ER).

Examples of life-threatening emergencies:

- Car accident
- Severe pain or excessive bleeding (especially from the head)
- Heart attack
- Higher fever or rash after surgery
- Broken bones
- Coughing up blood
- Signs of miscarriage

*These are only a few examples of emergency medical conditions. These examples do not constitute medical advice. Please contact a medical professional if you have questions about any medical condition.*

## Getting a Medication

If your doctor prescribes a medication, you may fill it using any pharmacy, including CVS, Rite Aid, Walgreens, and Walmart. Points to consider:

- ALWAYS ask for the generic form of the drug, if available; this will decrease the cost.
- You will have a \$10 copay for Generic drugs and a \$35 copay for Brand name drugs when using contracted pharmacies. If you use an out-of-network pharmacy, you must pay for your prescription in full, then submit a claim for reimbursement.
- Download a prescription claim form at [weber.mycare26.com](http://weber.mycare26.com) in the **Claims** section and fill out the form completely.

## Claims

After your visit, the doctor or provider will send a bill to the insurance company for the charges. The insurance company will review the doctor's statement and determine the payment for each itemized procedure. The insurance company will then send you an Explanation of Benefits. *This is not a bill.* It is a notification of what the insurance company will pay your doctor.

The doctor will receive payment from the insurance company and then bill you for any amount not covered by the insurance. You must pay for any amount the insurance company does not cover. If you do not pay, it will affect your credit and possibly your visa status. *Note: Most charges are covered at 100% (after deductible) if you use a Blue Card PPO provider.*

In most cases, the provider will submit the claim for you.

If you are required to pay for services up front, you will need to complete a claim form in order to be reimbursed (paid back) by the insurance company.

Download a claim form from <http://weber.mycare26.com> and send the completed form with all bills and receipts for medical treatment to:

GeoBlue  
PO Box 21974  
Eagan, MN 55121

**Keep copies of all the documents you submit.** To check the status of a claim you submitted, contact GeoBlue at **(844) 268-2686**.

## What if I am outside Utah or the U.S. and need medical treatment?

Coverage is worldwide; however, any treatment, services, or supplies incurred or received in your Home Country are only covered up to a maximum of \$1,000 per Policy Year.

All medical bills, receipts, and other information should be sent to the claims department address.

## Optional Practical Training
