5. How Claim Payment is Made

If your Dentist is a Participating Dentist, Delta Dental will base payment on the lesser of the Submitted Amount or the Maximum Approved Fee for a Covered Service.

Delta Dental will send payment directly to a Participating Dentist and you will be responsible for any applicable Copayments or Deductibles and any amounts that exceed Maximum Payment amounts under your coverage. You will be responsible for the Dentist's Submitted Amount for any Non-Covered Service.

For Covered Services rendered by a Non-participating Dentist or Out-of-Country Dentist, Delta Dental will send payment to you, and you will be responsible for making full payment to the Dentist including any difference between Delta Dental's payment and the Dentist's Submitted Amount.

To be eligible for coverage under This Plan, a Dental service must be:

1. A Covered Service.
2. Performed by a Dentist or, as applicable, a registered dental hygienist or other dental professional as permitted by state law.

3. Consistent with the symptoms, diagnosis or treatment of the condition, disease or injury.

5. Not solely for the convenience of you or your Dentist.
6. The most appropriate level of service that can safely be provided to you.
7. Received after your Effective Date and completed before your coverage ends.

We will pay the claim within (30) days from the date we receive a properly completed claim form, as prescribed by applicable law, including all required information, to determine the amount payable under This Plan. You agree that any person or entity having medical information relating to the dental benefits claimed, may give us that information. We may provide such information to other persons in accordance with our published Notice of Privacy Practices under HIPAA.

After we process the claim, you and/or your Dentist will receive an Explanation of Benefits (EOB), unless you have no financial responsibility. The EOB is not a bill, but a statement to help you understand the coverage you are receiving. The EOB shows:

- ◆ Total amount charged by the Dentist for services received (Submitted Amount).
- ◆ The maximum amount that your Dentist will receive (Maximum Approved Fee).
- ◆ The amount for which you are responsible (patient payment).

Delta Dental will process and pay all submitted claims in accordance with this Certificate and applicable law. We cannot deny a claim or withhold payment upon your request.

In the event of death, any Benefits payable to a Covered Person will be paid to that person's estate.

If Delta Dental pays a claim in error we may recover the overage from you or, if applicable, the Dentist. As an alternative, Delta Dental reserves the right to deduct from any pending or future claim any amounts you or the Dentist may owe us. Payment of any claim in error does not mean that similar claims will be paid in the future.

32. **Interim dentures** (stayplates) are payable only for Children under age 17 to replace extracted anterior permanent teeth during the healing period.
33. Payment for **implants** is limited to one implant per tooth in a five-year period.
34. When **implants** are not a Covered Service under this plan, Alternate Benefits may be payable for missing tooth replacement or partial denture payment.

35. In the event you **transfer from one Dentist** to another during your course of treatment, or more than one Dentist performs services for one procedure, Benefits are limited to the Maximum Approved Fee for the services of one Dentist.

Orthodontic Services

1. The diagnosis for Orthodontic Services must show that the handicapping malocclusion is abnormal and can be corrected. It is recommended that your Dentist submit a treatment plan to us to determine the Benefits available. One diagnosis and treatment plan is payable in a five-year period.

We may review your dental records to determine if Benefits will be provided for the requested services.

2. All Orthodontic Services are considered to have been rendered on the date performed.
3. Orthodontic Services are subject to the total Maximum Payment per Eligible Person. Please refer to the Summary of Dental Benefits for your Maximum Payment.
4. Payment for orthodontic treatment, including appliances, will not exceed three years.
5. If the orthodontic treatment plan is terminated before completion of the case for any reason, Delta Dental's obligation for payment ends on the last day in which the patient was treated.
6. Replacement and/or repair of any appliance furnished under the orthodontic treatment plan are not covered.

Orthodontic Processing Policies

1. Benefits are paid as the services are rendered; therefore, lump sum payments cannot be made if full payment was made in advance.
2. Payments will be made for the following treatment;
 - ◆ Orthodontic records (if charged separately)
 - ◆ Down payment or initial fee (placement of appliances)
 - ◆ Monthly adjustments (paid each month as services are rendered.)

- ◆ Retainers are paid as a one-time fee and monthly adjustments are included in this fee.

8. Coordination of Benefits

Coordination of Benefits ("COB") applies to This Plan when an Eligible Person has dental benefits under more than one plan. The objective of COB is to make sure the combined payments of the plans are no more than your actual dental bills. COB rules establish whether This Plan's Benefits are determined before or after another plan's benefits.

You must submit all your claims to each plan. The primary plan must pay its full benefits as if you had no other coverage. If the primary plan denies your claim or does not pay the full claim, the secondary plan will then calculate any additional payment under these rules.

