

BENEFITS VALUE ADVISORS

Take a step in the right direction

Let our Benefits Value Advisors¹ help you get the most from your health plan.

BVAs make it easier to use your health plan, while helping you save time and money. They are available 24 hours a day, seven days a week² to explain your benefits and provide guidance on how to use them. BVAs will also help you:

- Find a doctor or facility
- Get cost estimates for procedures and services
- Schedule appointments
- Set up prior authorizations (if needed)

In addition, using our online member portal, you can search for in-network doctors, hospitals and more. You can estimate the cost and your out-of-pocket expenses for hundreds of procedures, treatments and tests. You can also see side-by-side provider quality ratings and patient reviews.³

Visit bcbstx.com, register or log in to Blue Access for MembersSM and select "Find Care."
