

East Central University 2022-2023

Student Health Insurance Plan Communication Letter

BlueCross BlueShield OK is the New Insurance carrier for the 2022-2023 Student Health Insurance Plan and has an extensive national PPO network. Benefits of the Student Health Insurance Plan includes:

- A \$250 deductible per person will apply for the plan year
- Office visit copays will remain a flat \$30 and are not subject to the deductible
- Pharmacy copays for Tier 1, Tier 2, Tier 3 and Tier 4 will be \$15, \$60, \$60 and \$60, respectively
- Visit our [video library](#) for quick tips on how to get the most out of your health insurance

ID Cards

A welcome email will be sent after enrollment and will direct students to register for an account in Blue Access for Members (BAM). ID cards can be viewed and printed online. For instructions on how to register, [click here](#).

Students can access ID card soon after account is created. To download a digital card, login to BAM and click on the ID card icon. Cards can also be printed or mailed.

Mobile App

Students are highly encouraged to use the BCBSOK Mobile app to access all their health insurance information.

The [mobile app](#) allows students to:

- View/download ID Card
- Find a doctor or pharmacy
- View claims status and details