Which Plan is Primary?

This Plan is a Secondary Plan unless:

- ◆ the other plan has rules coordinating its benefits with those of This Plan; and,
- ◆ both those rules and This Plan's rules make This Plan the Primary Plan.

The primary plan is determined by the first of the following rules that applies:

1. **Dependent or Non-dependent.**

The plan that covers the Eligible Person as other than a Dependent is always primary.

2. Children (parents who are not divorced or separated) and the Birthday Rule.

The Plan of the parent with the first birthday in a calendar year is always primary for Children. If your birthday is in January and your spouse's birthday is in March, your plan will be primary for all of your Children. If both parents have the same birthday, the plan that covers the Children for the longer period will be primary.

3. Children (Parents Divorced or Separated).

If a court decree makes one parent responsible for health care expenses, that parent's plan is primary.

If a court decree states that the parents will share custody without stating that one of the parents is responsible for the Child's health care expenses, Delta Dental follows the birthday rule (see #2 above).

If neither of these rules applies, the order will be determined as follows:

- ◆ First, the plan of the parent with custody of the Child.
- ◆ Then, the plan of the spouse of the parent with custody of the Child.
- ◆ Next, the plan of the parent without custody of the Child; and,
- ◆ Last, the plan of the spouse of the parent without custody of the Child.

If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of Benefits, this rule is ignored.

4. Active or Inactive Employee.

The plan of the employee who is not laid off nor retired is Primary.

5. COBRA Continuation of Coverage.

The plan of the Eligible Person that is not provided under a right of continuation pursuant to federal law (that is COBRA) or a similar state law is primary.

6. Length of Coverage.

The plan that has covered the Eligible Person for the longer time is primary.

7. None of the Above Applies.

If none of the rules above determines the order of Benefits, the allowable expense will be shared equally between plans.

How Delta Dental Pays as Primary Plan

When This Plan is Primary, it will pay Benefits under This Plan as if you had no other coverage.

How Delta Dental Pays as Secondary Plan

When This Plan is secondary, any difference between the amount we pay on a claim and the amount we would have paid if we had been Primary will be added to a Benefit Reserve under Kentucky law. At the end of a benefit year, we will reimburse the Covered Person for any non-reimbursed allowable expenses incurred during the previous year up to the total amount of your Benefit Reserve. At that time, your Benefit Reserve will be returned to zero and will start over for the next year. Examples of non-reimbursed expenses may include deductibles and copayments.

Right to Receive and Release Needed Information

Delta Dental needs certain facts to apply these COB rules, and it has the right to decide which facts it needs. We may get needed facts from, or give them to, any other organization or person. Delta Dental need not tell, or get the consent of, any person to do this. Each person claiming Benefits under This Plan must give Delta Dental any facts it needs to pay the claim.

Payment Made By Other Plans

A payment made under another plan may include an amount that should have been paid under This Plan. If it does, Delta Dental may pay that amount to the organization that made the payment.

That amount will then be treated as though it were a Benefit paid under This Plan, and Delta Dental will not have to pay that amount again. The term "payment made" includes providing Benefits in the form of

services, in which case “payment made” means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If Delta Dental pays more than it should have paid under this COB provision, it may recover the excess from one or more of the following:

- ◆ The people it has paid or for whom it has paid;
- ◆ Insurance companies; or
- ◆ Other organizations.

Payment includes the reasonable cash value of any Benefits provided in the form of services.

9. Claims Appeal Procedure

If you receive notice of an Adverse Benefit Determination that you think is incorrect, you or your Dentist should contact us at (800)955-2030 or customerservice@deltadentalky.com. Ask them to check the claim to make sure it was processed correctly. We provide this opportunity for you to describe the problem and why you think your claim was improperly denied. We will correct any errors quickly and without delay. This inquiry is not required and is not a formal appeal for review of your claim.

Whether or not you ask us informally to recheck the claim, you can submit your claim to a formal claims appeal procedure described below.

If you decide to appeal, you should seek a review as soon as possible. However, you must file an appeal within 180 days of the date you received your notice of an Adverse Benefit Determination. To appeal your claim, send your request by email to:

customerservice@deltadentalky.com

or in writing to:

**Customer Service
Delta Dental of Kentucky
P O Box 242810
Louisville, Kentucky 40224**

Your appeal should include your name, address, the Subscriber's Delta Dental ID and all information

related to your appeal. This includes comments, documents, or records submitted by your Dentist and any other comments or information you wish to provide in support of your appeal. You are entitled to receive, upon request and free of charge, reasonable access to and copies of documents, or records and other information we have that are relevant to your appeal. If you would like a record of your request and proof that it was received by Delta Dental, you should mail it via certified mail, return receipt requested.

