24 Hours a Day

When you call, a registered nurse will help you decide:

- If you can take care of the problem at home
- If you need to see your doctor
- If it is safe to wait or if you need help right away
- What you should watch for if you don't need care right away

In an emergency, call 911 or visit the nearest emergency room.

You can also ask the nurse about:

- Questions you forgot to ask your doctor
- The latest health information
- Making important health care decisions
- Your medicines or other treatments
