#### Human Organ and Tissue Transplant (Bone Marrow / Stem Cell) Services

To best understand your benefits, you may call our Transplant Department to discuss benefit coverage when it is determined a transplant may be needed. We suggest you do this before you have an evaluation and/or work-up for a transplant, so that we can assist you in maximizing your benefits. To learn more or to find out which Hospitals are In-Network Transplant Providers, you may contact the Member Services telephone number on the back of Your Identification Card and ask for the transplant coordinator. In addition, you or your Provider must call our Transplant Department for Precertification prior to the transplant, whether this is performed in an Inpatient or Outpatient setting.

**The requirements described below do not apply to the following:**

- Cornea and kidney transplants, which are covered as any other surgery; and
- Any Covered Services related to a Covered Transplant Procedure, that you get before or after the Transplant Benefit Period. Please note that the initial evaluation, any added tests to determine your eligibility as a candidate for a transplant by your Provider, and the collection and storage of bone marrow/stem cells is included in the Covered Transplant Procedure benefit regardless of the date of service.

Benefits for Covered Services that are not part of the Human Organ and Tissue Transplant benefit will be based on the setting in which Covered Services are received.

<p><b>Specialty Drug Copayments / Coinsurance:</b></p> <p>Please note that certain Specialty Drugs are only available from the Specialty Pharmacy and you will not be able to get them at a Retail Pharmacy or through the Home Delivery (Mail Order) Pharmacy. Please see “Specialty Pharmacy” in the section “Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy” for further details. When you get Specialty Drugs from the Specialty Pharmacy, you will have to pay the same Copayments/Coinsurance you pay for a 30-day supply at a Retail Pharmacy.</p> <p><b>Note:</b> Prescription Drugs will always be dispensed as ordered by your Doctor. You may ask for the Brand Name Drug. However, if a Generic Drug is available, you will have to pay the difference in the cost between the Generic and Brand Name Drug. By law, Generic and Brand Name Drugs must meet the same standards for safety, strength, and effectiveness. Using generics generally saves money, yet gives the same quality. For certain higher cost generic drugs, we reserve the right, in our sole discretion, to make an exception and not require you to pay the difference in cost between the Generic and Brand Name Drug.</p> <p><b>Note:</b> No Copayment, Deductible, or Coinsurance applies to certain diabetic and asthmatic supplies when you get them from an In-Network Pharmacy. These supplies are covered as Medical Supplies and Durable Medical Equipment if you get them from an Out-of-Network Pharmacy. Diabetic test strips are covered subject to applicable Prescription Drug Copayment / Coinsurance.</p>
