

Drug List – Contraceptives – Expanded Offering – 2020

ESI Standard Offering – Contraceptives – “Option 1”

Following is a list of contraceptives that are currently included in the Express Scripts’ standard contraceptive expanded offering for the Preventive Items and Services Program. These contraceptives are provided at a zero cost share as mandated by the Affordable Care Act (ACA). Please note that Multi Source Brand contraceptives** are only available at a zero cost share when specific plan requirements are met. The list is subject to change to remain compliant with ACA guidelines.
