Important Questions	Answers	Why this Matters:			
What is the overall deductible?	In-Network: \$300 Individual. Out-of- Network: \$600 Individual.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay.			
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventive care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.			
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.			
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	In-Network: \$4,000 Individual. Out-of-Network: \$8,000 Individual.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services.			
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, health care this plan doesn't cover and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .			
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.bluecrossnc.com/FindADoctor or call 1-800-579-8022 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays <u>(balance billing)</u> . Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