We will conduct your appeal by making a fresh determination of your claim based on a review of the information available. We will not defer to our original decision. The individuals who conduct the appeal will not be the persons who made the initial decision or those persons' subordinates. If your claim was denied for missing information, you or your Dentist may resubmit the claim with complete information. If the decision is based, in whole or in part, on a dental judgment (including determinations with respect to whether a particular treatment, or service is Investigational or not appropriate under your Certificate), the reviewer(s) will, as necessary, consult a dental health care professional with appropriate training and experience. The dental health care professional will not be the same individual, or that person's subordinate, consulted during the initial determination.

The reviewer(s) will make a determination within 30 days of receipt of your appeal. Delta Dental will send a written decision to you, your representative, and if applicable, your Dentist.

If we uphold any part or all of the initial Adverse Benefit Determination, you or your Dentist may contact the Department of Insurance, PO Box 517, Frankfort, Kentucky 40602, or online at <http://insurance.ky.gov> and request a review of our decision.

If the Adverse Benefit Determination is based on a matter of dental judgment or appropriateness under your coverage, the notice will also contain:

- ◆ an explanation of the scientific or clinical judgment on which the determination was based; or,
- ◆ a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

10. Termination of Coverage

Your Delta Dental coverage may automatically terminate:

- ◆ When your employer or organization advises Delta Dental to terminate your coverage.
- ◆ If we receive your premium more than 30 days late (or as specified in your Group contract). If so, the termination will occur on the date through which premiums are paid.
- ◆ For fraud or material misrepresentation in the submission of any claim or eligibility information.
- ◆ For any other reason stated in the Contract between Delta Dental and your Group.

Delta Dental will not continue eligibility for any Eligible Person under This Plan beyond the termination date given by your employer or organization. A person whose eligibility is terminated may not continue group coverage under this Certificate, except as required by the continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) or comparable, applicable state law.

11. Continuation of Coverage

Your Group may be required to comply with provisions under the Consolidated Omnibus Budget Reconciliation Act of 1986 (“COBRA”), the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), or the Uniformed Services Employment and Reemployment Rights Act of 1984 (“USERRA”). If your coverage would otherwise end, you and/or your Eligible Dependents may have the right, under certain circumstances, to continue coverage, at your expense, beyond the time coverage would normally end. You should check with your Group’s benefit administrator to determine your eligibility for coverage continuation.

When is Plan Continuation Coverage Available?

Continuation coverage may be available if your coverage or a covered Dependent’s coverage would otherwise end because of any of these reasons:

1. Your employment ends for any reason other than your gross misconduct.
2. Your hours of work are reduced so that you are no longer a full-time employee.
3. You are divorced or legally separated.
4. You die.
5. Your Child is no longer eligible to be a covered Dependent.
6. You become enrolled in Medicare (if applicable).
7. You are called to active duty in the armed forces of the United States.

If you believe you are entitled to continuation coverage, you should contact your Group’s Benefit administrator to receive the appropriate documentation required under the Employee Retirement Income Security Act of 1974 (ERISA).

12. General Provisions

Family and Medical Leave Act of 1993 (FMLA)

Your Group determines whether or not you are eligible for FMLA. If you take FMLA leave, you will retain eligibility for coverage during this period. You and your Eligible Dependents will be considered eligible even if you are not actively working. If the Subscriber does not retain coverage during the leave period, any Eligible Person who was covered immediately prior to the leave may be reinstated upon return to work. In that event, there will be no new waiting period for pre-existing conditions.

Privacy of Your Health Information

Health Insurance Portability and Accountability Act (HIPAA)

Delta Dental is committed to protecting your health information. You may obtain a copy of our HIPAA Notice of Privacy Practices by contacting us at customerservice@deltadentalky.com.

Children's Health Insurance Program (CHIP)

You may have special enrollment rights under CHIP. You should ask your Group's benefit administrator if you are eligible. Under the law, you and your Eligible Dependents not enrolled in the plan have the right to request enrollment. This must be done within 60 days of when you or your Eligible Dependents are terminated from Medicaid or state CHIP coverage as a result of loss of eligibility or if you or your Eligible Dependents become eligible for a premium assistance subsidy under Medicaid or state CHIP. You should notify your Group's benefit administrator if you are eligible for this special enrollment.

Assignment

Services and payments to Eligible Persons are for the personal benefit of those persons. You cannot transfer or assign payments other than to allow us to make direct payments to Participating Dentists.

