# About Us

Wellfleet Student is a leader in providing colleges and universities with student healthcare solutions. Wellfleet Student is a division of Wellfleet, a Berkshire Hathaway company.

Our team works collectively to accomplish one goal -- to help empower student members to lead healthier lives and become better consumers of health care. This simple but impactful mission is seen in everything we do. With an intense focus on the Triple Aim and innovative features like our new CareConnect Behavioral Health program, we offer solutions to problems faced by the student population and university client administrators.

## The Wellfleet Difference

Combining more than 25 years of experience in student health administration with carriers rated A++ (Superior) by A.M. Best, Wellfleet Student is the best of both worlds -- and the perfect student insurance partner.
