5 Three dental plans will be shown. The total monthly cost is based on your date of birth and zip code; if you added dependents, their costs will be included in this cost. Choose a plan by clicking the BUY NOW box underneath the plan name. Once a plan is selected, you will be presented with an Application screen where you will provide your demographic information (e.g., full name, address) and provide payment details. Your application will be processed after inputting payment information.
