**Academic
Emergency Services**

We have you covered while studying or traveling away from home

To ensure you have immediate access to assistance if you experience a travel related crisis, we have included Academic Emergency Services (AES) in your Student Health Insurance Plan coverage. AES offers a wide range of services and benefits to provide everything you need to prepare for your international experience.

Academic Emergency Services provide solutions to small challenges.

Finding an adequate doctor in an unfamiliar location, getting a prescription filled when away from home, finding an interpreter quickly when you need to share or receive information, help in locating lost luggage or replacing a passport.

As well as during a critical crisis.

Ensuring adequate care is available locally if you need medical care or are hospitalized, and if it isn't, getting you emergency medical transportation to an adequate facility or to your home, or hospital nearest to your home, when medically advisable.

There are also services and benefits to help you and your family with expenses that you may not consider until faced with an emergency. We can arrange for loved ones to be with you if you are hospitalized, get you home in the event you have an illness or death in the family, or return remains to your family in the unfortunate event of death.

Preparing for your time away from home is easy.
