How to Schedule an Appointment

For [all other care](#), schedule a virtual visit by selecting a provider to see a list of available appointment times. Or, find a specific provider by using the search and filter tools.

Review your appointment details and click [Book Appt](#) to confirm your visit.

At the time of your appointment, right before you are connected to the provider, you will be asked to provide details about your visit.

Enter your [Coupon Code ALCUCB](#) and click 'Apply' to make the cost of your visit free.

Now, it's time for your appointment!

- Your provider will thoroughly review your intake form before starting your visit.
- While you wait, a brief overview will play, easing you into the care environment, making you feel right at home with telehealth.
- Your provider will take progress notes during your visit and wrap up your visit details once your visit has ended.
- A visit summary will be sent to you via a secure message, accessible any time via the secure inbox, located right on your dashboard.