Subrogation and Right of Reimbursement

Subrogation happens when you or your Eligible Dependents are involved in an automobile accident or require Covered Services that may entitle you to recover damages from a third party.

Delta Dental may have the right to be paid any amount you recover up to the amount we paid under This Plan.

You agree that Delta Dental has first priority in any payment an Eligible Person receives from someone else or that person's insurance company. We may exercise our right to direct recovery against the Eligible Person. You or your legal representative must do whatever is necessary to enable us to exercise our rights. You also agree to do nothing that could harm our right to recover.

Obligation to Assist in Delta Dental's Reimbursement Activities

You and your Eligible Dependents are required to provide Delta Dental with:

- ◆ any information concerning other insurance coverage that may be available. (This includes automobile, home, and other liability insurance coverage, and coverage under another group health plan; and,
- ◆ the identity of any other person or entity, and his or her insurers (if known), that may be obligated to provide payments or benefits for the same Covered Services for which Delta Dental made payments.

You and your Eligible Dependents are required to:

- ◆ cooperate fully with us to exercise our right to subrogation and reimbursement.
- ◆ refrain from doing anything to prejudice those rights (such as settling a claim against another party without notifying Delta Dental, or not including Delta Dental as a co-payee of any settlement amount).
- ◆ sign any document deemed by Delta Dental to be relevant in protecting our subrogation and reimbursement rights.
- ◆ provide relevant information when requested.

The term "information" includes any documents, insurance policies, police or other investigative

reports, and any other facts that we may reasonably request. Failure by an Eligible Person to cooperate with Delta Dental in the exercise of these rights may result in a reduction of future benefit payments available to you under This Plan in an amount up to the total amount paid by us, but for which we were not reimbursed.

Dentist-Patient Relationship

You are free to choose any Dentist. However, you should keep in mind the differences in payment levels between Participating and Non-participating Providers. We do not recommend or warrant any Dentist and a Dentist may decline to provide care to you for any lawful reason. Each Dentist maintains the dentist-patient relationship with the patient and is solely responsible to the patient for dental advice and treatment and any resulting liability.

Delta Dental contracts with Participating Dentists in order to reduce dental care costs. We are not responsible or liable for the furnishing of Covered Services, but merely for the payment of them under the terms of This Plan. You will have no claim against us for acts or omissions of any Dentist from whom you receive services. We have no responsibility for any act or omission of any Dentist or the failure or refusal of any Dentist to provide services to you. This Plan does not give anyone any claim, right or cause of action based on what any Dentist or other dental professional does or does not do.

Loss of Eligibility During Treatment

If an Eligible Person loses eligibility while receiving dental treatment, Delta Dental will only pay for Covered Services received while that person was covered under This Plan.

Certain services begun before the loss of eligibility may be covered if they are completed within a 60-day period from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

Governing Law

This Certificate will be governed by and interpreted under the laws of the Commonwealth of Kentucky.

Actions

No action on a legal claim arising out of or related to This Plan can be brought within 60 days after notice of the legal claim has been given to Delta Dental, unless prohibited by applicable state law. In addition, no action can be brought more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, if longer. Any person seeking to do so will be deemed to have waived that person's right to bring suit on such legal claim. This provision does not preclude you from seeking a decision from a jury trial once all administrative appeals have been exhausted.

Change of Certificate or Contract

Delta Dental may amend your Certificate or Summary of Dental Plan Benefits or adjust the premiums from time to time. We will inform the Group in writing at least 30 days before any amendment goes into effect. No agent or other person has the authority to change any provisions in this Certificate, Summary of Dental Plan Benefits or the provisions of the contract on which it is based. No change in this Certificate or Summary of Dental Plan Benefits will be effective until approved, in writing, by an officer of Delta Dental.

Change of Status

You must notify Delta Dental, through your Group, of any event that changes the status of an Eligible Person. These events include, marriage, birth, death, divorce, and entrance into military service.

Right of Recovery Due to Fraud

We have the right to recover from any eligible Person any payment that we make because of fraud or

material misrepresentation. This includes any payment for:

- ◆ services that were sought or received under fraudulent, false, or misleading circumstances.
- ◆ a claim that contains false or misrepresented information.
- ◆ a claim that is determined to be fraudulent due to the acts of any Eligible Person.

We may recover any payments made to any Eligible Person that were based on false, fraudulent, misleading, or misrepresented information. We may deduct that amount from any payments properly due to an Eligible Person. We will provide an explanation of any payment being recovered at the time we make the deduction.

Legally Mandated Benefits

Any law that requires broader coverage or more favorable treatment for Eligible Persons than is provided by This Plan controls over This Plan.
